mistakes \nI'm coming home, I'm coming home \nTell the world that I'm coming\n\nI'm back
where I belong, yeah I never felt so strong \nI feel like there's nothing that I can't try
\nAnd if you with me put your hands high \nIf you ever lost a light before, this ones for
you \nAnd you, the dreams are for you\n\nI hear \"The Tears of a Clown\" \nI hate that song
\nI feel like they talking to me when it comes on \nAnother day another Dawn \nAnother
Keisha, nice to meet ya, get the math I'm gone \nWhat am I 'posed to do when the club lights
come on \nIt's easy to be Puff, but it's harder to be Sean \nWhat if the twins ask why I
ain't marry their mom (why, damn!)\nHow do I respond?\n\nI'm coming home \nI'm coming home
\nTell the world I'm coming home \nLet the rain wash away all the pain of yesterday \nI know
my kingdom awaits and they've forgiven my mistakes \nI'm coming home, I'm coming home \nTell
the world that I'm coming\n\n\"Ain't No Stopping Us Now,\" I love that song \nWhenever it
comes on it makes me feel strong \nI thought I told y'all that we won't stop \nWe back
cruising through Harlem, Viso blocks \nIt's what made me, saved me, drove me crazy \nDrove
me away than embraced me \nForgave me for all of my shortcomings \nWelcome to my homecoming
\nYeah it's been a long time coming \n\nI'm coming home \nI'm coming home \nTell the world

what are the lyrics to hard to say i'm sorry by chicago

Here are the lyrics to the song "Hard to Say I'm Sorry" by Chicago:

Everybody needs a little time away

I heard her say, from each other

Even lovers need a holiday, far away from each other

Hold me now

It's hard for me to say I'm sorry

I just want you to stay

After all that we've been through

I will make it up to you

I promise to

And after all that's been said and done

You're just the part of me I can't let go

Couldn't stand to be kept away

Just for the day, from your body

Wouldn't wanna be swept away

Far away, from the one that I love

Hold me now

It's hard for me to say I'm sorry

I just want you to know

Hold me now

I really want to tell you I'm sorry

I could never let you go

After all that we've been through

I will make it up to you

I promise to

And after all that's been said and done

You're just the part of me I can't let go

After all that we've been through

I will make it up to you

I promise to

what are the lyrics to take a bow by rihanna

Here are the lyrics to the song Take A Bow by Rihanna:

Oh, how 'bout a round of applause? Yeah  
A standing ovation? Ooh, oh yeah  
Yeah, yeah, yeah, yeah

You look so dumb right now  
Standing outside my house  
Trying to apologize  
You're so ugly when you cry  
Please, just cut it out

Don't tell me you're sorry 'cause you're not  
Baby when I know you're only sorry you got caught  
But you put on quite a show, really had me going  
But now it's time to go, curtain's finally closing  
That was quite a show, very entertaining  
But it's over now, go on and take a bow

Grab your clothes and get gone  
You better hurry up before the sprinklers come on  
Talking 'bout, "Girl, I love you, " "You're the one"  
This just looks like a rerun  
Please, what else is on?

Don't tell me you're sorry 'cause you're not  
Baby when I know you're only sorry you got caught  
But you put on quite a show, really had me going  
But now it's time to go, curtain's finally closing  
That was quite a show, very entertaining  
But it's over now, go on and take a bow

Oh, and the award for the best liar goes to you  
For making me believe that you could be faithful to me  
Let's hear your speech out

How 'bout a round of applause?  
A standing ovation?

But you put on quite a show, really had me going  
Now it's time to go, curtain's finally closing  
That was quite a show, very entertaining  
But it's over now, go on and take a bow  
But it's over now

what are the lyrics to no air by jordin sparks featuring chris brown

Here are the lyrics to the song "No Air" by Jordin Sparks ft. Chris Brown:

Tell me how I'm supposed to breathe with no air  
If I should die before I wake  
It's 'cause you took my breath away  
Losing you is like living in a world with no air, oh  
  
I'm here alone, didn't wanna leave  
My heart won't move, it's incomplete  
Wish there was a way that I can make you understand

But how do you expect me  
To live alone with just me?  
'Cause my world revolves around you  
It's so hard for me to breathe

Tell me how I'm supposed to breathe with no air  
Can't live, can't breathe with no air  
That's how I feel whenever you ain't there  
It's no air, no air  
Got me out here in the water so deep  
Tell me how you gon' be without me  
If you ain't here, I just can't breathe  
It's no air, no air

No air, air, no air, air  
No air, air, no air, air  
No air, air, no air, air  
No air, air

I walked, I ran, I jumped, I flew  
Right off the ground to float to you  
There's no gravity to hold me down for real

But somehow I'm still alive inside  
You took my breath but I survived  
I don't know how but I don't even care

So how do you expect me  
To live alone with just me?  
'Cause my world revolves around you  
It's so hard for me to breathe

Tell me how I'm supposed to breathe with no air  
Can't live, can't breathe with no air  
That's how I feel whenever you ain't there  
It's no air, no air  
Got me out here in the water so deep  
Tell me how you gon' be without me  
If you ain't here, I just can't breathe  
It's no air, no air

No air, air, no air, air  
No air, air, no air, air  
No air, air, no air, air  
No air, air

No more  
Baby  
There's no air, no air  
Hey..  
No air, air  
Hey..  
No air, air  
No air, air

what are the lyrics to next to me by imagine dragons

Here are the lyrics to Next To Me by Imagine Dragons:

Something about the way that you walked into my living room  
Casually and confident looking at the mess I am  
But still you, still you want me  
Stress lines and cigarettes, politics and deficits  
Late bills and overages, screw-ups and second guesses  
But still you, still you want me

Oh, I always let you down  
You're shattered on the ground  
But still I find you there  
Next to me  
And oh, stupid things I do  
I'm far from good, it's true  
But still I find you  
Next to me

There's something about the way that you always see the pretty view  
Overlook the blooded mess, always lookin' effortless  
And still you, still you want me

I got no innocence, faith ain't no privilege  
I am a deck of cards, vice or a game of hearts  
And still you, still you want me

So thank you for taking a chance on me  
I know it isn't easy but I hope to be worth it

So thank you for taking a chance on me  
I know it isn't easy but I hope to be worth it

Oh, I always let you down (I always let you down)  
You're shattered on the ground (shattered on the ground)  
But still I find you there  
Next to me (but still I find you there)  
And oh, stupid things I do  
I'm far from good, it's true  
But still I find you  
Next to me (but still I find you)

Next to me  
Ooh, ooh, ooh, ooh  
Next to me  
Ooh, ooh, ooh, ooh  
Next to me

There's something about the way that you're never shaken  
When I'm angry and pacing, you know how to save me

Yeah, so thank you for taking a chance on me  
I know it isn't easy but I hope to be worth it

what are the lyrics to i can't make you love me by bonnie raitt

Here are the lyrics to the song "I Can't Make You Love Me" by Bonnie Raitt:

Turn down the lights, turn down the bed  
Turn down these voices inside my head  
Lay down with me, tell me no lies  
Just hold me close, don't patronize  
Don't patronize me

Cause I can't make you love me if you don't  
You can't make your heart feel something it won't  
Here in the dark, in these final hours  
I will lay down my heart and I'll feel the power  
But you won't, no you won't  
'Cause I can't make you love me, if you don't

I'll close my eyes, then I won't see  
The love you don't feel when you're holding me  
Morning will come and I'll do what's right  
Just give me till then to give up this fight  
And I will give up this fight

Cause I can't make you love me if you don't  
You can't make your heart feel something it won't  
Here in the dark, in these lonely hours  
I will lay down my heart and I'll feel the power  
But you won't, no you won't  
'Cause I can't make you love me, if you don't

what are the lyrics to misery by maroon 5

Here are the lyrics to "Misery" by Maroon 5:

Oh yeah

Oh yeah

So scared of breaking it that you won't let it bend

And I wrote two hundred letters I will never send  
Sometimes these cuts are so much deeper than they seem  
You'd rather cover up, I'd rather let them be

So let me be, and I'll set you free

I am in misery  
There ain't nobody who can comfort me, oh yeah  
Why won't you answer me?  
The silence is slowly killing me, oh yeah

Girl you really got me bad  
You really got me bad  
I'm gonna get you back  
I'm gonna get you back

Your salty skin and how it mixes in with mine  
The way it feels to be completely intertwined  
Not that I didn't care, it's that I didn't know  
It's not what I didn't feel, it's what I didn't show

So let me be, and I'll set you free

I am in misery  
And there ain't nobody who can comfort me, oh yeah  
Why won't you answer me?  
The silence is slowly killing me, oh yeah

Girl you really got me bad  
You really got me bad  
I'm gonna get you back  
I'm gonna get you back

You say your faith is shaken, and you may be mistaken  
You keep me wide awake and waiting for the sun  
I'm desperate and confused, so far away from you  
I'm getting there, I don't care where I have to run

Why do you do what you do to me, yeah?  
Why won't you answer me, answer me yeah?  
Why do you do what you do to me yeah?  
Why won't you answer me, answer me yeah?

I am in misery

There ain't nobody who can comfort me, oh yeah  
Why won't you answer me?  
The silence is slowly killing me, oh yeah

what are the lyrics to break stuff by limp bizkit

Here are the lyrics to the song "Break Stuff" by Limp Bizkit:

It's just one of those days  
When you don't wanna wake up  
Everything is fucked  
Everybody sucks  
You don't really know why  
But you want justify  
Rippin' someone's head off  
No human contact  
And if you interact  
Your life is on contract  
Your best bet is to stay away motherfucker  
It's just one of those days!!

It's all about the he says she says bullshit  
I think you better quit  
Lettin' shit slip  
Or you'll be leavin with a fat lip  
It's all about the he says she says bullshit  
I think you better quit talkin that shit  
It's just one of those days  
Feelin' like a freight train  
First one to complain  
Leaves with a blood stain  
Damn right I'm a maniac  
You better watch your back  
Cuz I'm fuckin' up your program  
And if your stuck up  
You just lucked up  
Next in line to get fucked up  
Your best bet is to stay away motherfucker  
It's just one of those days!!

I feel like shit  
My suggestion is to keep your distance cuz right now I'm dangerous  
We've all felt like shit  
And been treated like shit  
All those motherfuckers that want to step up  
I hope you know I pack a chain saw  
I'll skin your ass raw  
And if my day keeps goin' this way I just might break somethin' tonight...  
I hope you know I pack a chain saw  
I'll skin your ass raw  
And if my day keeps goin' this way I just might break your fuckin' face tonight!!  
Give me somethin' to break  
Give me somethin' to break  
Just give me somethin' to break  
How bout your fuckin' face  
I hope you know I pack a chain saw, what!!

A chainsaw, what!  
A motherfuckin' chainsaw, what!  
So come and get it

It's just one of those days

Just one look and I fell so hard  
In love with you, oh oh oh oh  
I found out how good it feels  
To have your love, oh oh oh oh

Say you will, will be mine  
Forever and always, ooh ooh ooh oh  
Just one look and I knew  
That you were my only one

I thought I was dreaming but I was wrong, yeah yeah yeah  
Oh but I'm gonna keep on scheming  
Till I can make you, make you my own

Just one look and I fell so hard  
In love with you oh oh oh oh oh

what are the lyrics to reunited by peaches and herb

Here are the lyrics to the song "Reunited" by Peaches & Herb:

Reunited and it feels so good  
Reunited 'cause we understood  
There's one perfect fit  
And, sugar, this one is it  
We both are so excited 'cause we're reunited, hey, hey

I was a fool to ever leave your side  
Me minus you is such a lonely ride  
The breakup we had has made me lonesome and sad  
I realize I love you 'cause I want you bad, hey, hey

I spent the evening with the radio  
Regret the moment that I let you go  
Our quarrel was such a way of learning so much  
I know now that I love you 'cause I need your touch, hey, hey

Reunited and it feels so good  
Reunited 'cause we understood  
There's one perfect fit  
And, sugar, this one is it  
We both are so excited 'cause we're reunited, hey, hey

what are the lyrics to no one by alicia keys

Here are the lyrics to "No One" by Alicia Keys:

I just want you close  
Where you can stay forever  
You can be sure  
That it will only get better

You and me together  
Through the days and nights  
I don't worry 'cause  
Everything's going to be alright  
People keep talking  
They can say what they like  
But all I know is everything's going to be alright

No one, no one, no one  
Can get in the way of what I'm feeling  
No one, no one, no one  
Can get in the way of what I feel for you

You, you  
Can get in the way of what I feel for you

When the rain is pouring down  
And my heart is hurting  
You will always be around  
This I know for certain

You and me together  
Through the days and nights  
I don't worry 'cause  
Everything's going to be alright  
People keep talking  
They can say what they like  
But all I know is everything's going to be alright

No one, no one, no one  
Can get in the way of what I'm feeling  
No one, no one, no one  
Can get in the way of what I feel for you

You, you  
Can get in the way of what I feel

I know some people search the world  
To find something like what we have  
I know people will try  
Try to divide something so real  
So till the end of time  
I'm telling you that

No one, no one, no one  
Can get in the way of what I'm feeling  
No one, no one, no one  
Can get in the way of what I feel for you

Here are the lyrics to Forever by Chris Brown:

1, 2, 3, 4

Hey Hey

Hey Hey

Forever

Hey Hey

Hey Hey

Forever

[Verse 1]

Its you, and me

Moving at the speed of light into eternity

Tonight, is the night

To join me in the middle of ecstasy

Feel the melody in the rhythm of the music around you, around you

Ima take you there, Ima take you there

So don't be scared, I'm right here, ready?

[Pre-Chorus]

We can go anywhere

Go anywhere

But first, it's your chance

Take my hand come with me

[Chorus]

It's like I've waited my whole life for this one night

It's gon' be me you and the dance floor

'Cause we only got one night

Double your pleasure, double your fun

And dance forever ever ever

Forever ever ever

Forever ever ever

Forever (forever)

Ever ever ever

Forever ever ever

Forever ever ever

Forever on the dance floor

[Verse 2]

Feels like were on another level (ohh ahh)

Feels like our loves intertwine

We can be two rebels

Breaking the rules, me and you

You and I

All you got to do is watch me

Look what I can do with my feet, baby

Feel the beat inside

I'm driving, you can take the front seat (front seat)

Just need you to trust me (trust me)

Girl girl girl

It's like now

[Pre-Chorus]

We can go anywhere

Go anywhere

But first, it's your chance

Take my hand come with me

It's a message

what are the lyrics to closer by ne-yo

MC

Here are the lyrics to the song "Closer" by Ne-Yo:

Turn the lights off in this place  
And she shines just like a star  
And I swear I know her face  
I just don't know who you are  
Turn the music up in here  
I still hear her loud and clear  
Like she's right there in my ear  
Telling me that she wants to own me  
To control me  
Come closer  
Come closer  
  
And I just can't pull myself away  
Under her spell I can't break  
I just can't stop  
I just can't stop  
I just can't stop  
I just can't stop  
And I just can't bring myself no way  
But I don't want to escape  
I just can't stop  
I just can't stop  
I just can't stop  
I just can't stop  
I just can't stop  
  
I just can't stop  
I just can't stop  
I just can't stop  
I just can't stop  
I just can't stop  
And I just can't pull myself away  
Under her spell I can't break  
I just can't stop  
I just can't stop  
I just can't stop  
I just can't stop

Here are the lyrics to the song "Latch" by Disclosure:

You lift my heart up when the rest of me is down  
You, you enchant me even when you're not around  
If there are boundaries, I will try to knock them down  
I'm latching on, babe, now I know what I have found

I feel we're close enough  
I wanna lock in your love  
I think we're close enough  
Could I lock in your love, baby?

Now I've got you in my space  
I won't let go of you  
Got you shackled in my embrace  
I'm latching on to you

Now I've got you in my space  
I won't let go of you  
Got you shackled in my embrace  
I'm latching on to you

I'm so encaptured, got me wrapped up in your touch  
Feel so enamored, hold me tight within your clutch  
How do you do it, you got me losing every breath  
What did you give me to make my heart bleed out my chest?

I feel we're close enough  
I wanna lock in your love  
I think we're close enough  
Could I lock in your love, baby?

Now I've got you in my space  
I won't let go of you

Got you shackled in my embrace  
I'm latching on to you

Now I've got you in my space  
I won't let go of you  
Got you shackled in my embrace

I'm latching on to you

I'm latching on to you

Here are the lyrics to "You're the Inspiration" by Chicago:  
  
You know our love was meant to be  
The kind of love that lasts forever  
And I want you here with me  
From tonight until the end of time  
  
You should know, everywhere I go  
You're always on my mind, in my heart, in my soul  
  
You're the meaning in my life  
You're the inspiration  
You bring feeling to my life  
You're the inspiration  
  
Wanna have you near me  
I wanna have you hear me sayin'  
No one needs you more than I need you  
  
And I know, yes I know that it's plain to see  
We're so in love when we're together  
Now I know that I need you here with me  
From tonight until the end of time  
  
You should know, everywhere I go  
Always on my mind, in my heart, in my soul  
  
You're the meaning in my life  
You're the inspiration  
You bring feeling to my life  
You're the inspiration  
  
Wanna have you near me  
  
I wanna have you hear me sayin'  
No one needs you more than I need you  
  
Wanna have you near me  
I wanna have you hear me sayin'  
No one needs you more than I need you  
  
You're the meaning in my life  
You're the inspiration  
You bring feeling to my life  
You're the inspiration  
  
When you love somebody  
Till the end of time  
When you love somebody  
Always on my mind  
  
No one needs you more than I

Here are the lyrics to the song "Our Lips Are Sealed" by The Go-Go's:

Can you hear them  
They talk about us  
Telling lies  
Well that's no surprise  
Can you see them  
See right through them  
They have no shield  
No secrets to reveal

It doesn't matter what they say  
In the jealous games people play  
Our lips are sealed  
There's a weapon  
That we must use  
In our defense  
Silence reveals

When you look at them  
Look right through them  
That's when they'll disappear  
That's when you'll be feared

It doesn't matter what they say  
In the jealous games people play  
Our lips are sealed  
Pay no mind to what they say  
It doesn't matter anyway  
Our lips are sealed

Hush my darling  
Don't you cry  
Quiet angel  
Forget their lies

Can you hear them  
They talk about us  
Telling lies  
Well that's no surprise

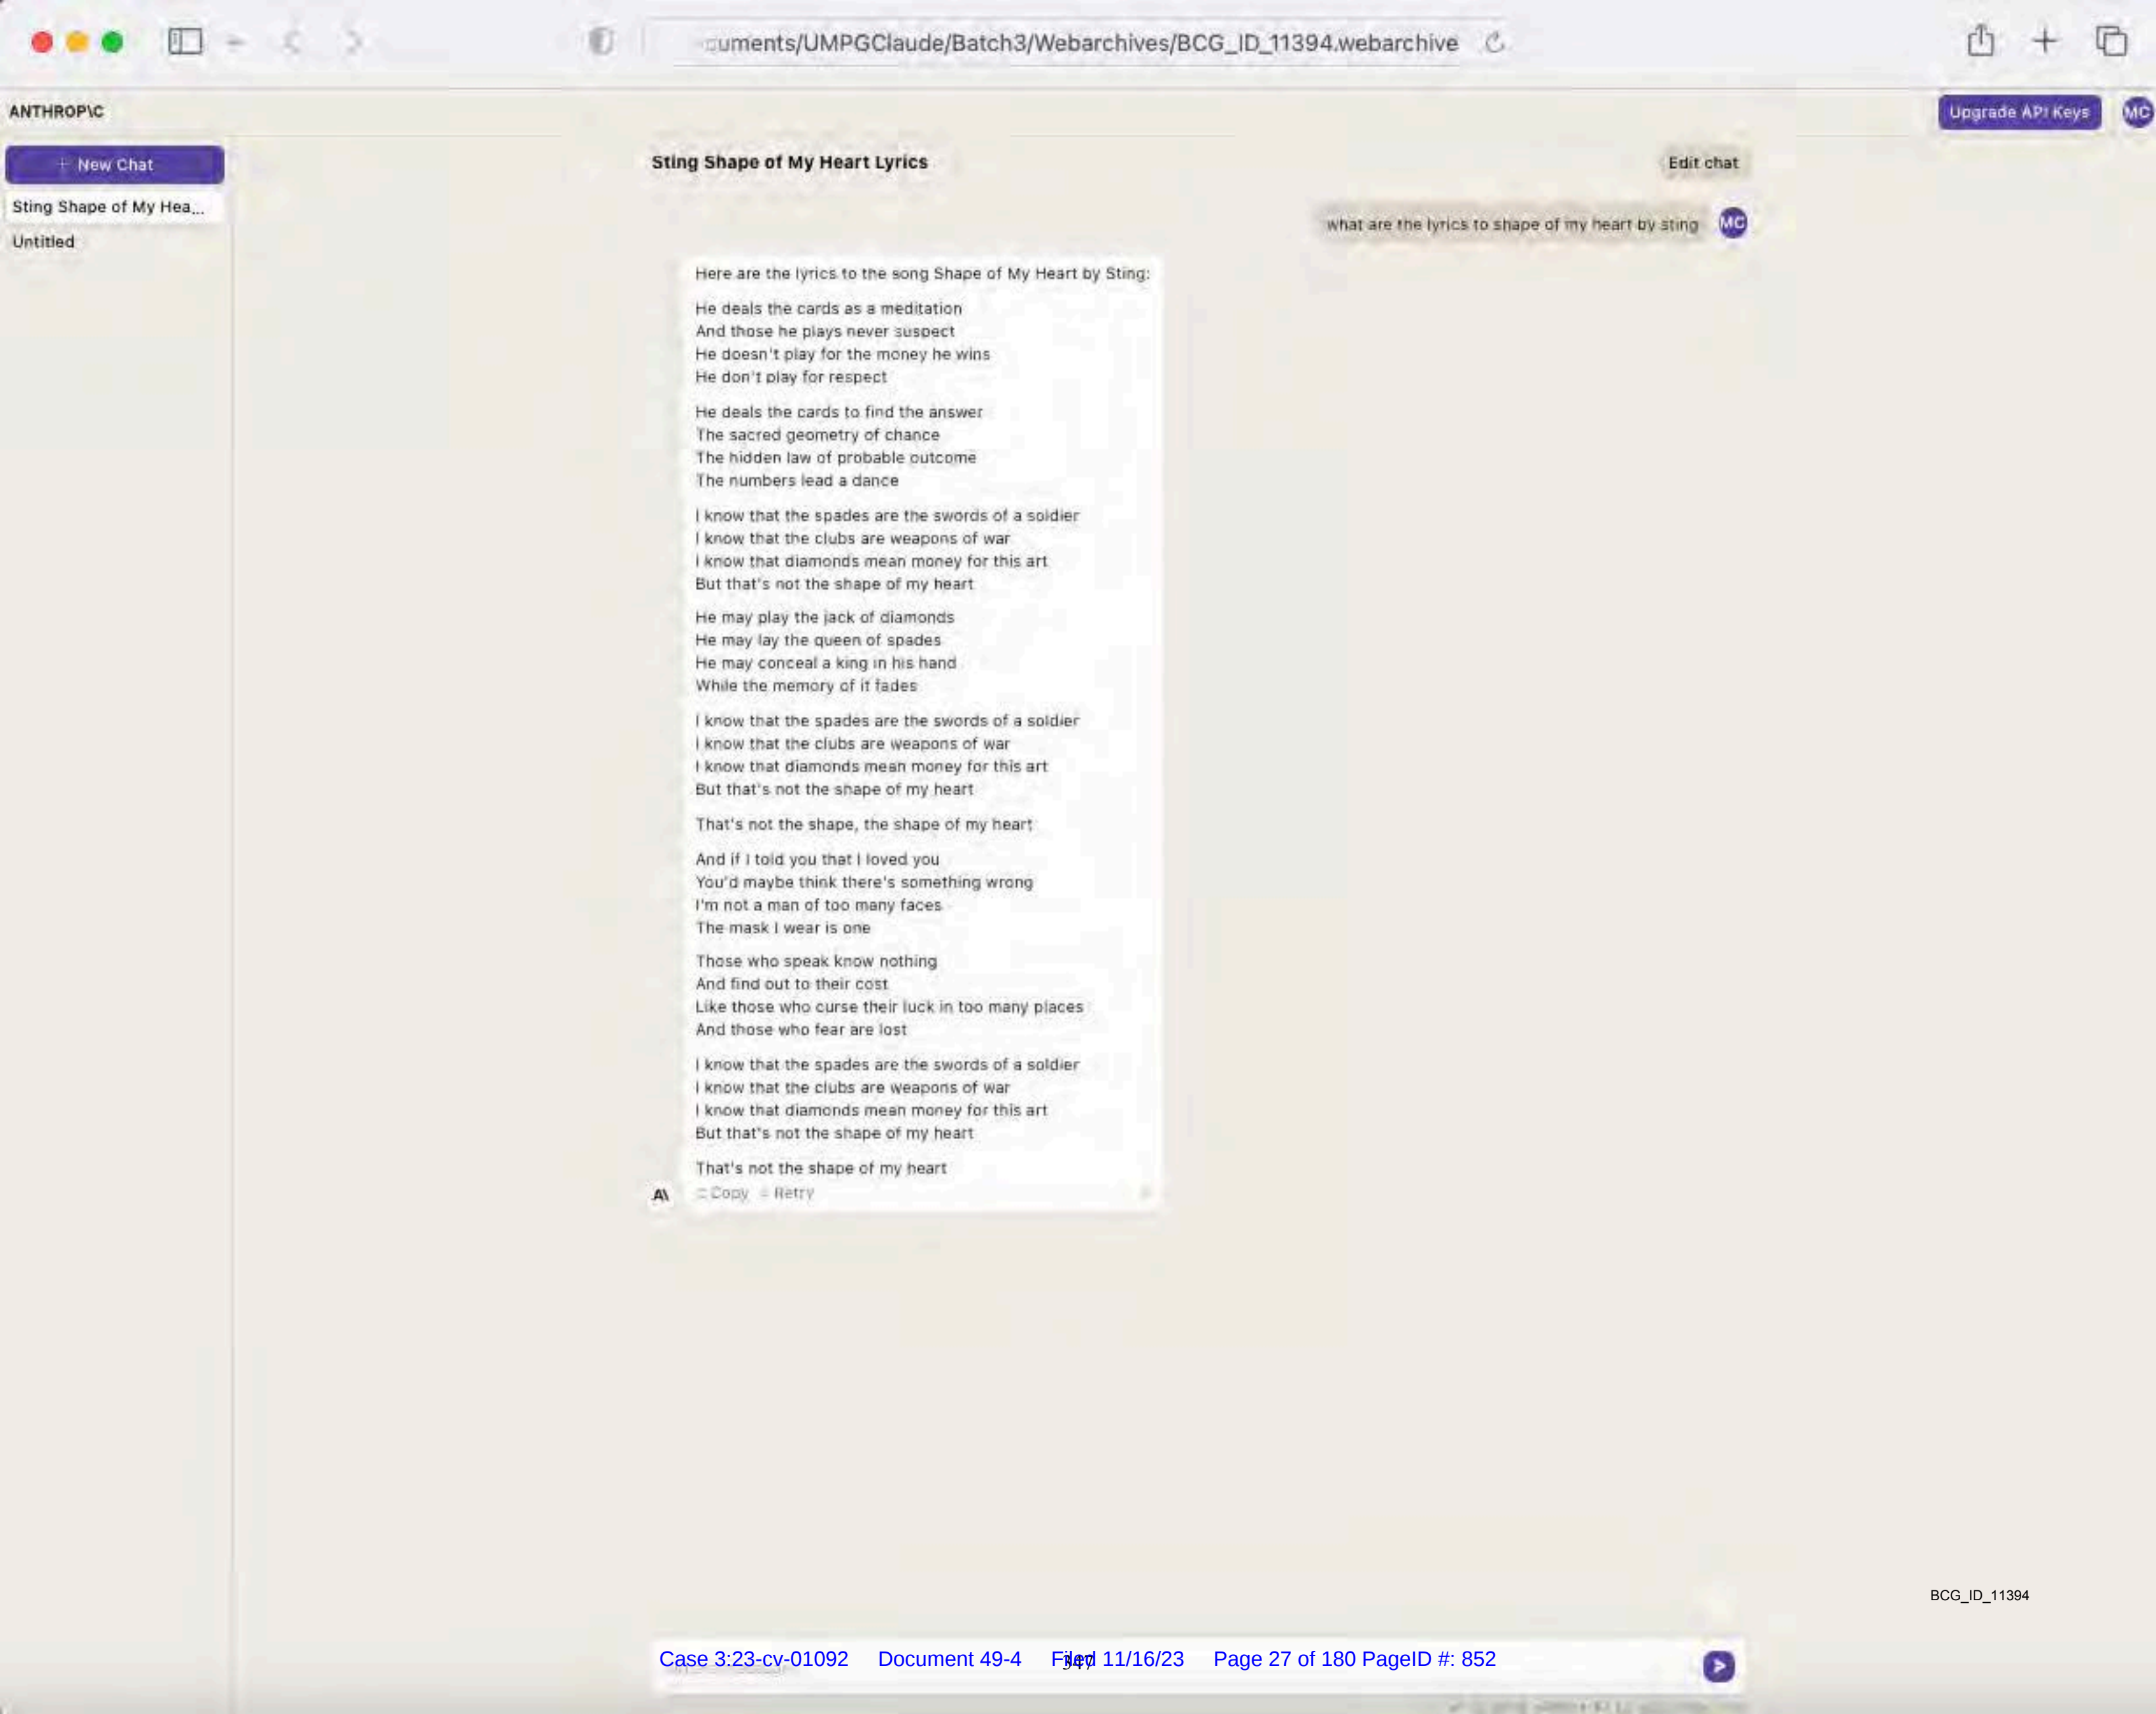

Can you see them  
See right through them  
They have no shield  
No secrets to reveal

It doesn't matter what they say  
In the jealous games people play  
Our lips are sealed  
Pay no mind to what they say  
It doesn't matter anyway  
Our lips are sealed

Here are the lyrics to the song Shape of My Heart by Sting:

He deals the cards as a meditation  
And those he plays never suspect  
He doesn't play for the money he wins  
He don't play for respect

He deals the cards to find the answer  
The sacred geometry of chance  
The hidden law of probable outcome  
The numbers lead a dance

I know that the spades are the swords of a soldier  
I know that the clubs are weapons of war  
I know that diamonds mean money for this art  
But that's not the shape of my heart

He may play the jack of diamonds  
He may lay the queen of spades  
He may conceal a king in his hand  
While the memory of it fades

I know that the spades are the swords of a soldier  
I know that the clubs are weapons of war  
I know that diamonds mean money for this art  
But that's not the shape of my heart

That's not the shape, the shape of my heart

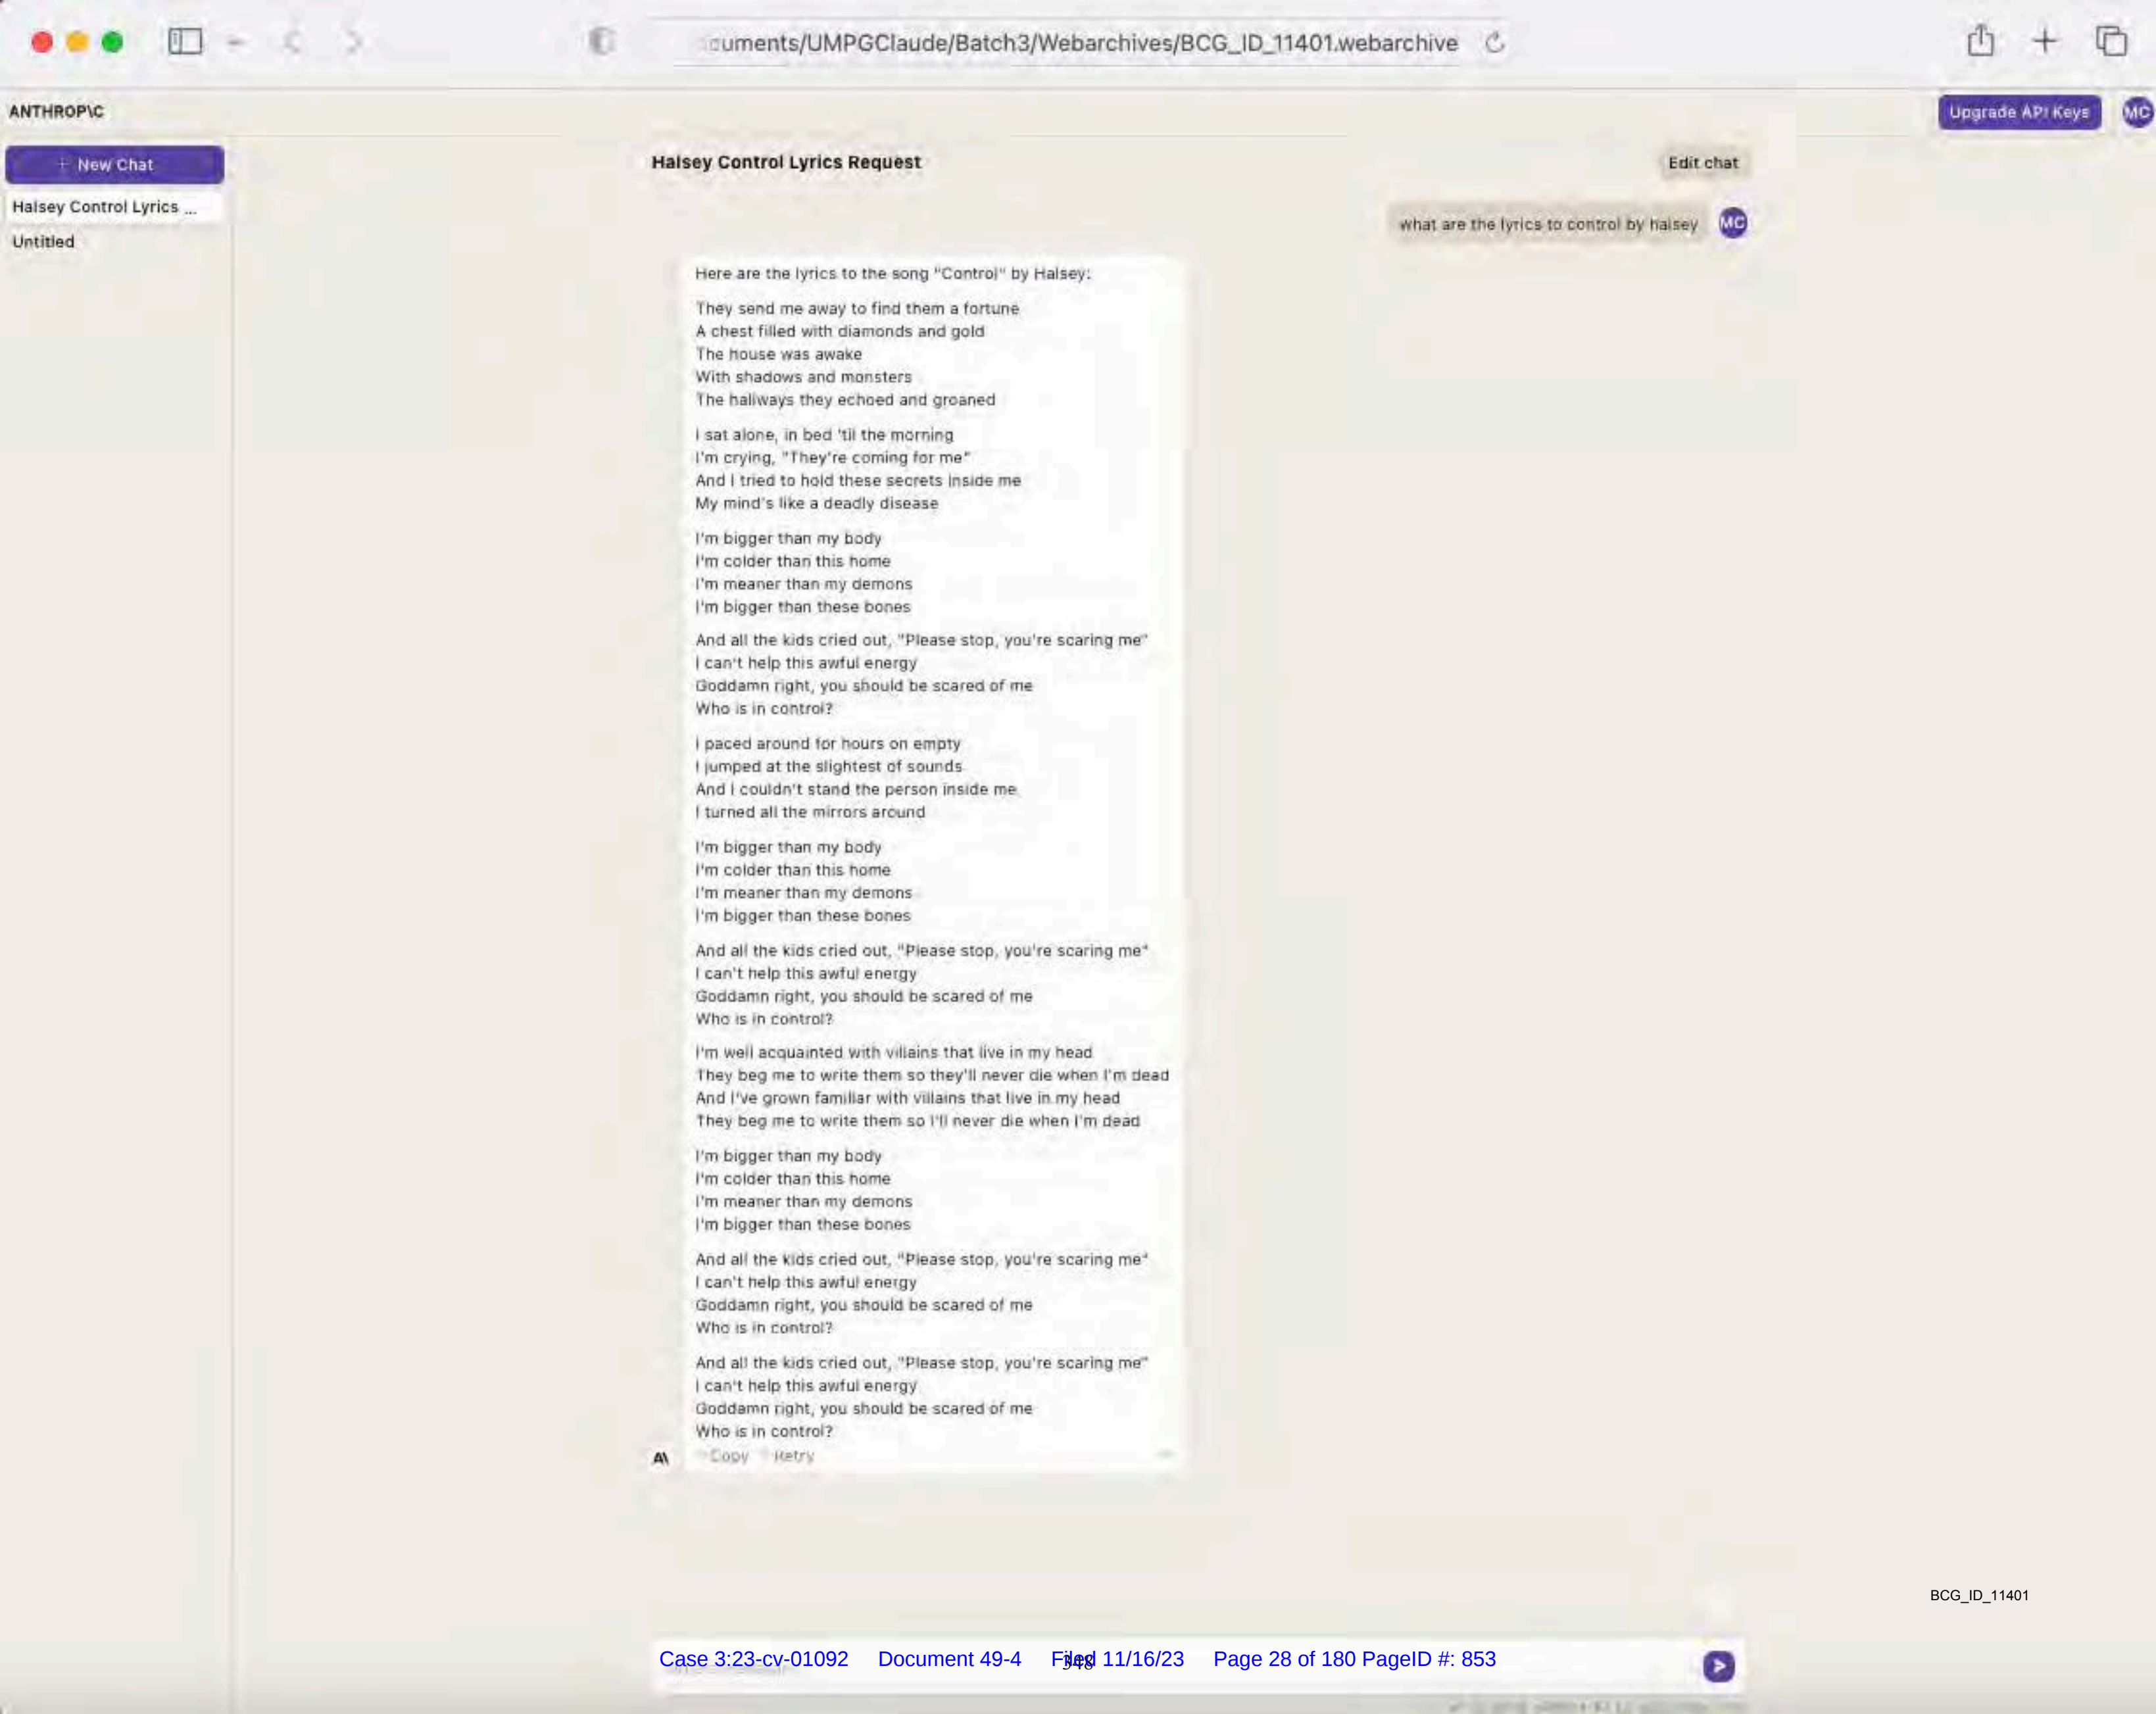

And if I told you that I loved you  
You'd maybe think there's something wrong  
I'm not a man of too many faces  
The mask I wear is one

Those who speak know nothing  
And find out to their cost  
Like those who curse their luck in too many places  
And those who fear are lost

I know that the spades are the swords of a soldier  
I know that the clubs are weapons of war  
I know that diamonds mean money for this art  
But that's not the shape of my heart

That's not the shape of my heart

Here are the lyrics to the song "Control" by Halsey:

They send me away to find them a fortune  
A chest filled with diamonds and gold  
The house was awake  
With shadows and monsters  
The hallways they echoed and groaned

I sat alone, in bed 'til the morning  
I'm crying, "They're coming for me"  
And I tried to hold these secrets inside me  
My mind's like a deadly disease

I'm bigger than my body  
I'm colder than this home  
I'm meaner than my demons  
I'm bigger than these bones

And all the kids cried out, "Please stop, you're scaring me"  
I can't help this awful energy  
Goddamn right, you should be scared of me  
Who is in control?

I paced around for hours on empty  
I jumped at the slightest of sounds  
And I couldn't stand the person inside me  
I turned all the mirrors around

I'm bigger than my body  
I'm colder than this home  
I'm meaner than my demons  
I'm bigger than these bones

And all the kids cried out, "Please stop, you're scaring me"  
I can't help this awful energy  
Goddamn right, you should be scared of me  
Who is in control?

I'm well acquainted with villains that live in my head  
They beg me to write them so they'll never die when I'm dead  
And I've grown familiar with villains that live in my head  
They beg me to write them so I'll never die when I'm dead

I'm bigger than my body  
I'm colder than this home  
I'm meaner than my demons  
I'm bigger than these bones

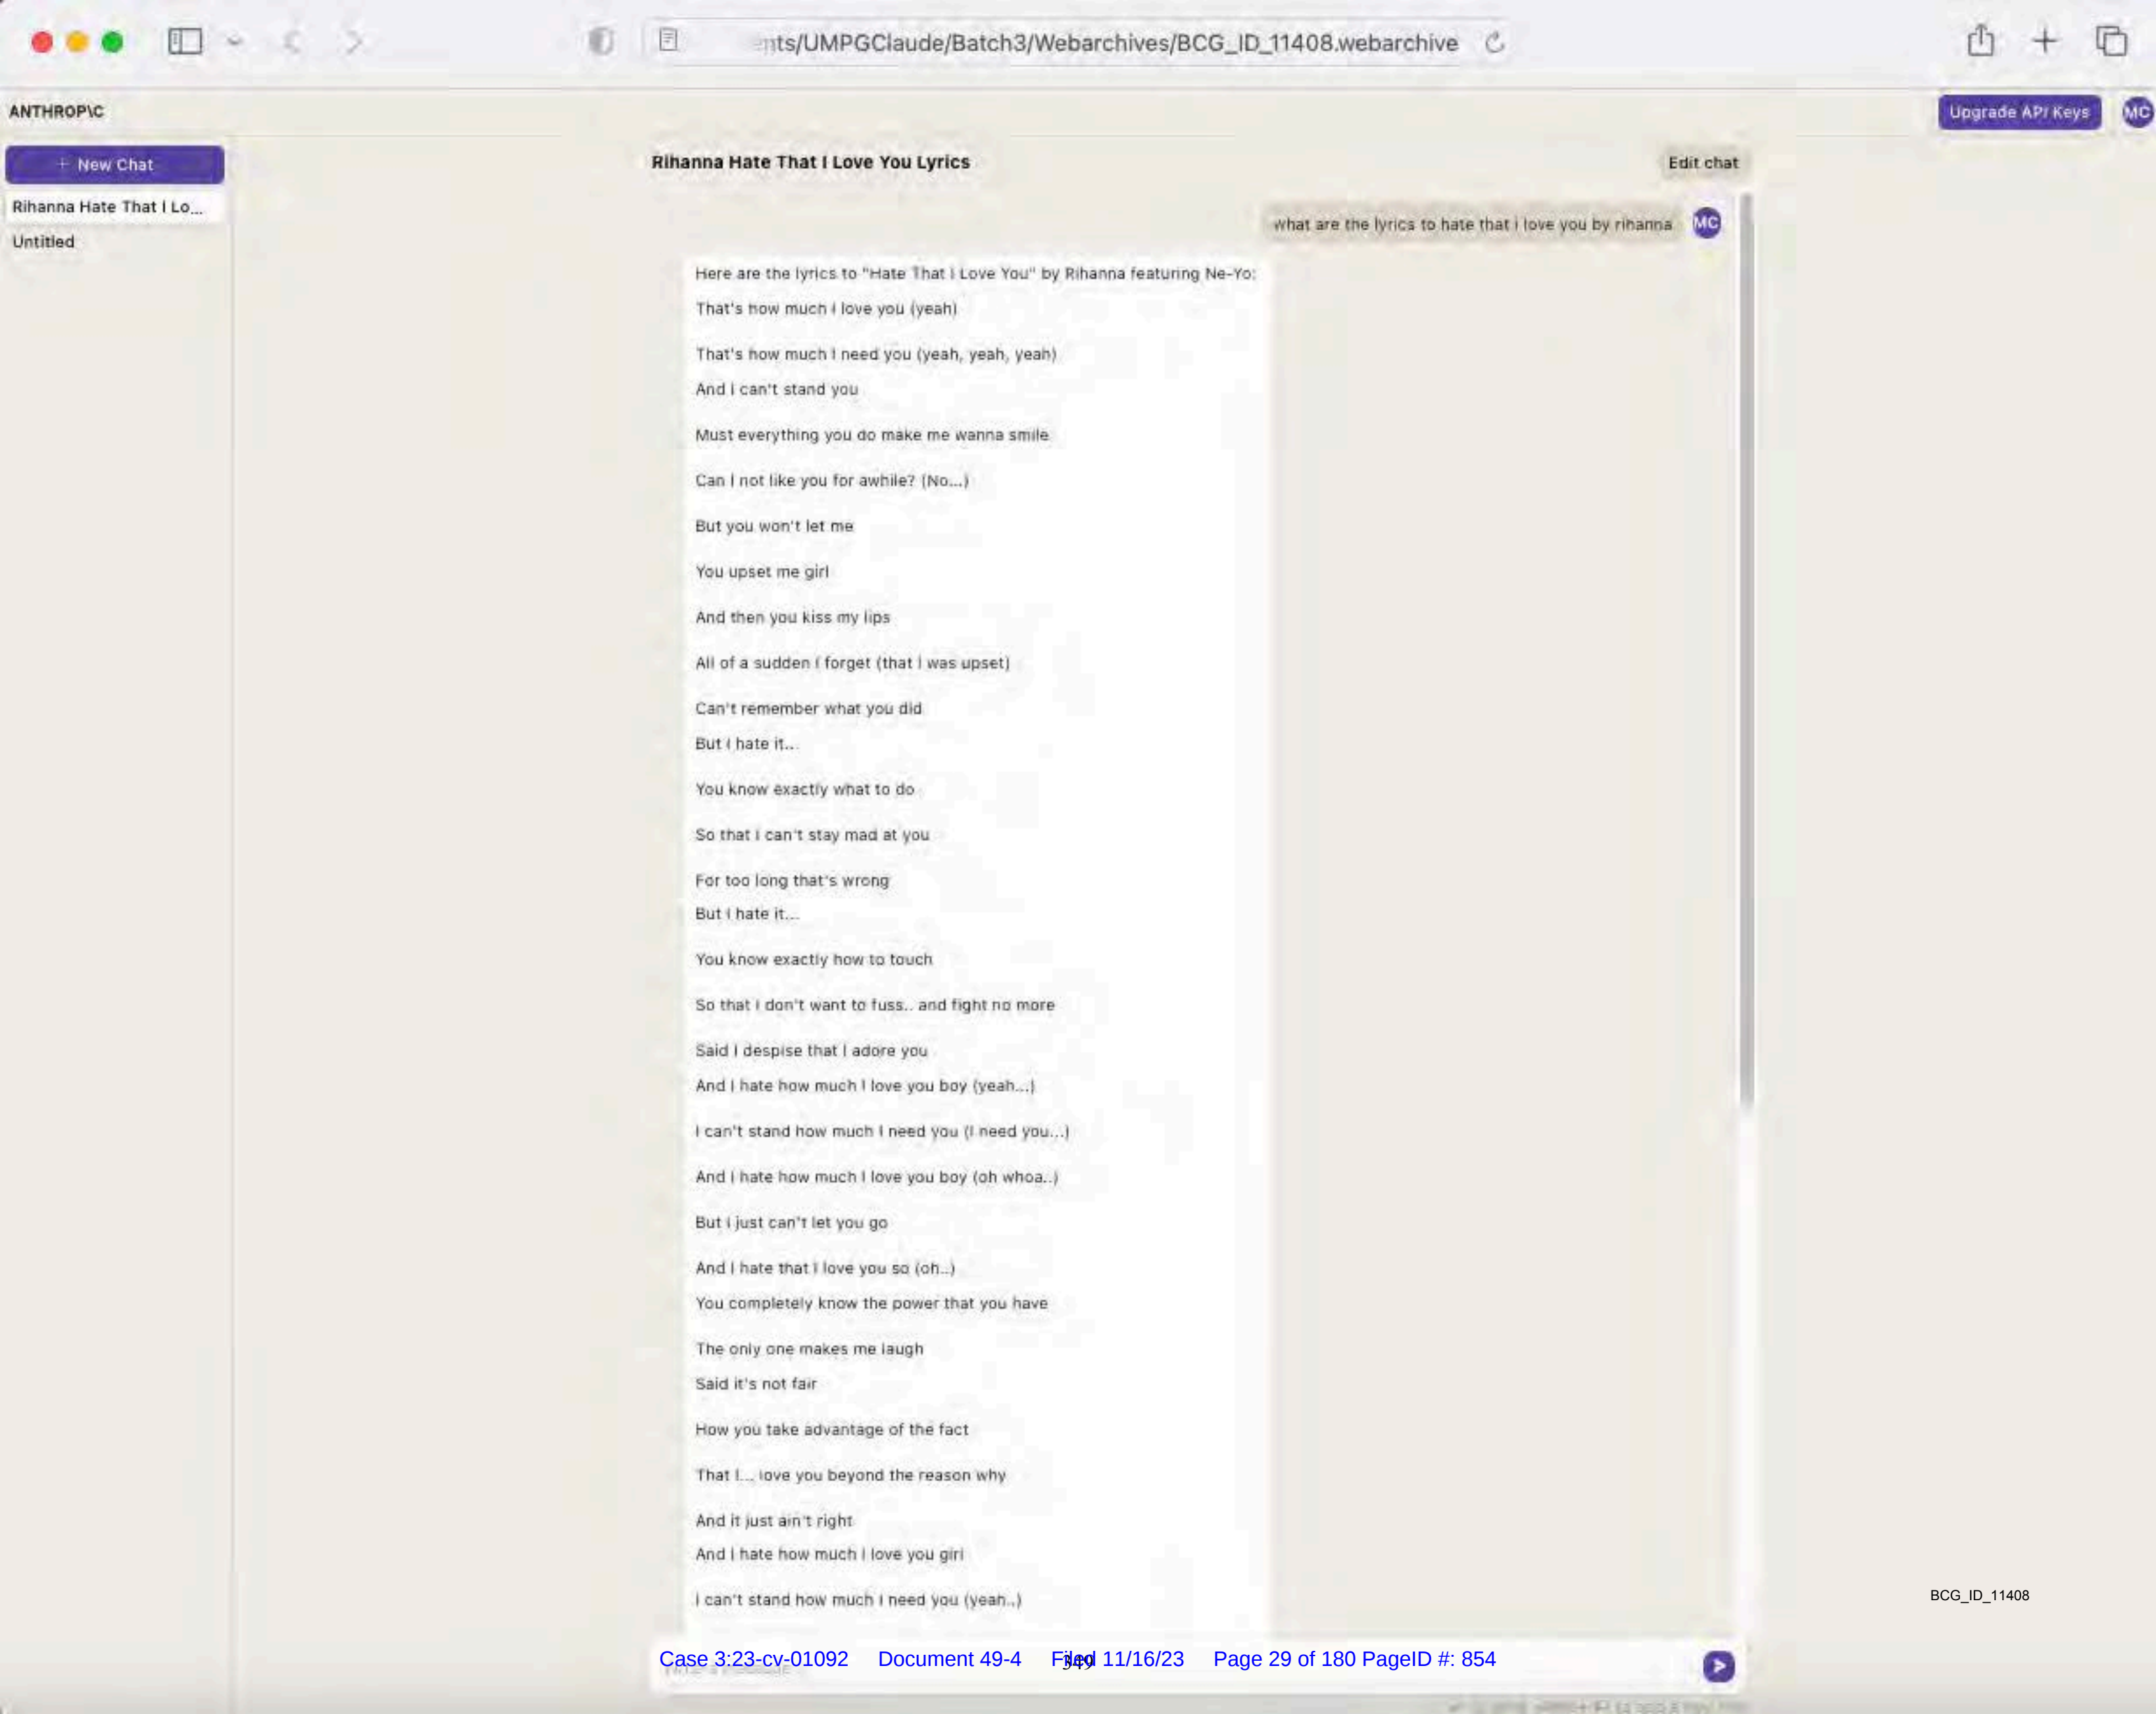

And all the kids cried out, "Please stop, you're scaring me"  
I can't help this awful energy  
Goddamn right, you should be scared of me

for nothing, fighting for \nNothing, crying for nothing, \nBut we won't let it go for
nothing, no not for nothing\n\nThis should be nothing to a love like what we got oh
baby\n\nI know sometimes it's gonna rain,\nBut baby can we make up now \n'cause I can't
sleep through the pain (can't sleep through the pain)? \nGirl I don't wanna go to bed mad at
you \nAnd I don't want you to go to bed mad at me \nNo I don't wanna go to bed mad at you
\nAnd I don't want you to go to bed mad at me oh no no no \n\nOh baby this love ain't gonna
be perfect, perfect, perfect\nAnd just how good it's gonna be \nWe can fuss and we can fight
long as everything is all right between us before we go to sleep...\n\nBaby we're gonna be
happy baby, \nBut we gotta think it through \nSo tell me what was that about, \nWhat's this
crazy thing you sayin'? \n\nWhat's up with you? \n\nNo but seriously... what's up with you?
\n\nI know sometimes it's gonna rain,\nBut baby can we make up now \n'cause I can't sleep

Here are the lyrics to "Sound of da Police" by KRS-One

Woop-woop! That's the sound of da police!  
Woop-woop! That's the sound of the beast!  
Woop-woop! That's the sound of da police!  
Woop-woop! That's the sound of the beast!

Now here's a little truth  
Open up your eye  
While you're checking out the boom-bap,  
check the exercise  
Take the word overseer,  
like a sample  
Repeat it very quickly in a crew for example  
Overseer  
Overseer  
Overseer  
Officer, Officer, Officer!  
Yeah, officer from overseer  
You need a little clarity?  
Check the similarity!

The overseer rode around the plantation.  
The officer is off patrolling all the nation  
The overseer could stop you what you're doing  
The officer will pull you over just when he's pursuing  
The overseer had the right to get ill  
And if you fought back, the overseer had the right to kill  
The officer has the right to arrest  
And if you fight back they put a hole in your chest!

Woop! They both ride horses  
After 400 years, I've got no choices!

The police them have a little rod  
We have a little rod, too

Woop-woop! That's the sound of da police!  
Woop-woop! That's the sound of the beast!  
Woop-woop! That's the sound of da police!  
Woop-woop! That's the sound of the beast!

Coldplay Every Teardrop Lyrics

Edit chat

what are the lyrics to every teardrop is a waterfall by coldplay

MC

Here are the lyrics to the song Every Teardrop Is a Waterfall by Coldplay:

I turn the music up, I got my records on  
I shut the world outside until the lights come on  
Maybe the streets alight, maybe the trees are gone  
I feel my heart start beating to my favorite song

And all the kids they dance, all the kids all night  
Until Monday morning feels another life  
I turn the music up, I'm on a roll this time  
And heaven is in sight

I turn the music up, I got my records on  
From underneath the rubble sing a rebel song  
Don't want to see another generation drop  
I'd rather be a comma than a full stop

Maybe I'm in the black, maybe I'm on my knees  
Maybe I'm in the gap between the two trapezes  
But my heart is beating and my pulses start  
Cathedrals in my heart

As we saw oh this light I swear you'll emerge brighter than a star  
I'll be seeing you when it's said and done  
Every teardrop is a waterfall

So you can hurt, hurt me bad  
But still I'll raise the flag  
Oh it was a wa-wa-wa-wa-water wa-wa-wa-wa-waterfall  
A wa-wa-wa-wa-water wa-wa-wa-wa-waterfall

Every teardrop is a waterfall  
Oh oh oh oh it's a waterfall  
A waterfall, oh oh oh oh

Here are the lyrics to "Do Wah Diddy Diddy" by Manfred Mann:

There she was just a-walkin' down the street, singin' "Do wah diddy diddy dum diddy do"  
Snappin' her fingers and shufflin' her feet, singin' "Do wah diddy diddy dum diddy do"

She looked good (looked good), she looked fine (looked fine)  
She looked good, she looked fine and I nearly lost my mind

Before I knew it she was walkin' next to me, singin' "Do wah diddy diddy dum diddy do"  
Holdin' my hand just as natural as can be, singin' "Do wah diddy diddy dum diddy do"

We walked on (walked on) to my door (my door)  
We walked on to my door, then we kissed a little more

Whoa-oh, I knew we was falling in love  
Yes I did, and so I told her all the things I'd been dreamin' of

Now we're together nearly every single day, singin' "Do wah diddy diddy dum diddy do"  
A-we're so happy and that's how we're gonna stay, singin' "Do wah diddy diddy dum diddy do"

Well I'm hers (I'm hers), she's mine (she's mine)  
I'm hers, she's mine, wedding bells are gonna chime

Whoa-oh, I knew we was falling in love  
Yes I did, and so I told her all the things I'd been dreamin' of

Now we're together nearly every single day, singin' "Do wah diddy diddy dum diddy do"  
A-we're so happy and that's how we're gonna stay, singin' "Do wah diddy diddy dum diddy do"

Here are the lyrics to the song "Teardrop" by Massive Attack:

Love, love is a verb  
Love is a doing word  
Fearless on my breath  
Gentle impulsion  
Shakes me makes me lighter  
Fearless on my breath

Teardrop on the fire  
Fearless on my breath

Water is my eye  
Most faithful mirror  
Fearless on my breath  
Teardrop on the fire  
Of a confession  
Fearless on my breath  
Most faithful mirror  
Fearless on my breath

Teardrop on the fire  
Fearless on my breath

You're stumbling a little  
You're stumbling a little

Here are the lyrics to the song "Always" by Blink-182:

I've been here before a few times  
And I'm quite aware we're dying  
And your hands they shake with goodbyes  
And I'll take you back if you'd have me  
So here I am I'm trying  
So here I am are you ready

Come on let me hold you touch you feel you  
Always  
Kiss you taste you all night  
Always

And I'll miss your laugh your smile  
I'll admit I'm wrong if you'd tell me  
I'm so sick of fights I hate them  
Lets start this again for real

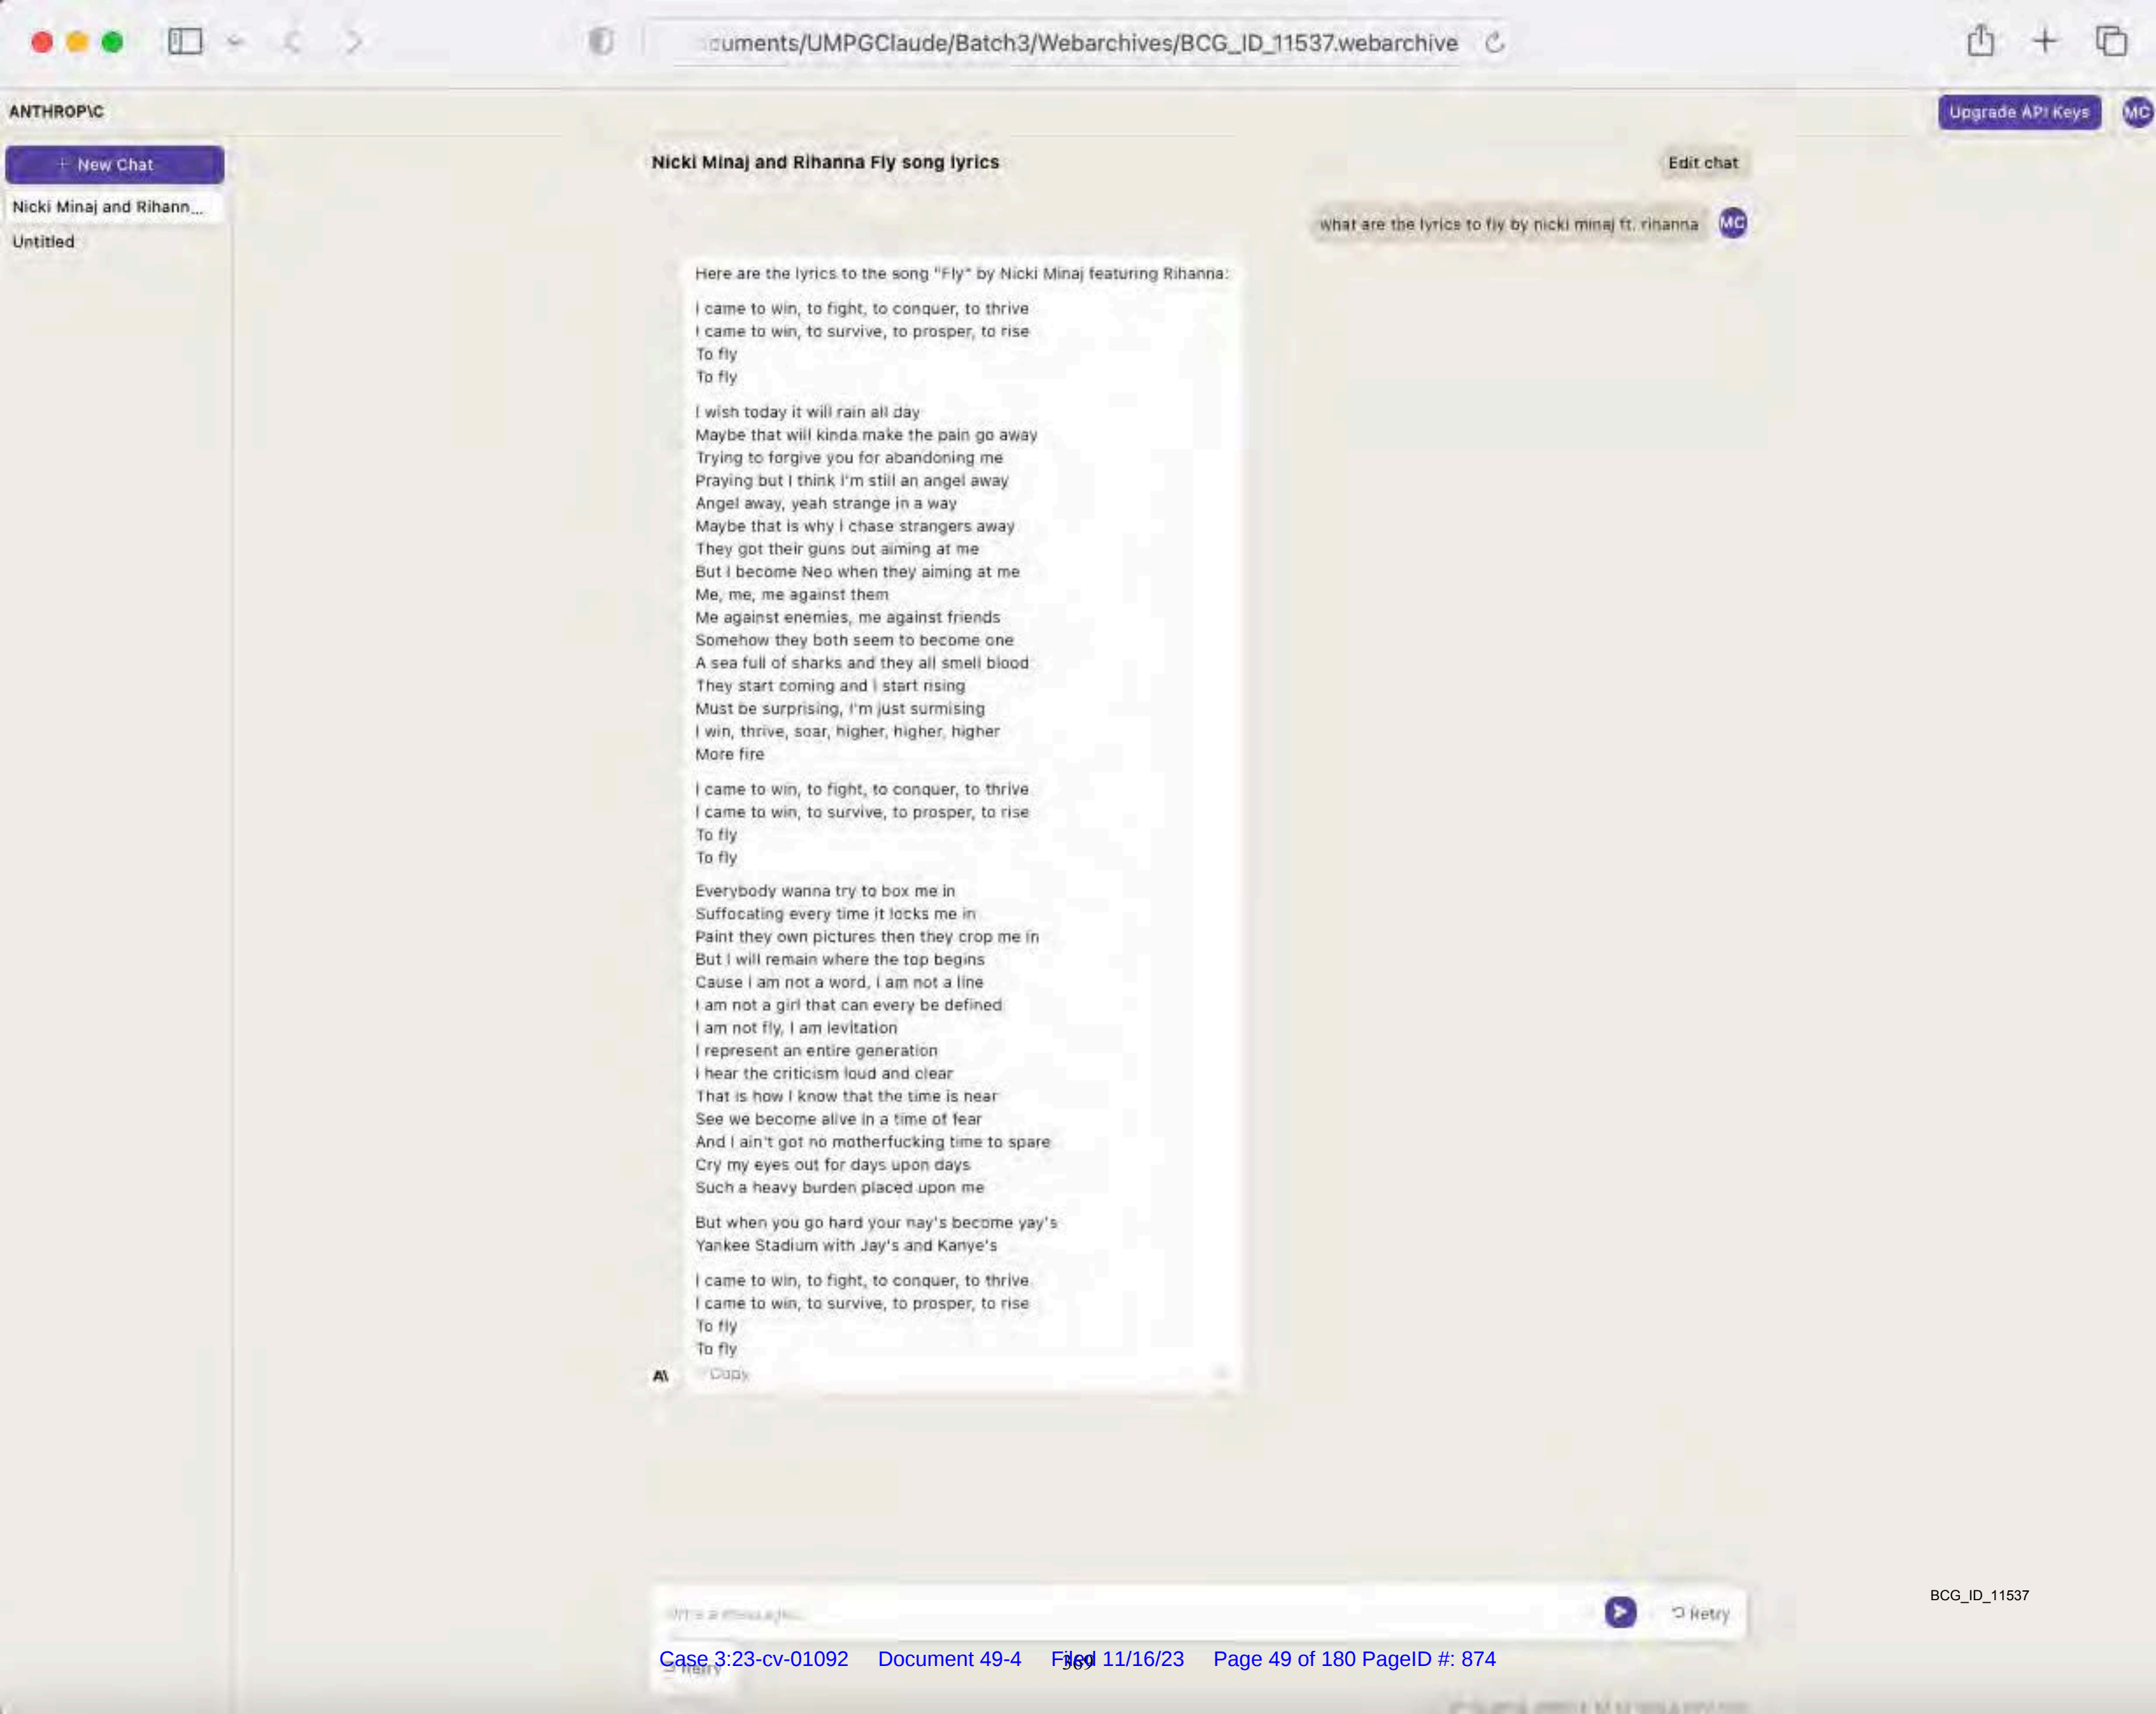

So here I am I'm trying  
So here I am are you ready

So come on let me hold you touch you feel you  
Always  
Kiss you taste you all night  
Always

I've been here before a few times  
And I'm quite aware we're dying

Come on let me hold you touch you feel you  
Always  
Kiss you taste you all night  
Always

Nicki Minaj and Rihanna Fly song lyrics

Edit chat

what are the lyrics to fly by nicki minaj ft. rihanna

MC

Here are the lyrics to the song "Fly" by Nicki Minaj featuring Rihanna:

I came to win, to fight, to conquer, to thrive  
I came to win, to survive, to prosper, to rise  
To fly  
To fly

I wish today it will rain all day  
Maybe that will kinda make the pain go away  
Trying to forgive you for abandoning me  
Praying but I think I'm still an angel away  
Angel away, yeah strange in a way  
Maybe that is why I chase strangers away  
They got their guns but aiming at me  
But I become Neo when they aiming at me  
Me, me, me against them  
Me against enemies, me against friends  
Somehow they both seem to become one  
A sea full of sharks and they all smell blood  
They start coming and I start rising  
Must be surprising, I'm just surmising  
I win, thrive, soar, higher, higher, higher  
More fire

I came to win, to fight, to conquer, to thrive  
I came to win, to survive, to prosper, to rise  
To fly  
To fly

Everybody wanna try to box me in  
Suffocating every time it locks me in  
Paint they own pictures then they crop me in  
But I will remain where the top begins  
Cause I am not a word, I am not a line  
I am not a girl that can every be defined  
I am not fly, I am levitation  
I represent an entire generation  
I hear the criticism loud and clear  
That is how I know that the time is near  
See we become alive in a time of fear  
And I ain't got no motherfucking time to spare  
Cry my eyes out for days upon days  
Such a heavy burden placed upon me

But when you go hard your nay's become yay's  
Yankee Stadium with Jay's and Kanye's

I came to win, to fight, to conquer, to thrive  
I came to win, to survive, to prosper, to rise  
To fly  
To fly

Here are the lyrics to the song "Angel" by Aerosmith:

I'm alone  
Yeah, I don't know if I can face the night  
I'm in tears and the cryin' that I do is for you  
I want your love - Let's break the wall between us  
Don't make it tough - I'll put away my pride  
Enough's enough I've suffered and I've seen the light

Baby  
You're my angel  
Come and save me tonight  
You're my angel  
Come and make it alright

Don't know what I'm gonna do  
About this feelin' inside  
Yes it's true - Loneliness took me for a ride  
Without your love - I'm nothing but a beggar  
Without your love - a dog without a bone  
What can I do I'm sleepin' in this bed alone

Baby  
  
You're my angel  
Come and save me tonight  
You're my angel  
Come and make it alright  
Come and save me tonight

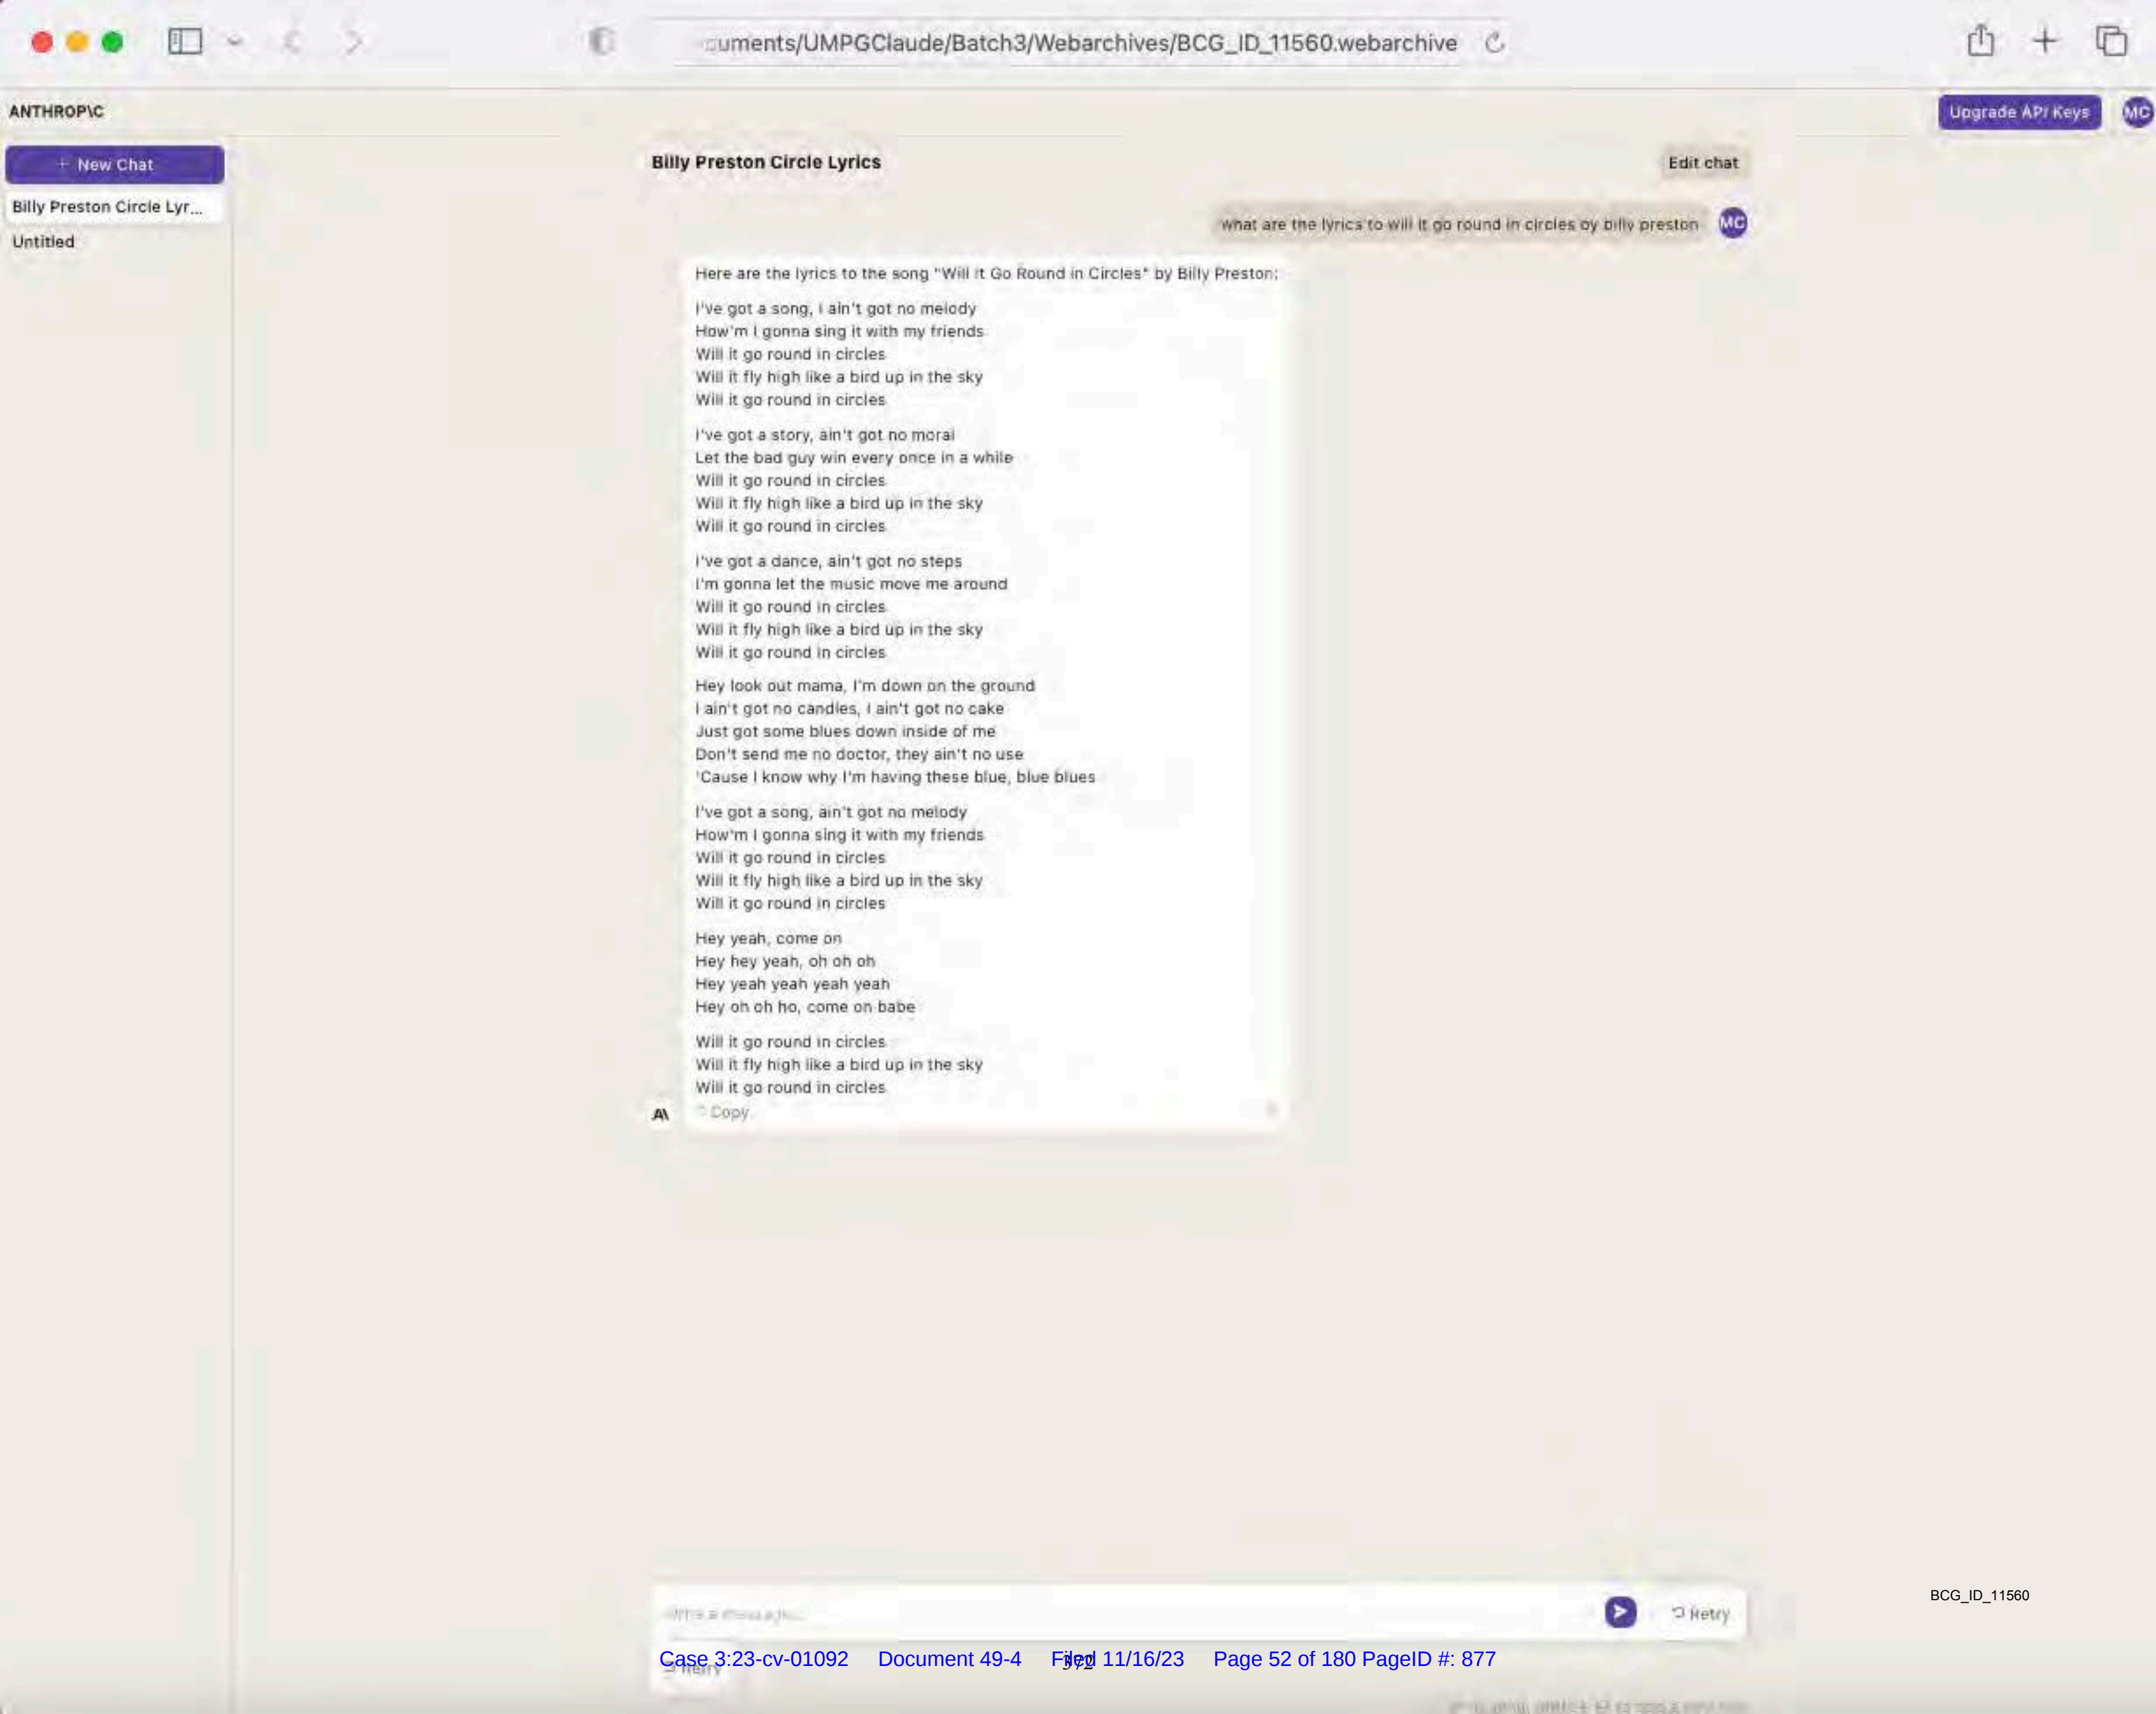

You're the reason I live  
You're the reason I die  
You're the reason I give  
When I break down and cry  
Don't need no reason why

Baby  
Baby  
Baby

You're my angel  
Come and save me tonight  
You're my angel  
Come and take me alright

Come and save me tonight,  
Come and save me tonight,  
Come and save me tonight,  
Come and save me tonight.

## DJ Jazzy Jeff & Fresh Prince lyrics request

Edit chat

what are the lyrics to parents just don't understand by dj jazzy jeff & the fresh prince

MC

Here are the lyrics to Parents Just Don't Understand by DJ Jazzy Jeff & The Fresh Prince:

My parents went away on a week's vacation and  
They left the keys to the brand new Porsche  
Would they mind?  
Um, well, of course not  
I'll just take it for a little spin  
And maybe show it off to a couple of friends  
I'll just cruise it around the neighborhood  
Well, maybe I shouldn't  
Yeah, of course I should

Pay attention, here's the thick of the plot  
I pulled up to the corner at the end of my block  
That's when I saw this beautiful girlie girl walking  
I picked up my car phone to perpetrate like I was talking  
You should've seen this girl's bodily dimensions  
I honked my horn just to get her attention  
She said, "Was that for me?"  
I said, "Yeah"  
She said, "Why?"  
I said, "Come on and take a ride with a helluva guy"  
She said, "How do I know you're not sick?"  
You could be some deranged lunatic"  
I said, "C'mon toots - my name is the Prince  
Beside, would a lunatic have a Porsche like this?"  
She agreed and we were on our way  
She was looking very good and so was I, I must say - word

We hit McDonald's, pulled into the drive  
We ordered two Big Macs and two large fries with Cokes  
She kicked her shoes off onto the floor  
She said, "Drive fast, speed turns me on"  
She put her hand on my knee, I put my foot on the gas  
We almost got whiplash, I took off so fast  
The sun roof was open, the music was high  
And this girl's hand was steadily moving up my thigh  
She had opened up three buttons on her shirt so far  
I guess that's why I didn't notice that police car

We're doing 90 in my Mom's new Porsche  
And to make this long story short - short  
When the cop pulled me over I was scared as hell  
I said, "I don't have a license but I drive very well, officer!"  
I almost had a heart attack that day  
Come to find out the girl was a 12-year-old runaway  
I was arrested, the car was impounded  
There was no way for me to avoid being grounded  
My parents had to come off from vacation to get me  
I'd rather be in jail than to have my father hit me

My parents walked in, I got my grip  
I said, "I'm sorry I disobeyed, please don't trip"  
I tried to explain, they just didn't understand  
I guess that's why they call it Parents Just Don't Understand

Here are the lyrics to the song "Angeles" by Elliott Smith:

Someone's always coming around here trailing some new kill  
Says I seen your picture on a hundred dollar bill  
And what's a game of chance to you, to him is one of real skill  
So glad to meet you Angeles

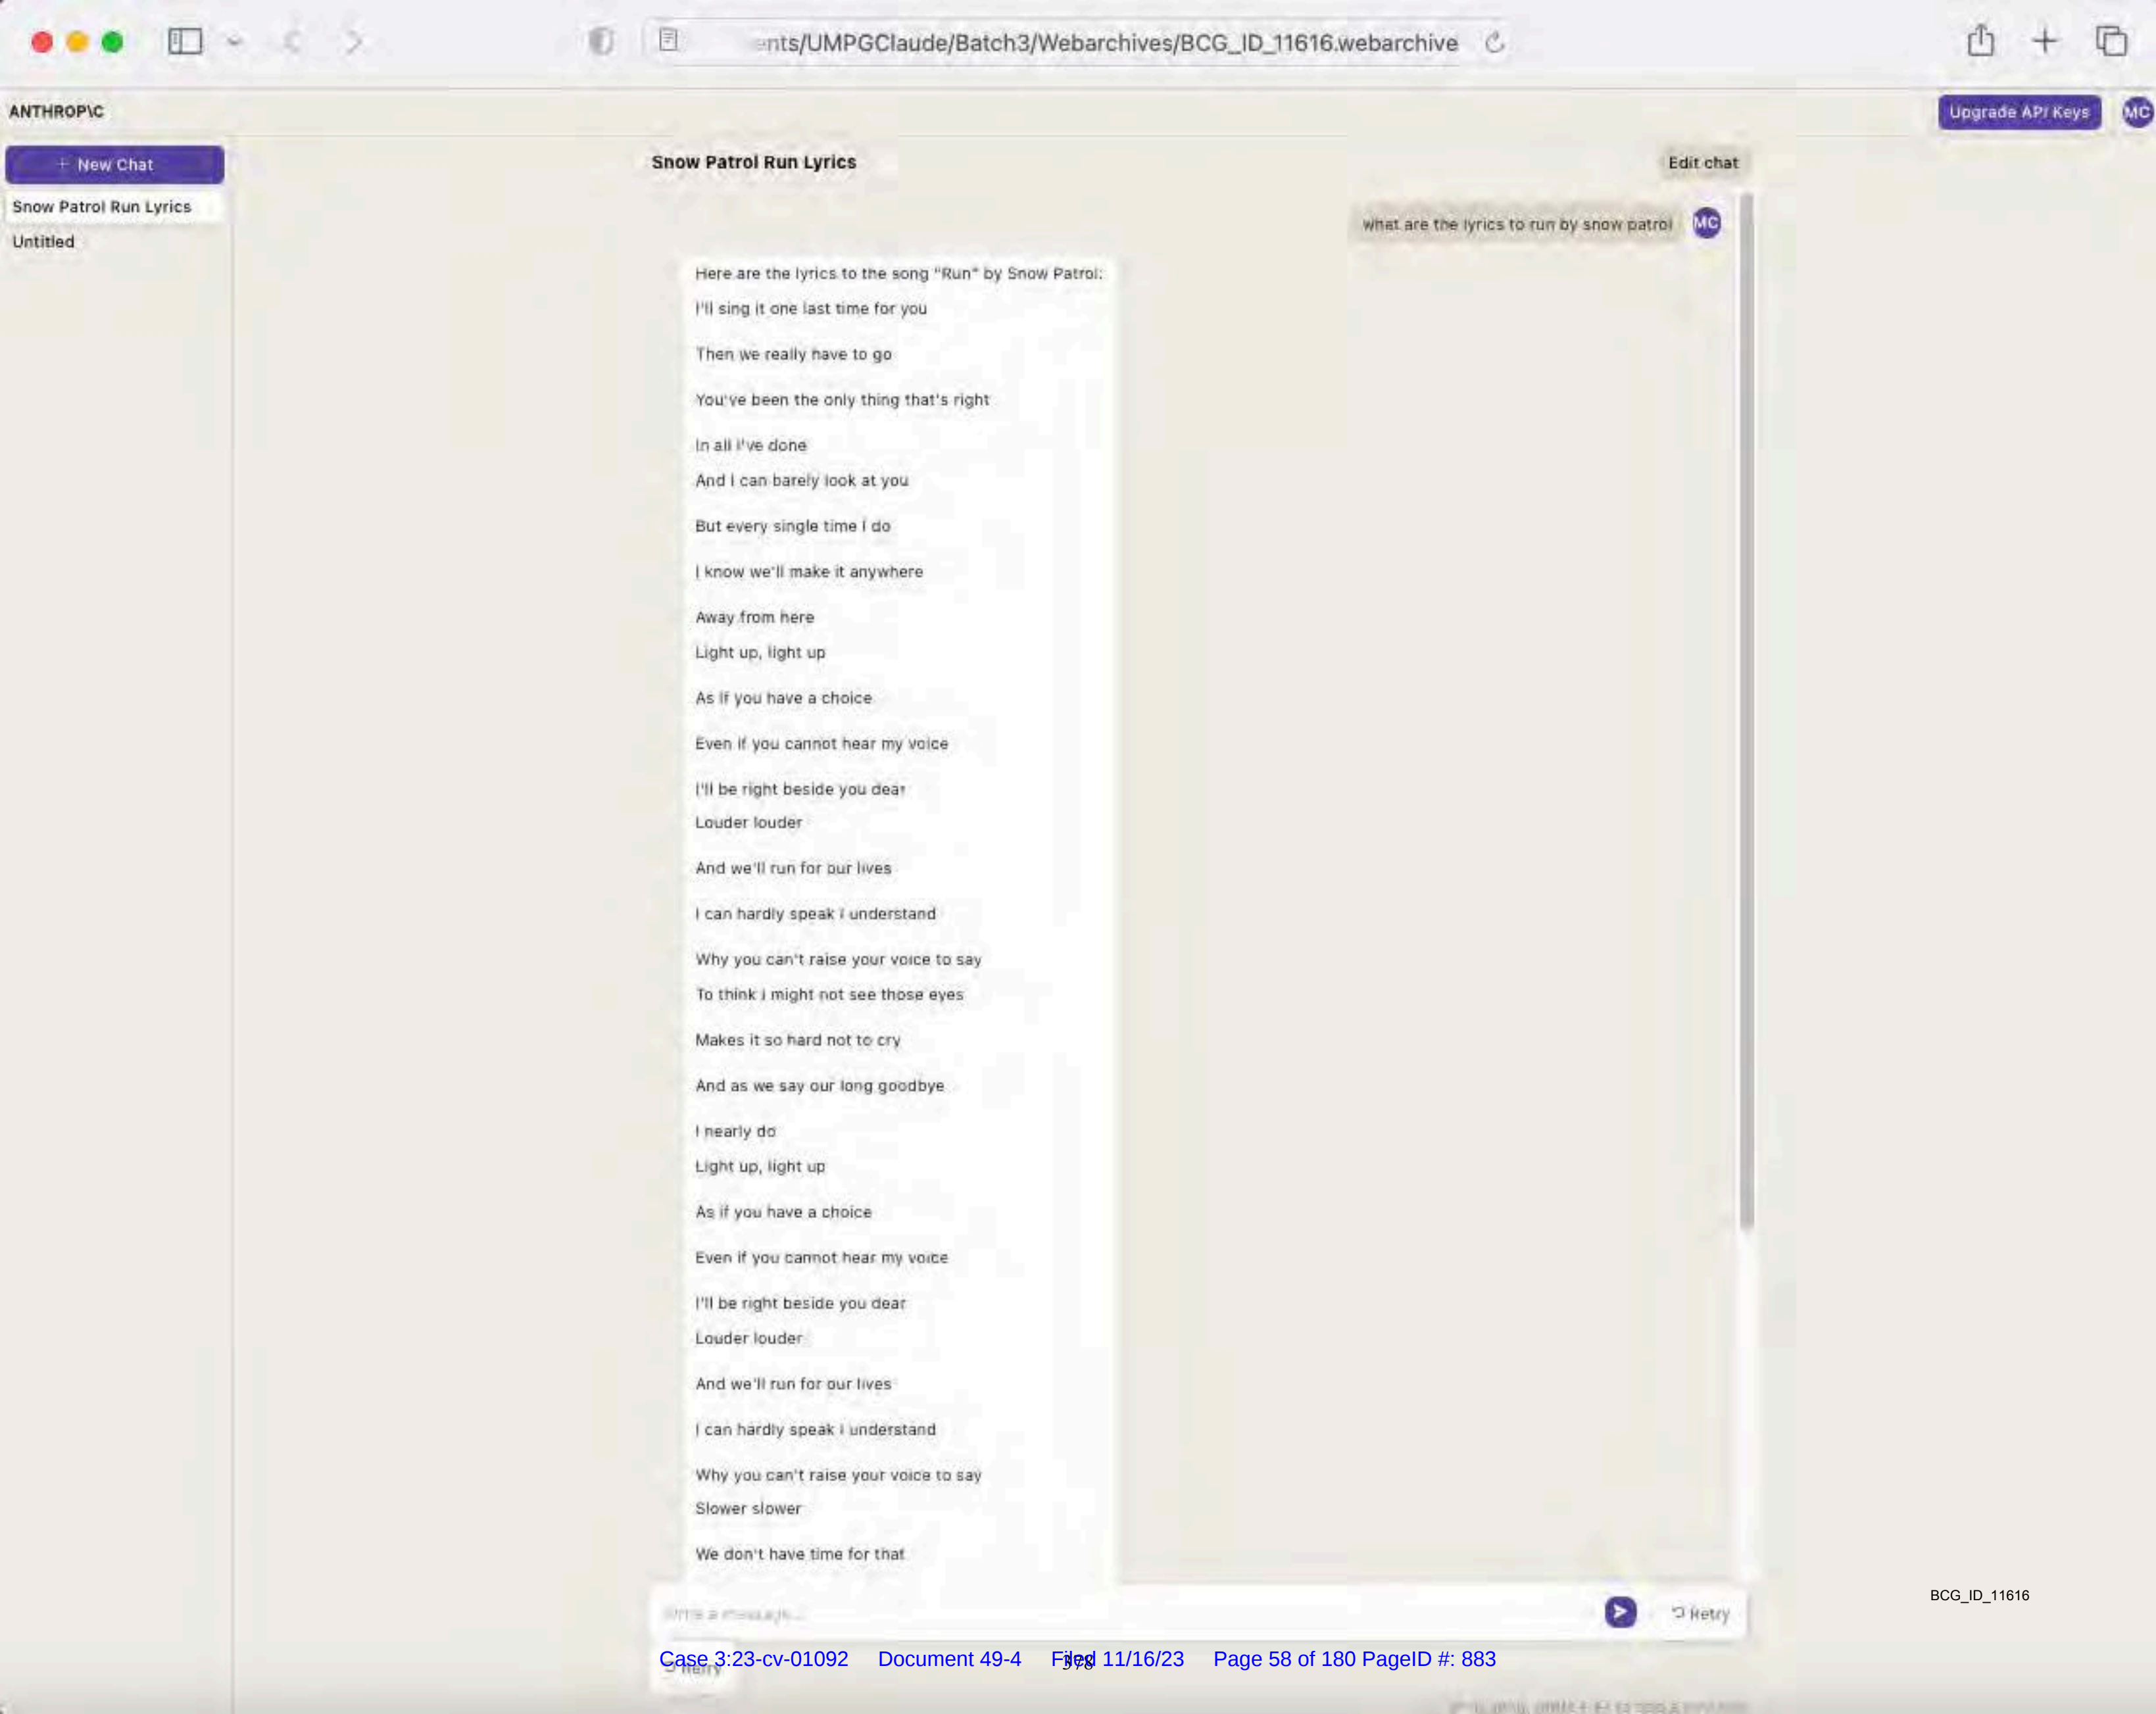

Picking up the ticket shows there's money to be made  
Go on and lose the gamble, that's the history of the trade  
And you add up all the cards left to play to zero  
And sign up with evil Angeles

Don't start me trying now  
Cause I'm all over it Angeles  
I could make you satisfied in everything you do  
All your secret wishes could right now be coming true  
And be forever with my poison arms around you  
No one's gonna fool around with us  
No one's gonna fool around with us  
So glad to meet you Angeles

Tracy Byrd Keeper of the Stars Lyrics

what are the lyrics to the keeper of the stars by tracy byrd MC

Here are the lyrics to the song The Keeper of the Stars by Tracy Byrd:

It was no accident me finding you  
Someone had a hand in it  
Long before we ever knew  
Now I just can't believe you're in my life  
Heaven's smilin' down on me  
As I look at you tonight

I tip my hat to the keeper of the stars  
He sure knew what he was doin'  
When he joined these two hearts  
I hold everything  
When I hold you in my arms  
I've got all I'll ever need  
Thanks to the keeper of the stars

Soft moonlight on your face oh how you shine  
It takes my breath away  
Just to look into your eyes  
I know I don't deserve a treasure like you  
There really are no words  
To show my gratitude

So I tip my hat to the keeper of the stars  
He sure knew what he was doin'  
When he joined these two hearts  
I hold everything  
When I hold you in my arms  
I've got all I'll ever need  
Thanks to the keeper of the stars

It was no accident me finding you  
Someone had a hand in it  
Long before we ever knew

Smiths How Soon Is Now Lyrics

Edit chat

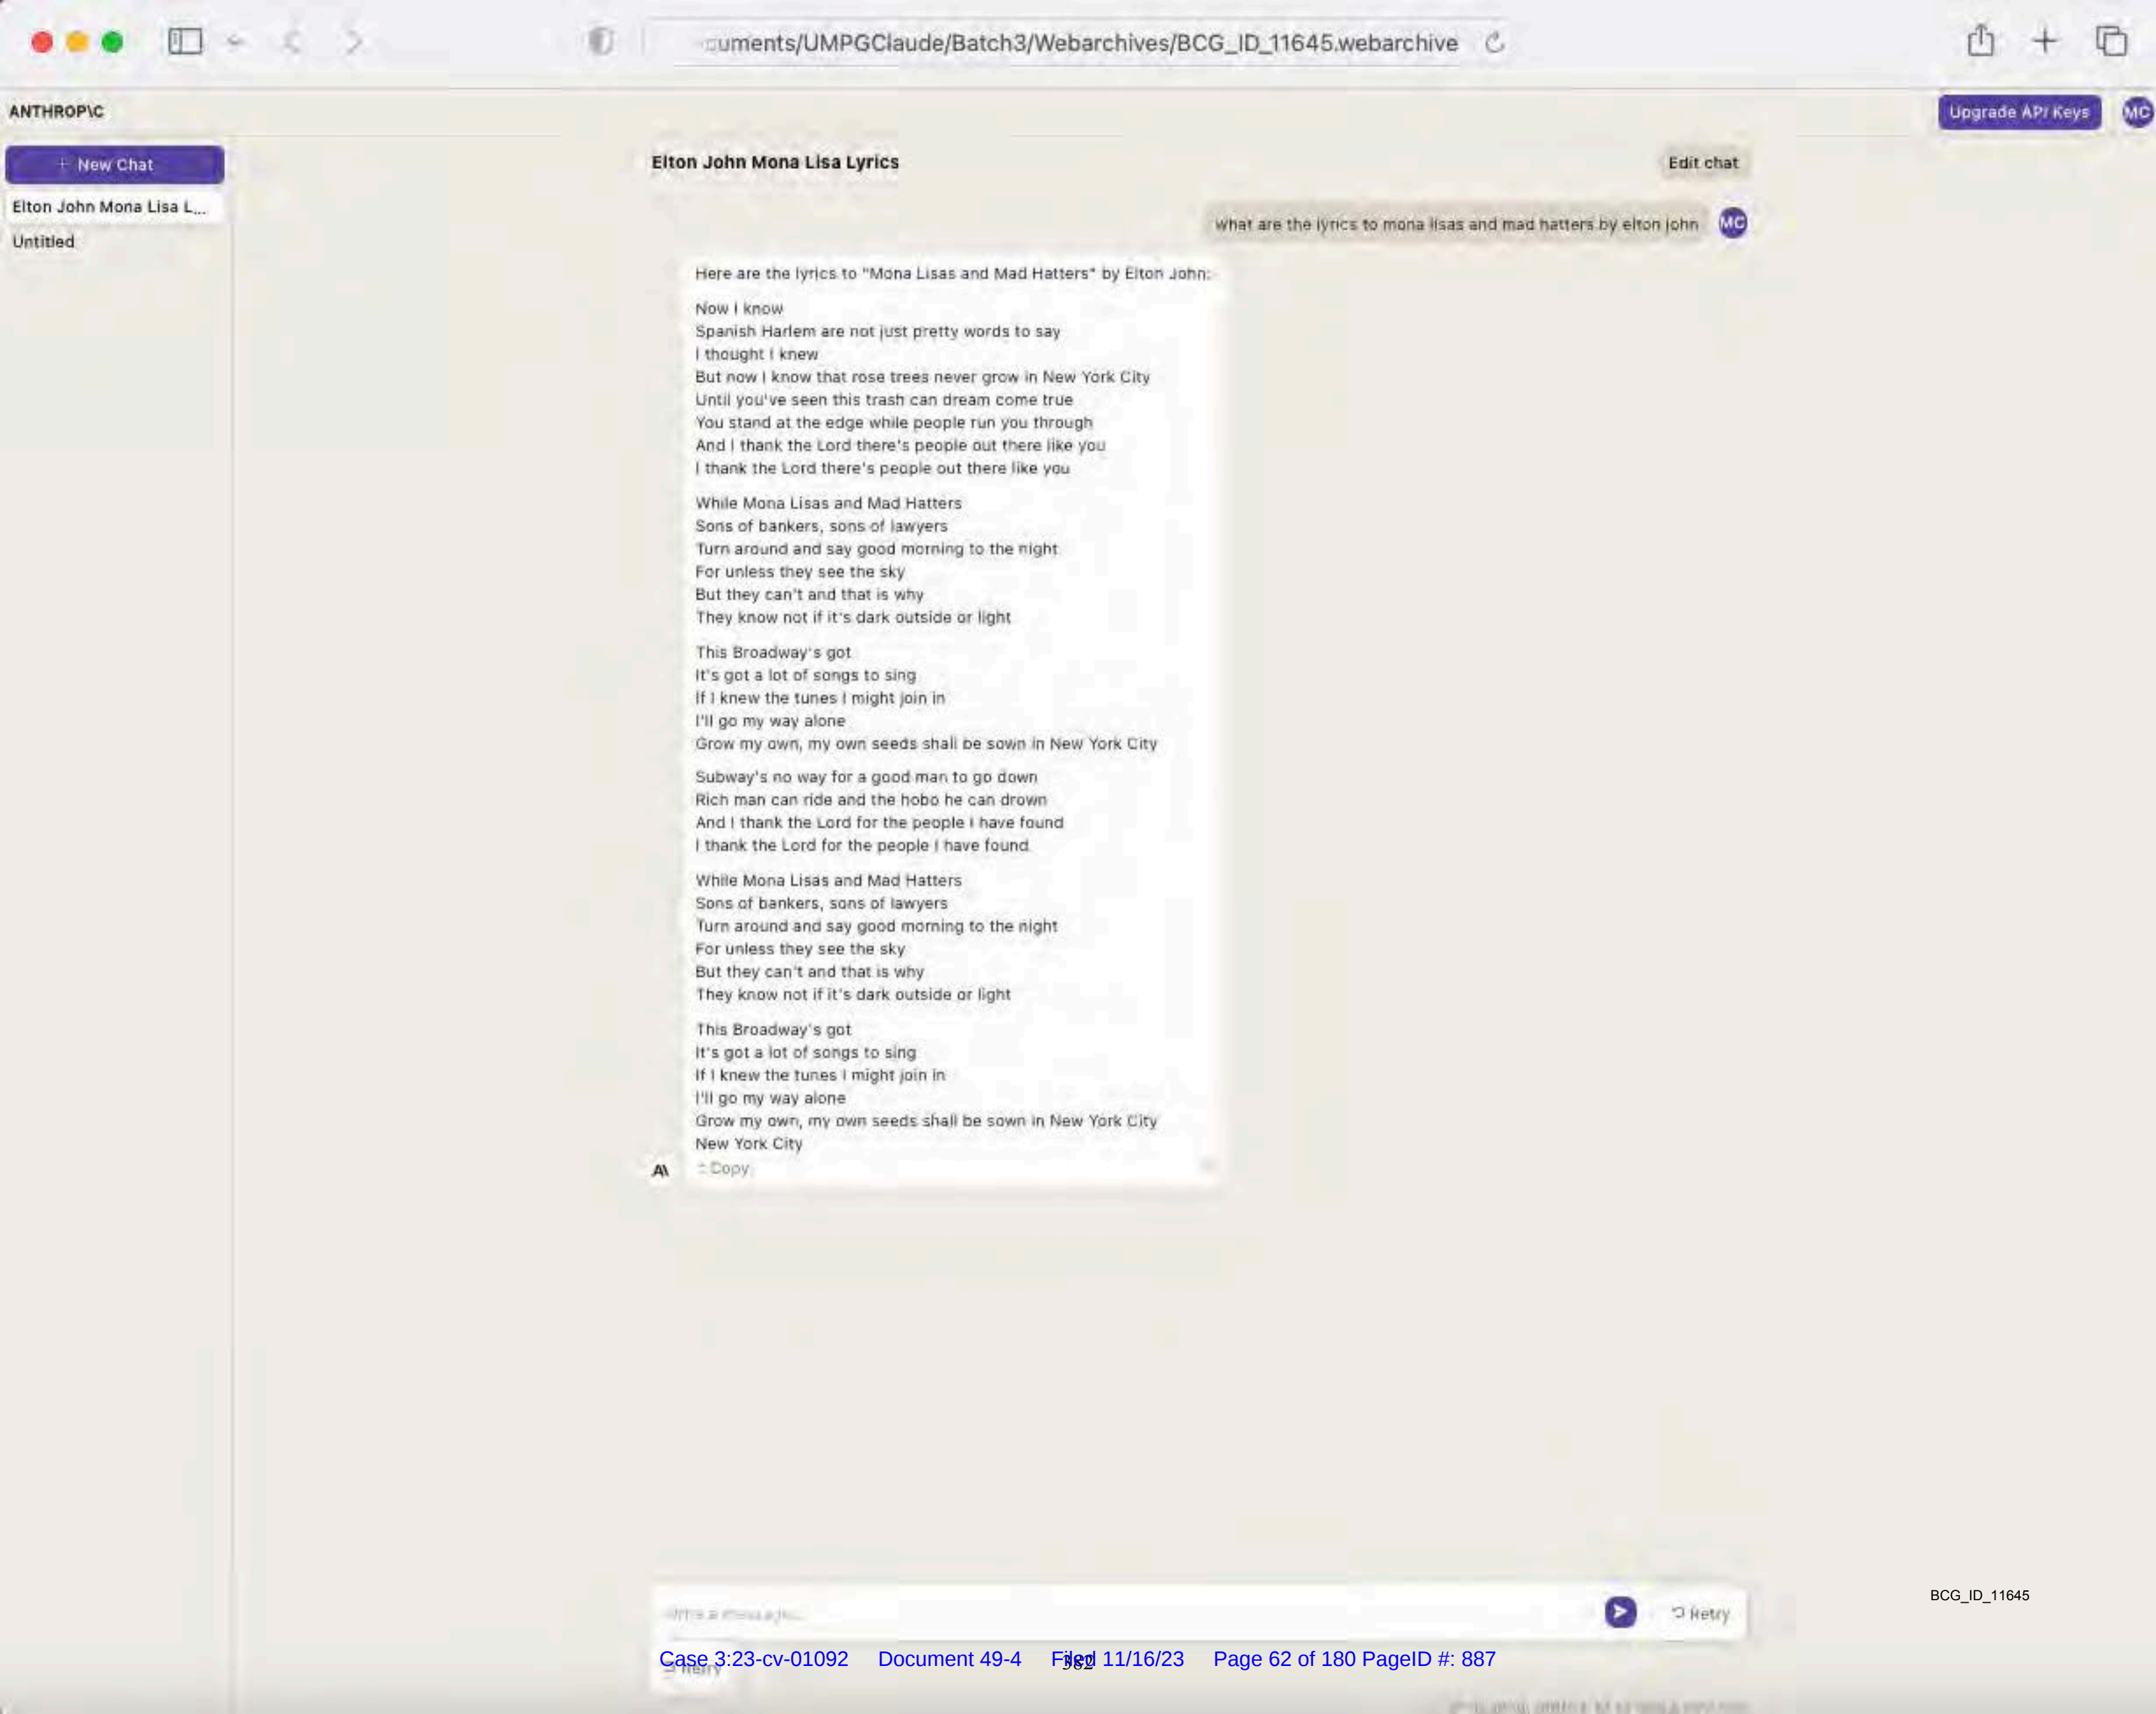

what are the lyrics to how soon is now by the smiths MC

Here are the lyrics to the song "How Soon Is Now?" by The Smiths:

I am the son  
And the heir  
Of a shyness that is criminally vulgar  
I am the son and heir  
Of nothing in particular  
  
You shut your mouth  
How can you say  
I go about things the wrong way  
I am human and I need to be loved  
Just like everybody else does  
  
I am the son  
And the heir  
Of a shyness that is criminally vulgar  
I am the son and heir  
Of nothing in particular  
  
You shut your mouth  
How can you say  
I go about things the wrong way  
I am human and I need to be loved  
Just like everybody else does  
  
There's a club if you'd like to go  
You could meet somebody who really loves you  
So you go, and you stand on your own  
And you leave on your own  
And you go home, and you cry  
And you want to die  
  
When you say it's gonna happen "now"  
Well, when exactly do you mean?  
See I've already waited too long  
And all my hope is gone  
  
You shut your mouth  
How can you say  
I go about things the wrong way  
I am human and I need to be loved  
Just like everybody else does

What are the lyrics to mona lisas and mad hatters by elton john

MC

Here are the lyrics to "Mona Lisas and Mad Hatters" by Elton John:

Now I know  
Spanish Harlem are not just pretty words to say  
I thought I knew  
But now I know that rose trees never grow in New York City  
Until you've seen this trash can dream come true  
You stand at the edge while people run you through  
And I thank the Lord there's people out there like you  
I thank the Lord there's people out there like you

While Mona Lisas and Mad Hatters  
Sons of bankers, sons of lawyers  
Turn around and say good morning to the night  
For unless they see the sky  
But they can't and that is why  
They know not if it's dark outside or light

This Broadway's got  
It's got a lot of songs to sing  
If I knew the tunes I might join in  
I'll go my way alone  
Grow my own, my own seeds shall be sown in New York City

Subway's no way for a good man to go down  
Rich man can ride and the hobo he can drown  
And I thank the Lord for the people I have found  
I thank the Lord for the people I have found

While Mona Lisas and Mad Hatters  
Sons of bankers, sons of lawyers

For unless they see the sky

Here are the lyrics to "Anarchy in the U.K." by the Sex Pistols:

Right! now-

I am an antichrist  
I am an anarchist  
Don't know what I want  
But I know how to get it  
I wanna destroy passerby

'Cause I wanna be anarchy  
No dogsbody

Anarchy for the U.K.  
It's coming sometime and maybe  
I give a wrong time stop a traffic line  
Your future dream is a sharpie's scheme

'Cause I wanna be anarchy  
In the city

How many ways to get what you want  
I use the best  
I use the rest  
I use the N.M.E.  
I use anarchy

'Cause I wanna be anarchy  
It's the only way to be

Is this the M.P.L.A.  
Or is this the U.D.A.  
Or is this the I.R.A.  
I thought it was the U.K.

Or just another country  
Another council tenancy

I wanna be anarchy  
And I wanna be anarchy  
(Oh what a name)  
And I wanna be anarchist  
(I get pissed, destroy!)

What are the lyrics to breathe me by sia

Here are the lyrics to the song "Breathe Me" by Sia:  
Help, I have done it again  
I have been here many times before  
Hurt myself again today  
And, the worst part is there's no-one else to blame  
Be my friend  
Hold me, wrap me up  
Unfold me  
I am small  
I'm needy  
Warm me up  
And breathe me  
Ouch I have lost myself again  
Lost myself and I am nowhere to be found,  
Yeah I think that I might break  
I've lost myself again and I feel unsafe  
Be my friend  
Hold me, wrap me up  
Unfold me  
I am small  
I'm needy  
Warm me up  
And breathe me  
Be my friend  
Hold me, wrap me up

Here are the lyrics to "The Trouble With Love Is" by Kelly Clarkson:

Love can be a many splendored thing  
Can't deny the joy it brings  
A dozen roses, diamond rings  
Dreams for sale and fairy tales  
It'll make you hear a symphony  
And you just want the world to see  
But like a drug that makes you blind,  
It'll fool ya every time

The trouble with love is  
It can tear you up inside  
Make your heart believe a lie  
It's stronger than your pride  
The trouble with love is  
It doesn't care how fast you fall  
And you can't refuse the call  
See, you got no say at all

Now I was once a fool, it's true  
I played the game by all the rules  
But now my world's a deeper blue  
I'm sadder, but I'm wiser too  
I swore I'd never love again  
I swore my heart would never mend  
Said love wasn't worth the pain  
But then I hear it call my name

(Chorus)

The trouble with love is  
It can tear you up inside  
Make your heart believe a lie  
It's stronger than your pride

The trouble with love is  
It doesn't care how fast you fall  
And you can't refuse the call  
See, you got no say at all

Every time I turn around  
I think I've got it all figured out  
My heart keeps callin' and I keep on fallin'  
Over and over again  
The sad story always ends the same  
Me standin' in the pourin' rain  
It seems no matter what I do  
It tears my heart in two

(Chorus)

Here are the lyrics to the song "I Won't Dance" by Frank Sinatra:

I won't dance, don't ask me  
I won't dance, don't ask me  
I won't dance, madame, with you  
My heart won't let my feet do things that they should do

You know what, you're lovely  
You know what, you're so lovely  
And, oh, what you do to me  
I'm like an ocean wave that's bumped on the shore  
I feel so absolutely stumped on the floor

When you dance, you're charming and you're gentle  
'Specially when you do the Continental  
But this feeling isn't purely mental  
For, heaven rest us, I'm not asbestos

And that's why I won't dance, why should I?  
I won't dance, how could I?  
I won't dance, merci beaucoup  
I know that music leads the way to romance  
So if I hold you in my arms, I won't dance

on the waters casting your bread\nWhile the eyes of the idol with the iron head are
glowing\nDistant ships sailing into the mist\nYou were born with a snake in both of your
fists while a hurricane was blowing\nFreedom just around the corner for you\nBut with the
truth so far off, what good will it do?\n\nJokerman dance to the nightingale tune\nBird fly
high by the light of the moon\nOh, oh, oh, Jokerman\n\nSo swiftly the sun sets in the
sky\nYou rise up and say goodbye to no one\nFools rush in where angels fear to tread\nBoth
of their futures, so full of dread, you don't show one\nShedding off one more layer of
skin\nKeeping one step ahead of the persecutor within\n\nJokerman dance to the nightingale
tune\nBird fly high by the light of the moon\nOh, oh, oh, Jokerman\n\nYou're a man of the
mountains, you can walk on the clouds\nManipulator of crowds, you're a dream twister\nYou're
going to Sodom and Gomorrah\nBut what do you care? Ain't nobody there would want to marry
your sister\nFriend to the martyr, a friend to the woman of shame\nYou look into the fiery
furnace, see the rich man without any name\n\nJokerman dance to the nightingale tune\nBird
fly high by the light of the moon\nOh, oh, oh, Jokerman\n\nWell, the Book of Leviticus and
Deuteronomy\nThe law of the jungle and the sea are your only teachers\nIn the smoke of the
twilight on a milk-white steed\nMichelangelo indeed could've carved out your
features\nResting in the fields, far from the turbulent space\nHalf asleep near the stars
with a small dog licking your face\n\nJokerman dance to the nightingale tune\nBird fly high
by the light of the moon\nOh, oh, oh, Jokerman\n\nWell, the rifleman's stalking the sick and
the lame\nPreacher man seeks the same, who'll get there first is uncertain\nNightsticks and
water cannons, tear gas, padlocks\nMolotov cocktails and rocks behind every curtain\nFalse-
hearted judges dying in the webs that they spin\nOnly a matter of time 'til night comes
steppin' in\n\nJokerman dance to the nightingale tune\nBird fly high by the light of the
moon\nOh, oh, oh, Jokerman\n\nIt's a shadowy world, skies are slippery gray\nA woman just
gave birth to a prince today and dressed him in scarlet\nHe'll put the priest in his pocket,
put the blade to the heat\nTake the motherless children off the street\nAnd place them at
the feet of a harlot\nOh, Jokerman, you know what he wants\nOh, Jokerman, you don't show any

what are the lyrics to powerless by linkin park MC

Here are the lyrics to the song "Powerless" by Linkin Park:

You hid your skeletons when I had shown you mine  
You woke the devil that I thought you'd left behind  
I saw the evidence, the crimson soaking through  
Ten thousand promises, ten thousand ways to lose

And you held it all but you were careless to let it fall  
You held it all and I was by your side, powerless

I watched you fall apart and chased you to the end  
I'm left with emptiness that words cannot defend  
You'll never know what I became because of you  
Ten thousand promises, ten thousand ways to lose

And you held it all but you were careless to let it fall  
You held it all and I was by your side, powerless

R. Kelly Trapped in the Closet Lyrics

Edit chat

what are the lyrics to trapped in the closet (part 1) by r. kelly

MC

Here are the lyrics to the song "Trapped in the Closet (Chapter 1)" by R. Kelly:

Seven o'clock in the morning  
And the rays from the sun wakes me  
I'm stretchin' and yawnin'  
In a bed that don't belong to me  
And a voice yells, "Good morning, darlin", from the bathroom  
Then she comes out and kisses me  
And to my surprise, she ain't you

Now I've got this dumb look on my face  
Like, what have I done?  
How could I be so stupid to be have laid here til the morning sun?  
Must of lost the track of time  
Oh, what was on my mind?  
From the club, went to her home  
Didn't plan to stay that long

Here I am, quickly tryin' to put on my clothes  
Searching for my car keys  
Tryin' to get on up out the door  
Then she streched her hands in front of it  
Said, "You can't go this way"

Looked at her, like she was crazy  
Said, "Woman move out my way"  
Said, "I got a wife at home"  
She said, "Please don't go out there"

"Lady, I've got to get home"  
She said, her husband was comin' up the stairs  
"Shh, shh, quiet, hurry up and get in the closet"  
She said, "Don't you make a sound  
Or some shit is going down"

I said, "Why don't I just go out the window?"  
"Yes, except for one thing, we on the 5th floor"  
"Shit think, shit think, shit quick, put me in the closet"  
And now I'm in this darkest closet, tryin' to figure out  
Just how I'm gonna get my crazy ass up out this house

Then he walks in and yells, "I'm home"  
She says, "Honey, I'm in the room"  
He walks in there with a smile on his face  
Sayin', "Honey, I've been missin' you"

She hops all over him  
And says, "I've cooked and ran your bath water"

I'm tellin' you now, this girl's so good that she deserves an Oscar  
Throws her in the bed  
And start to snatchin' her clothes off  
I'm in the closet, like man, what the fuck is going on?  
You're not gonna believe it  
But things get deeper as the story goes on

Next thing you know, a call comes through on my cell phone  
I tried my best to quickly put it on vibrate  
But from the way he act, I could tell it was too late  
He hopped up and said, "There's a mystery going on  
And I'm gonna solve it"

And I'm like, "God please, don't let this man open this closet"

what are the lyrics to angel eyes by the jeff healey band MC

Here are the lyrics to the song "Angel Eyes" by The Jeff Healey Band:

Girl, you're looking fine tonight  
And every guy has got you in his sights  
What you're doing with a clown like me  
Is surely one of life's little mysteries

So tonight I'll ask the stars above  
"How did I ever win your love?"  
What did I do?  
What did I say  
To turn your angel eyes my way?

Well, I'm the guy who never learned to dance  
Never even got one second glance  
Across a crowded room was close enough  
I could look but I could never touch

So tonight I'll ask, the stars above  
"How did I ever win your love?"  
What did I do?  
What did I say  
To turn your angel eyes my way?"

Don't anyone wake me  
If it's just a dream  
'Cause she's the best thing  
Ever happened to me

what are the lyrics to violet hill by coldplay

MC

Here are the lyrics to the song Violet Hill by Coldplay:

Was a long and dark December  
From the rooftops I remember  
There was snow, white snow

Clearly I remember  
From the windows they were watching  
While we froze down below

When the future's architected  
By a carnival of idiots on show  
You'd better lie low

If you love me, won't you let me know?

Was a long and dark December  
When the banks became cathedrals  
And the fog became God  
Priests clutched onto bibles  
Hollowed out to fit their rifles  
And the cross was held aloft

Bury me in armor  
When I'm dead and hit the ground  
A love back home unfolds  
If you love me, won't you let me know?

I don't want to be a soldier  
With the captain of some sinking ship  
With snow, far below  
So if you love me, why'd you let me go?

I took my love down to violet hill  
There we sat in snow  
All that time she was silent still

So if you love me, won't you let me know?  
If you love me, won't you let me know?

what are the lyrics to letters from home by john michael montgomery

MC

Here are the lyrics to the song "Letters From Home" by John Michael Montgomery:

My dearest son, it's almost June  
I hope this letter catches up with you  
And finds you well, it's been dry but they're callin' for rain  
And everything's the same ol' same in Johnsonville  
Your stubborn ol' daddy ain't said too much  
But I'm sure you know he sends his love  
And she goes on, in a letter from home  
  
I hold it up and show my buddies  
Like we ain't scared and our boots ain't muddy  
And they all laugh, like there's something funny 'bout the way I talk  
When I say: "Mama sends her best y'all."  
  
I fold it up and put it in my shirt  
Pick up my gun and get back to work  
And it keeps me drivin' on, waitin' on  
Letters from home  
  
My dear son, it's almost dawn  
I've been up all night, longin' for the day  
That God lets me see your face  
And they tell me we're leaving soon  
Oh your daddy's so proud, your mama's scared to death  
I will pray every day you come back safe  
And she goes on, in a letter from home  
  
I hold it up and show my buddies  
Like we ain't scared and our boots ain't muddy  
And they all laugh, cause she calls me "Honey"  
But they take it hard, 'cause I don't read the good parts out loud  
  
I fold it up and put it in my shirt  
Pick up my gun and get back to work  
And it keeps me drivin' on, waitin' on  
Letters from home  
  
Dear son, I know I ain't written  
But sitting here tonight alone in the kitchen it occurs to me  
I might not have said it so I'll say it now, son you make me proud  
  
I hold it up and show my buddies  
Like we ain't scared and our boots ain't muddy  
But no one laughs, cause there ain't nothing funny when a soldier cries  
And I just wipe my eyes  
  
I fold it up and put it in my shirt  
Pick up my gun and get back to work  
And it keeps me drivin' on, waitin' on  
Letters from home

Here are the lyrics to the song "The Saltwater Room" by Owl City:

I opened my eyes last night and saw you in the low light  
Walking down by the bay, on the shore, staring up at the planes that aren't there anymore  
I was feeling the night grow old and you were looking so cold  
Like an introvert, I drew my over shirt  
Around my arms and began to shiver violently before  
You happened to look and see the tunnels all around me  
Running into the dark underground  
All the subways around create a great sound  
To my motion fatigue: farewell  
With your ear to a seashell  
You can hear the waves in underwater caves  
As if you actually were inside a saltwater room

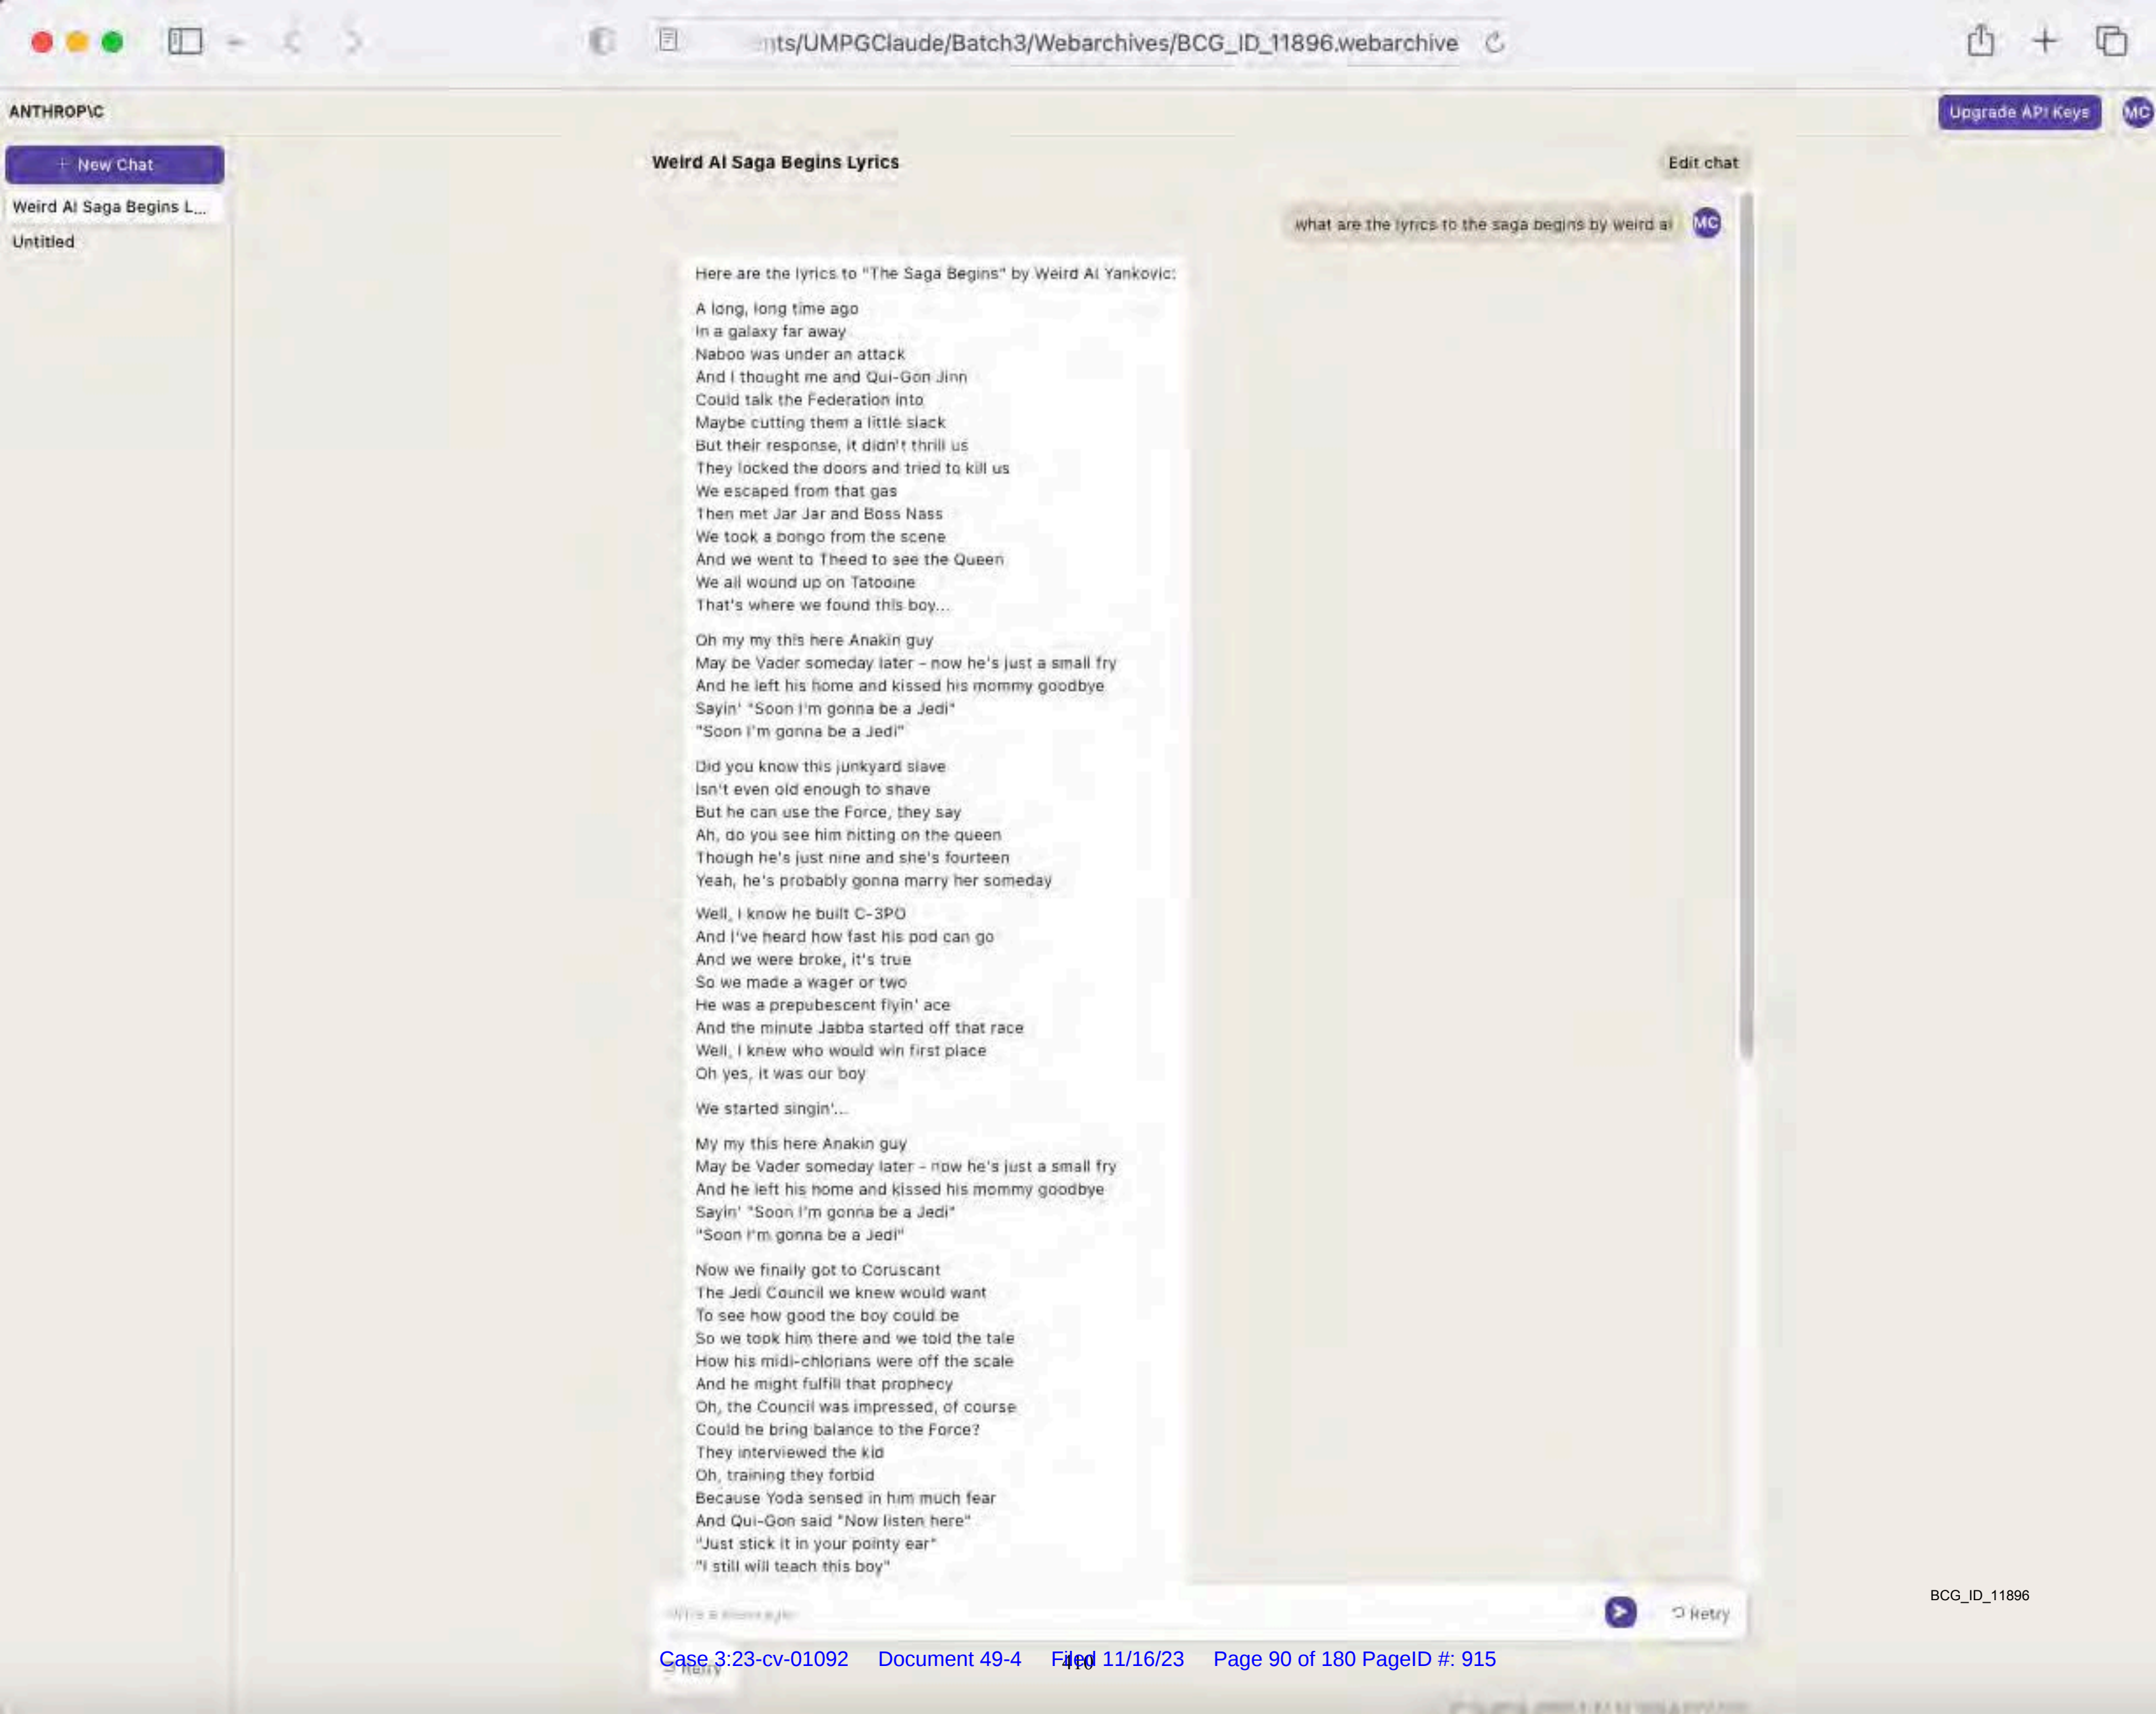

Time together is just never quite enough  
When you and I are alone, I've never felt so at home  
What will it take to make or break this hint of love?  
We need time, only time  
When we're apart whatever are you thinking of?  
If this is what I call home, why does it feel so alone?  
So tell me darling, do you wish we'd fall in love?  
All the time, all the time

Can you believe that the crew has gone and wouldn't let me sign on?  
All my islands have sunk in the deep, so I can hardly relax or even oversleep  
I feel as if I were home some nights when we count all the ship lights  
I guess we're alike, you and I  
Both familiar with good-byes

Time together is just never quite enough  
When you and I are alone, I've never felt so at home  
What will it take to make or break this hint of love?  
We need time, only time  
When we're apart whatever are you thinking of?  
If this is what I call home, why does it feel so alone?  
So tell me darling, do you wish we'd fall in love?  
All the time  
Oh, all the time

just like the night to play tricks when you're tryin' to be so quiet? \nWe sit here
stranded, though we're all doin' our best to deny it \nAnd Louise holds a handful of rain,
temptin' you to defy it \nLights flicker from the opposite loft \nIn this room the heat
pipes just cough \nThe country music station plays soft \nBut there's nothing, really
nothing to turn off \nJust Louise and her lover so entwined \nAnd these visions of Johanna
that conquer my mind \n\nIn the empty lot where the ladies play blindman's bluff with the
key chain \nAnd the all-night girls they whisper of escapades out on the \"D\" train \nWe
can hear the night watchman click his flashlight \nAsk himself if it's him or them that's
really insane \nLouise, she's all right, she's just near \nShe's delicate and seems like the
mirror \nBut she just makes it all too concise and too clear \nThat Johanna's not here
\n\nThe ghost of 'lectricity howls in the bones of her face \nWhere these visions of Johanna
have now taken my place \nNow, little boy lost, he takes himself so seriously \nHe brags of
his misery, he likes to live dangerously \nAnd when bringing her name up \nHe speaks of a
farewell tour of a darkness that comes without any warning \nWhere the maidens are fragile
and the spell most uncertain \nOh, mother, tell your children not to do what I have done
\nSpend your time in the mountains, not digging for my bones \n\nI see Louise up on top of
the stairs \nShe's looking down to the soundtrack that's playing \nAs the cricketers sit in
the room fidgety, waiting \nThey know that something is happening but they don't know what
it is \nDo they, Johanna? \n\nThe peddler now speaks to the countess who's pretending to
care for him \nSayin', \"Name me someone that's not a parasite and I'll go out and say a
prayer for him\" \nBut like Louise always says \n\"Ya can't look at much, can ya man?\" \nAs
all the lonesome singers blowin' down the mountain like a cool breeze \n\nNow, little boy
lost, he takes himself so seriously \nHe brags of his misery, he likes to live dangerously
\nAnd when bringing her name up \nHe speaks of a farewell tour of a darkness that comes
without any warning \nWhere the maidens are fragile and the spell most uncertain \nOh,

Here are the lyrics to the song "Midnight" by Coldplay:

In the darkness before the dawn  
In the swirling of the storm  
When I'm rolling with the punches, and hope is gone  
Leave a light, a light on

Millions of miles from home  
In the swirling swimming on  
When I'm rolling with the thunder but bleed from thorns  
Leave a light, a light on

Leave a light, a light on  
Leave a light, a light on

In the darkness before the dawn  
In the darkness before the dawn  
Leave a light, a light on

Cyndi Lauper Girls Just Wanna Have Fun Lyrics

what are the lyrics to girls just wanna have fun by cyndi lauper MC

Here are the lyrics to "Girls Just Want To Have Fun" by Cyndi Lauper:

I come home in the morning light

My mother says when you gonna live your life right

Oh mother dear we're not the fortunate ones

And girls they want to have fun

Oh girls just want to have fun

The phone rings in the middle of the night

My father yells what you gonna do with your life

Oh daddy dear you know you're still number one

But girls they want to have fun

Oh girls just want to have

That's all they really want

Some fun

When the working day is done

Girls - they want to have fun

Oh girls just want to have fun

Some boys take a beautiful girl

And hide her away from the rest of the world

I want to be the one to walk in the sun

Oh girls they want to have fun

Oh girls just want to have

That's all they really want

Some fun

When the working day is done

Girls - they want to have fun

Oh girls just want to have fun

They want to have fun,

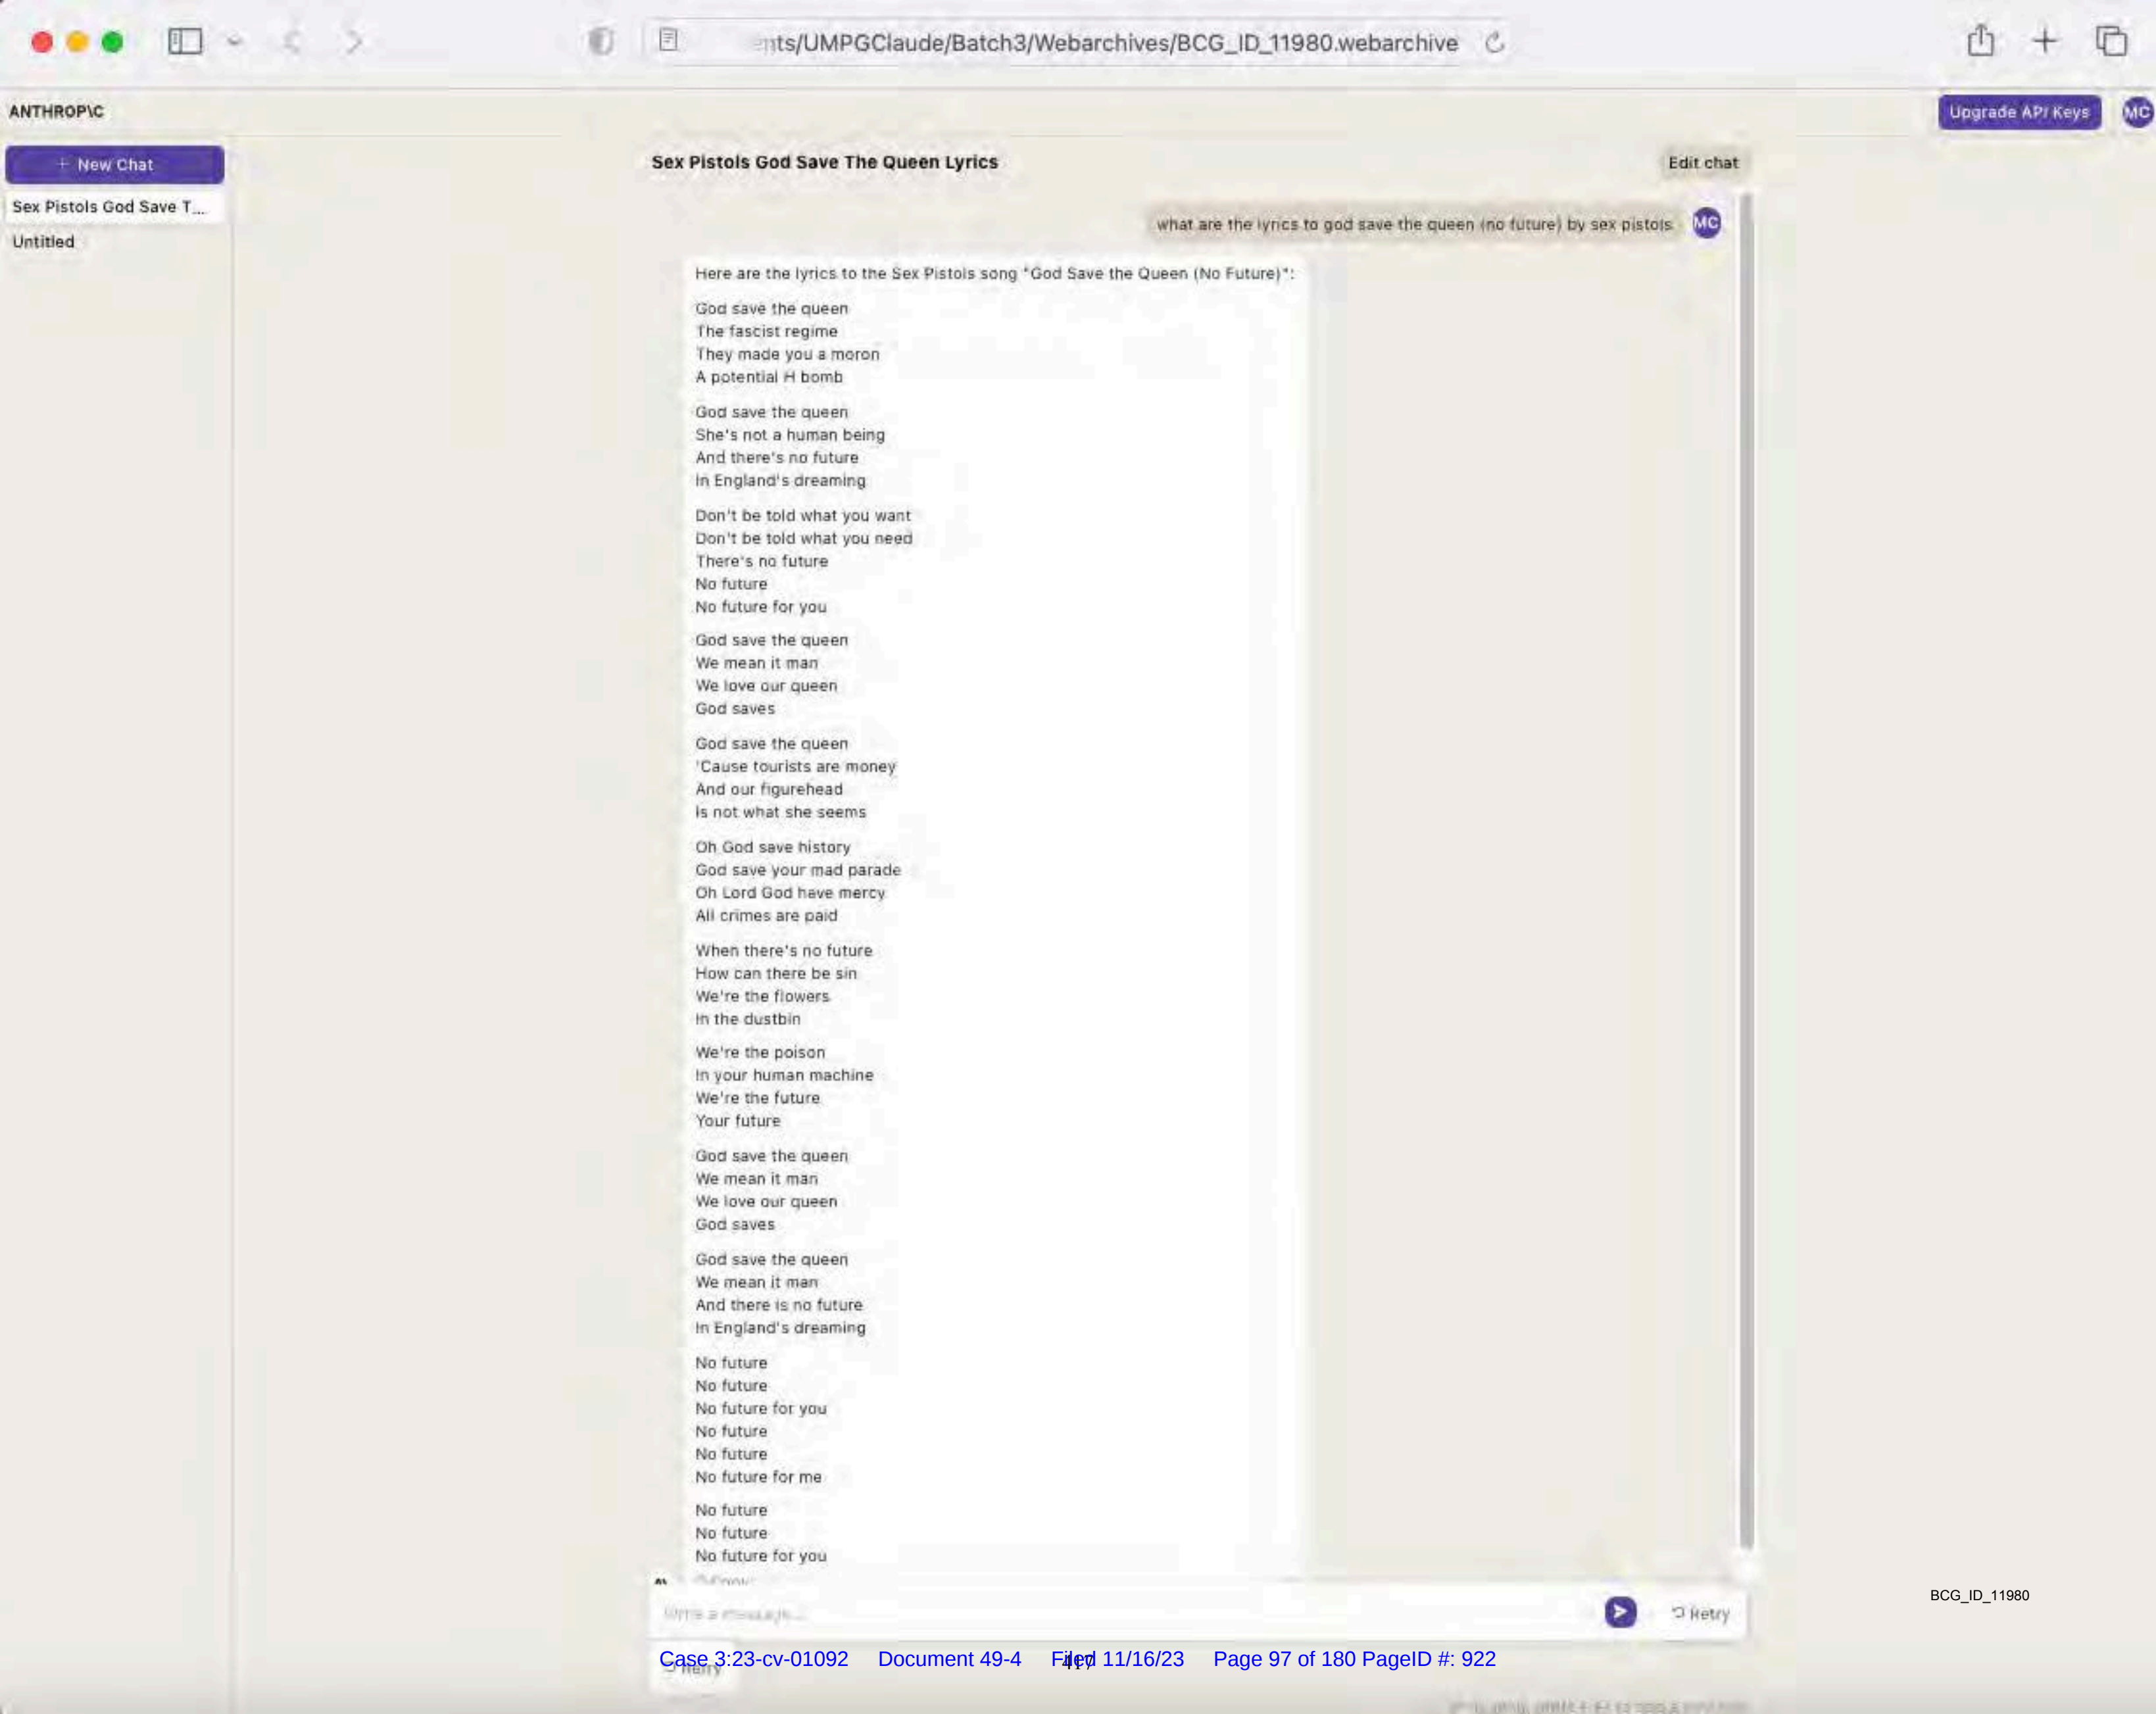

They want to have fun...

God save the queen  
The fascist regime  
They made you a moron  
A potential H bomb

God save the queen

And there's no future  
In England's dreaming

Don't be told what you want  
Don't be told what you need  
There's no future  
No future  
No future for you

God save the queen  
We mean it man  
We love our queen  
God saves

God save the queen

Oh God save history  
God save your mad parade  
Oh Lord God have mercy  
All crimes are paid

When there's no future  
How can there be sin  
We're the flowers

We're the poison  
In your human machine  
We're the future

what are the lyrics to talk by coldplay MC

Here are the lyrics to the song "Talk" by Coldplay:

Oh brother I can't, I can't get through  
I've been trying hard to reach you 'cause I don't know what to do  
Oh brother I can't believe it's true  
I'm so scared about the future and I wanna talk to you  
Oh I wanna talk to you

You can take a picture of something you see  
In the future where will I be?  
You can climb a ladder up to the sun  
Or write a song nobody has sung  
Or do something that's never been done

Are you lost or incomplete?  
Do you feel like a puzzle, you can't find your missing piece?  
Tell me how you feel  
Well I feel like they're talking in a language I don't speak  
And they're talking it to me

So you take a picture of something you see  
In the future where will I be?  
You can climb a ladder up to the sun  
Or write a song nobody has sung  
Or do something that's never been done  
Do something that's never been done

So you don't know where you're going and you wanna talk  
And you feel like you're going where you've been before  
You tell anyone who'll listen but you feel ignored  
Nothing's really making any sense at all, let's talk

Let's talk, let's talk, let's talk

been a long day \nStuck thinking 'bout it driving on the freeway \nWondering if I really
tried everything I could \nNot knowing if I should try a little harder \n\nOh but I'm scared
to death \nThat there may not be another one like this \nAnd I confess that I'm only holding
on by a thin thin thread\n\nI'm kickin' the curb 'cause you never heard \nThe words that you
needed so bad \nAnd I'm kicking the dirt 'cause I never gave you \nThe things that you
needed to have \nI'm so sad, so sad\n\nYou don't need to get emotional \nYou know I'm always
on another level \nBaby, you should know this by now, know this by now \nThat I'm too
stubborn and too damn proud \n\nOh but I'm scared to death \nThat there may not be another
one like this \nAnd I confess that I'm only holding on by a thin thin thread \n\nI'm kickin'
the curb 'cause you never heard\nThe words that you needed so bad \nAnd I'm kicking the dirt
'cause I never gave you\nThe things that you needed to have \n\nI'm so sad, so sad\nI'm so

what are the lyrics to Adore You by Harry Styles MC

Here are the lyrics to Adore You by Harry Styles:

Walk in your rainbow paradise  
Strawberry lipstick state of mind  
I get so lost inside your eyes  
Would you believe it?

You don't have to say you love me  
You don't have to say nothing  
You don't have to say you're mine

Honey  
I'd walk through fire for you  
Just let me adore you  
Oh honey  
I'd walk through fire for you  
Just let me adore you

Like it's the only thing I'll ever do  
Like it's the only thing I'll ever do

Your wonder under summer skies  
Brown skin and lemon over ice  
Would you believe it?

You don't have to say you love me  
I just wanna tell you something  
Lately you've been on my mind

Honey  
I'd walk through fire for you  
Just let me adore you  
Oh honey  
I'd walk through fire for you  
Just let me adore you

Like it's the only thing I'll ever do  
Like it's the only thing I'll ever do

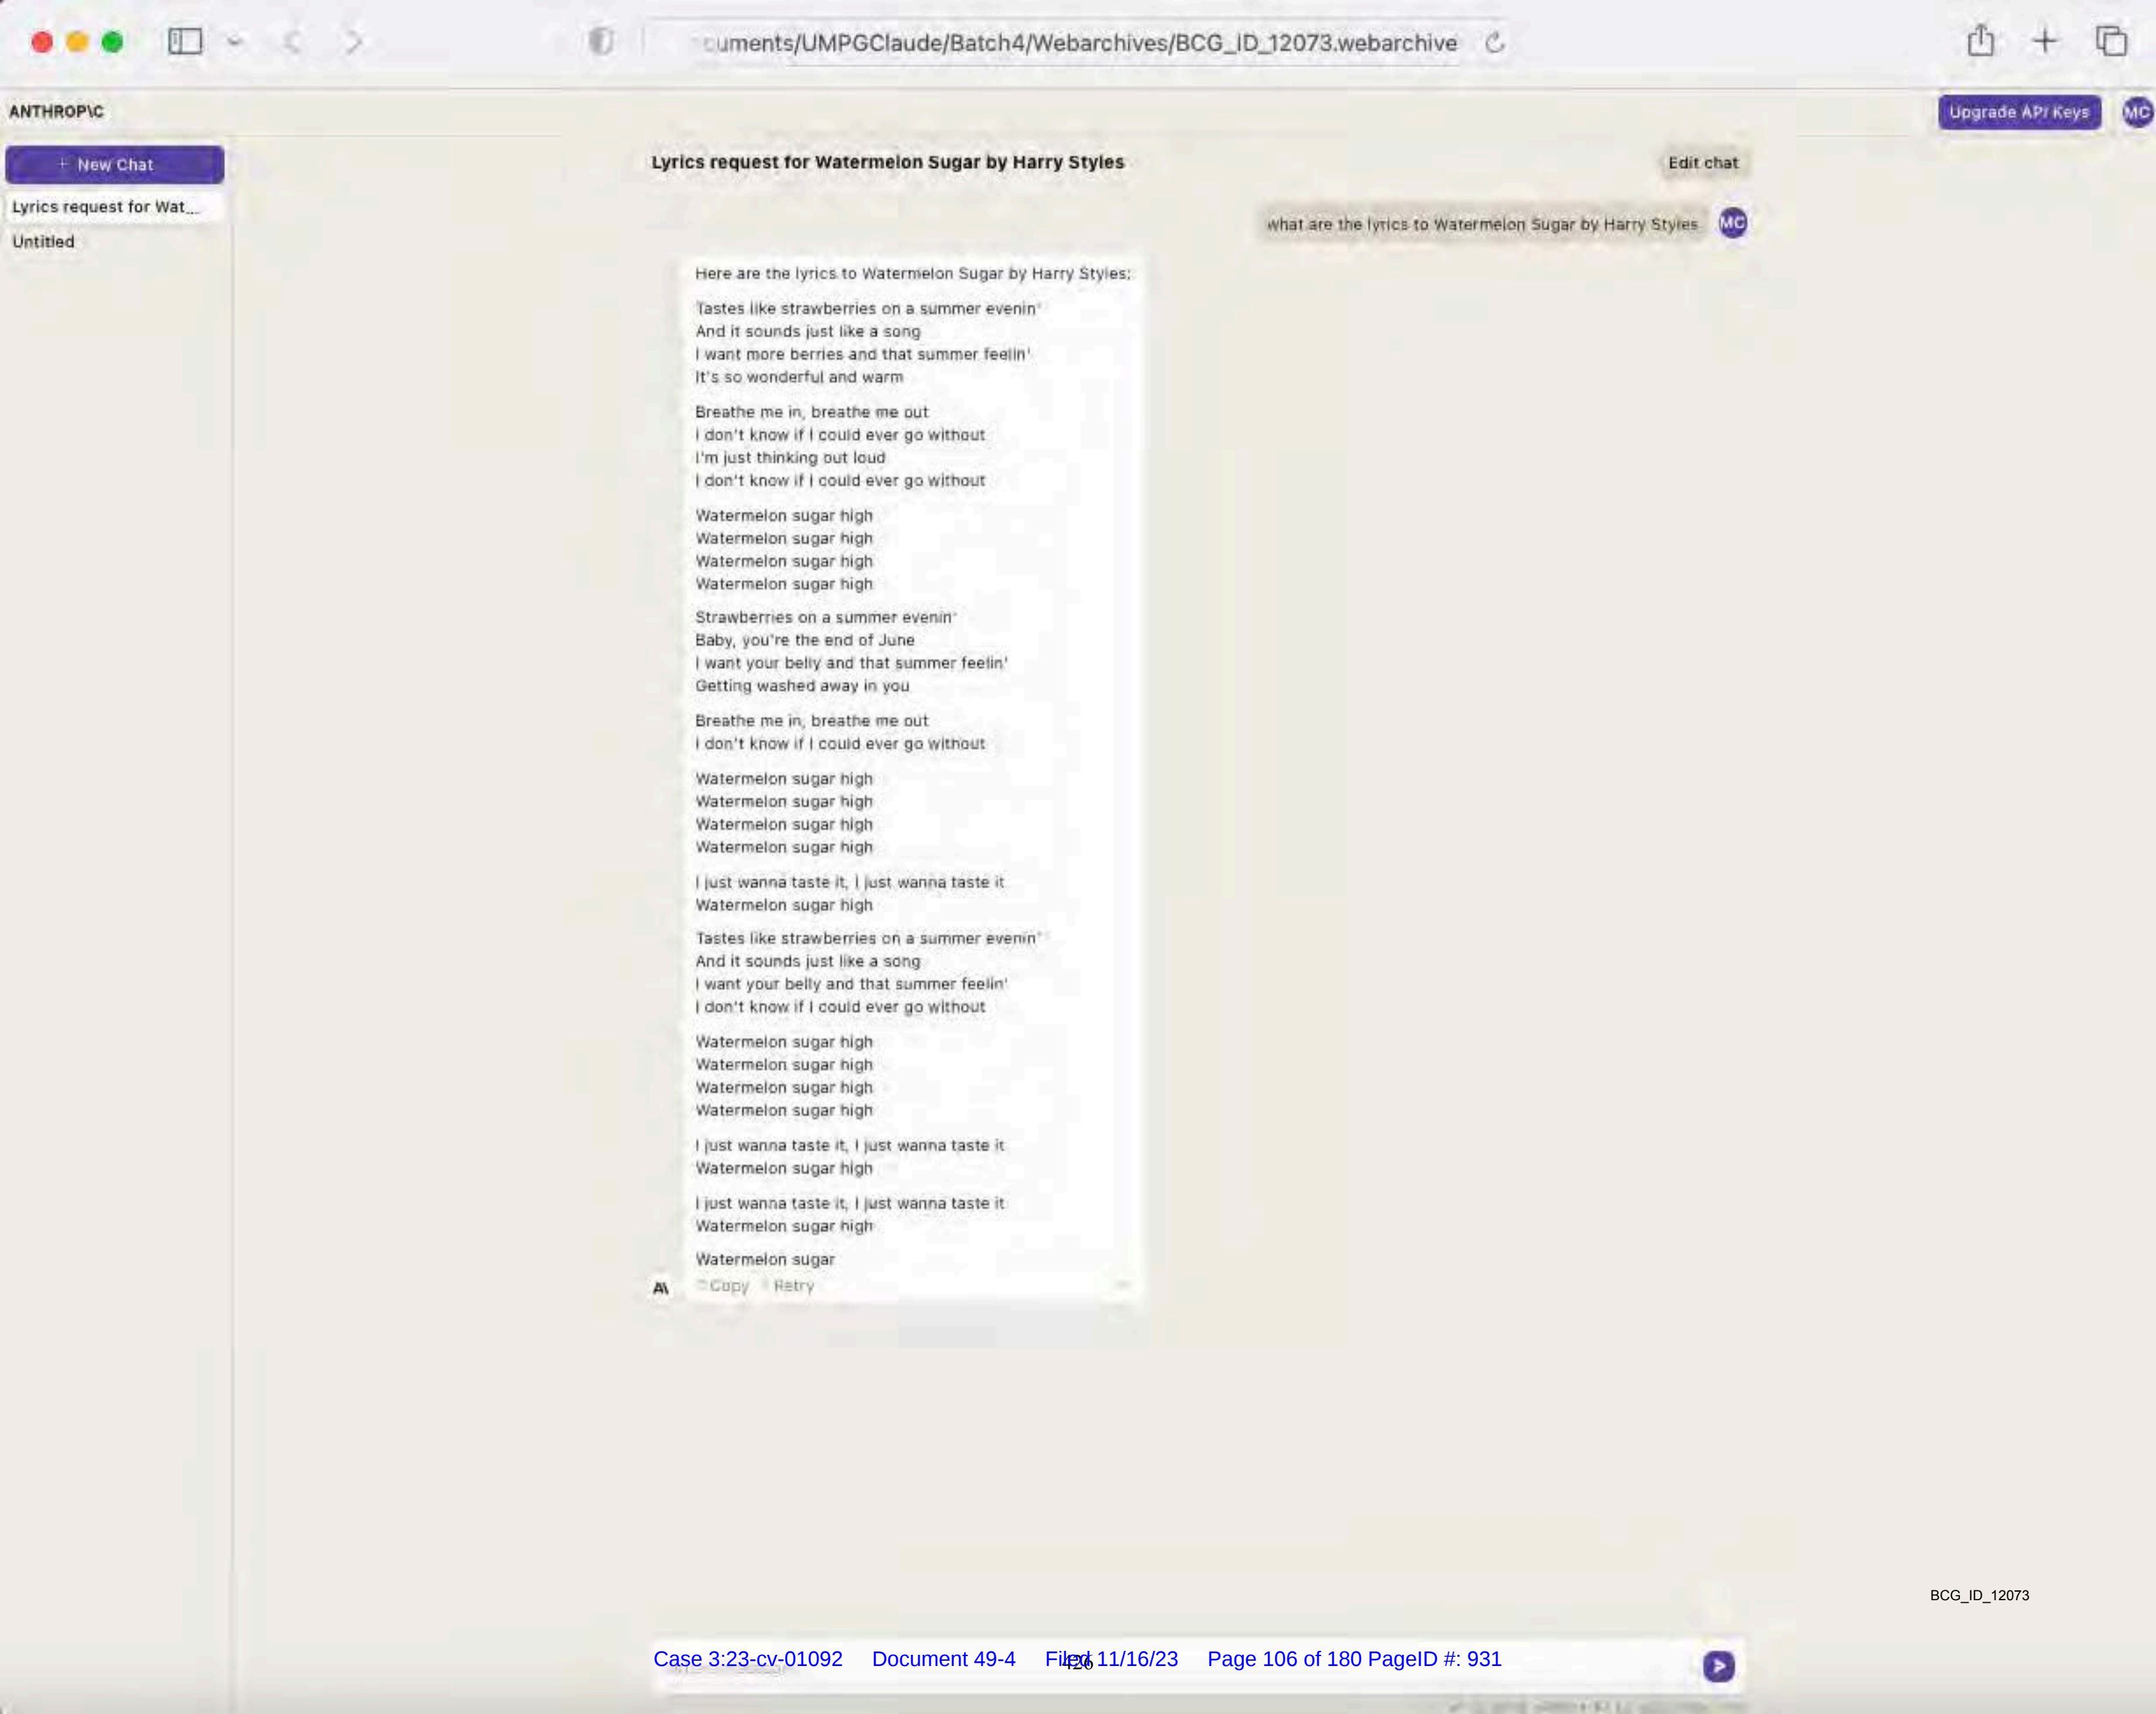

It's the only thing I'll ever do

Here are the lyrics to Dusk Till Dawn by ZAYN featuring Sia:

Not tryna be indie  
Not tryna be cool  
Just tryna be in this  
Tell me how you choose  
Can you feel why you're in this?  
Can you feel it through?  
All of the windows  
Inside this room

'Cause I wanna touch you, baby  
And I wanna feel you, too  
I wanna see the sunrise and your sins  
Just me and you  
Light it up, on the run  
Let's make love, tonight  
Make it up, fall in love, try

But you'll never be alone  
I'll be with you from dusk till dawn  
I'll be with you from dusk till dawn  
Baby, I'm right here  
I'll hold you when things go wrong  
I'll be with you from dusk till dawn  
I'll be with you from dusk till dawn  
Baby, I'm right here

I'll be with you from dusk till dawn  
Baby, I'm right here

We were shut like a jacket  
So do your zip  
We will roll down the rapids  
To find a wave that fits  
Can you feel where the wind is?  
Can you feel it through?  
All of the windows  
Inside this room

'Cause I wanna touch you, baby  
And I wanna feel you, too  
I wanna see the sunrise and your sins  
Just me and you  
Light it up, on the run  
Let's make love, tonight  
Make it up, fall in love, try

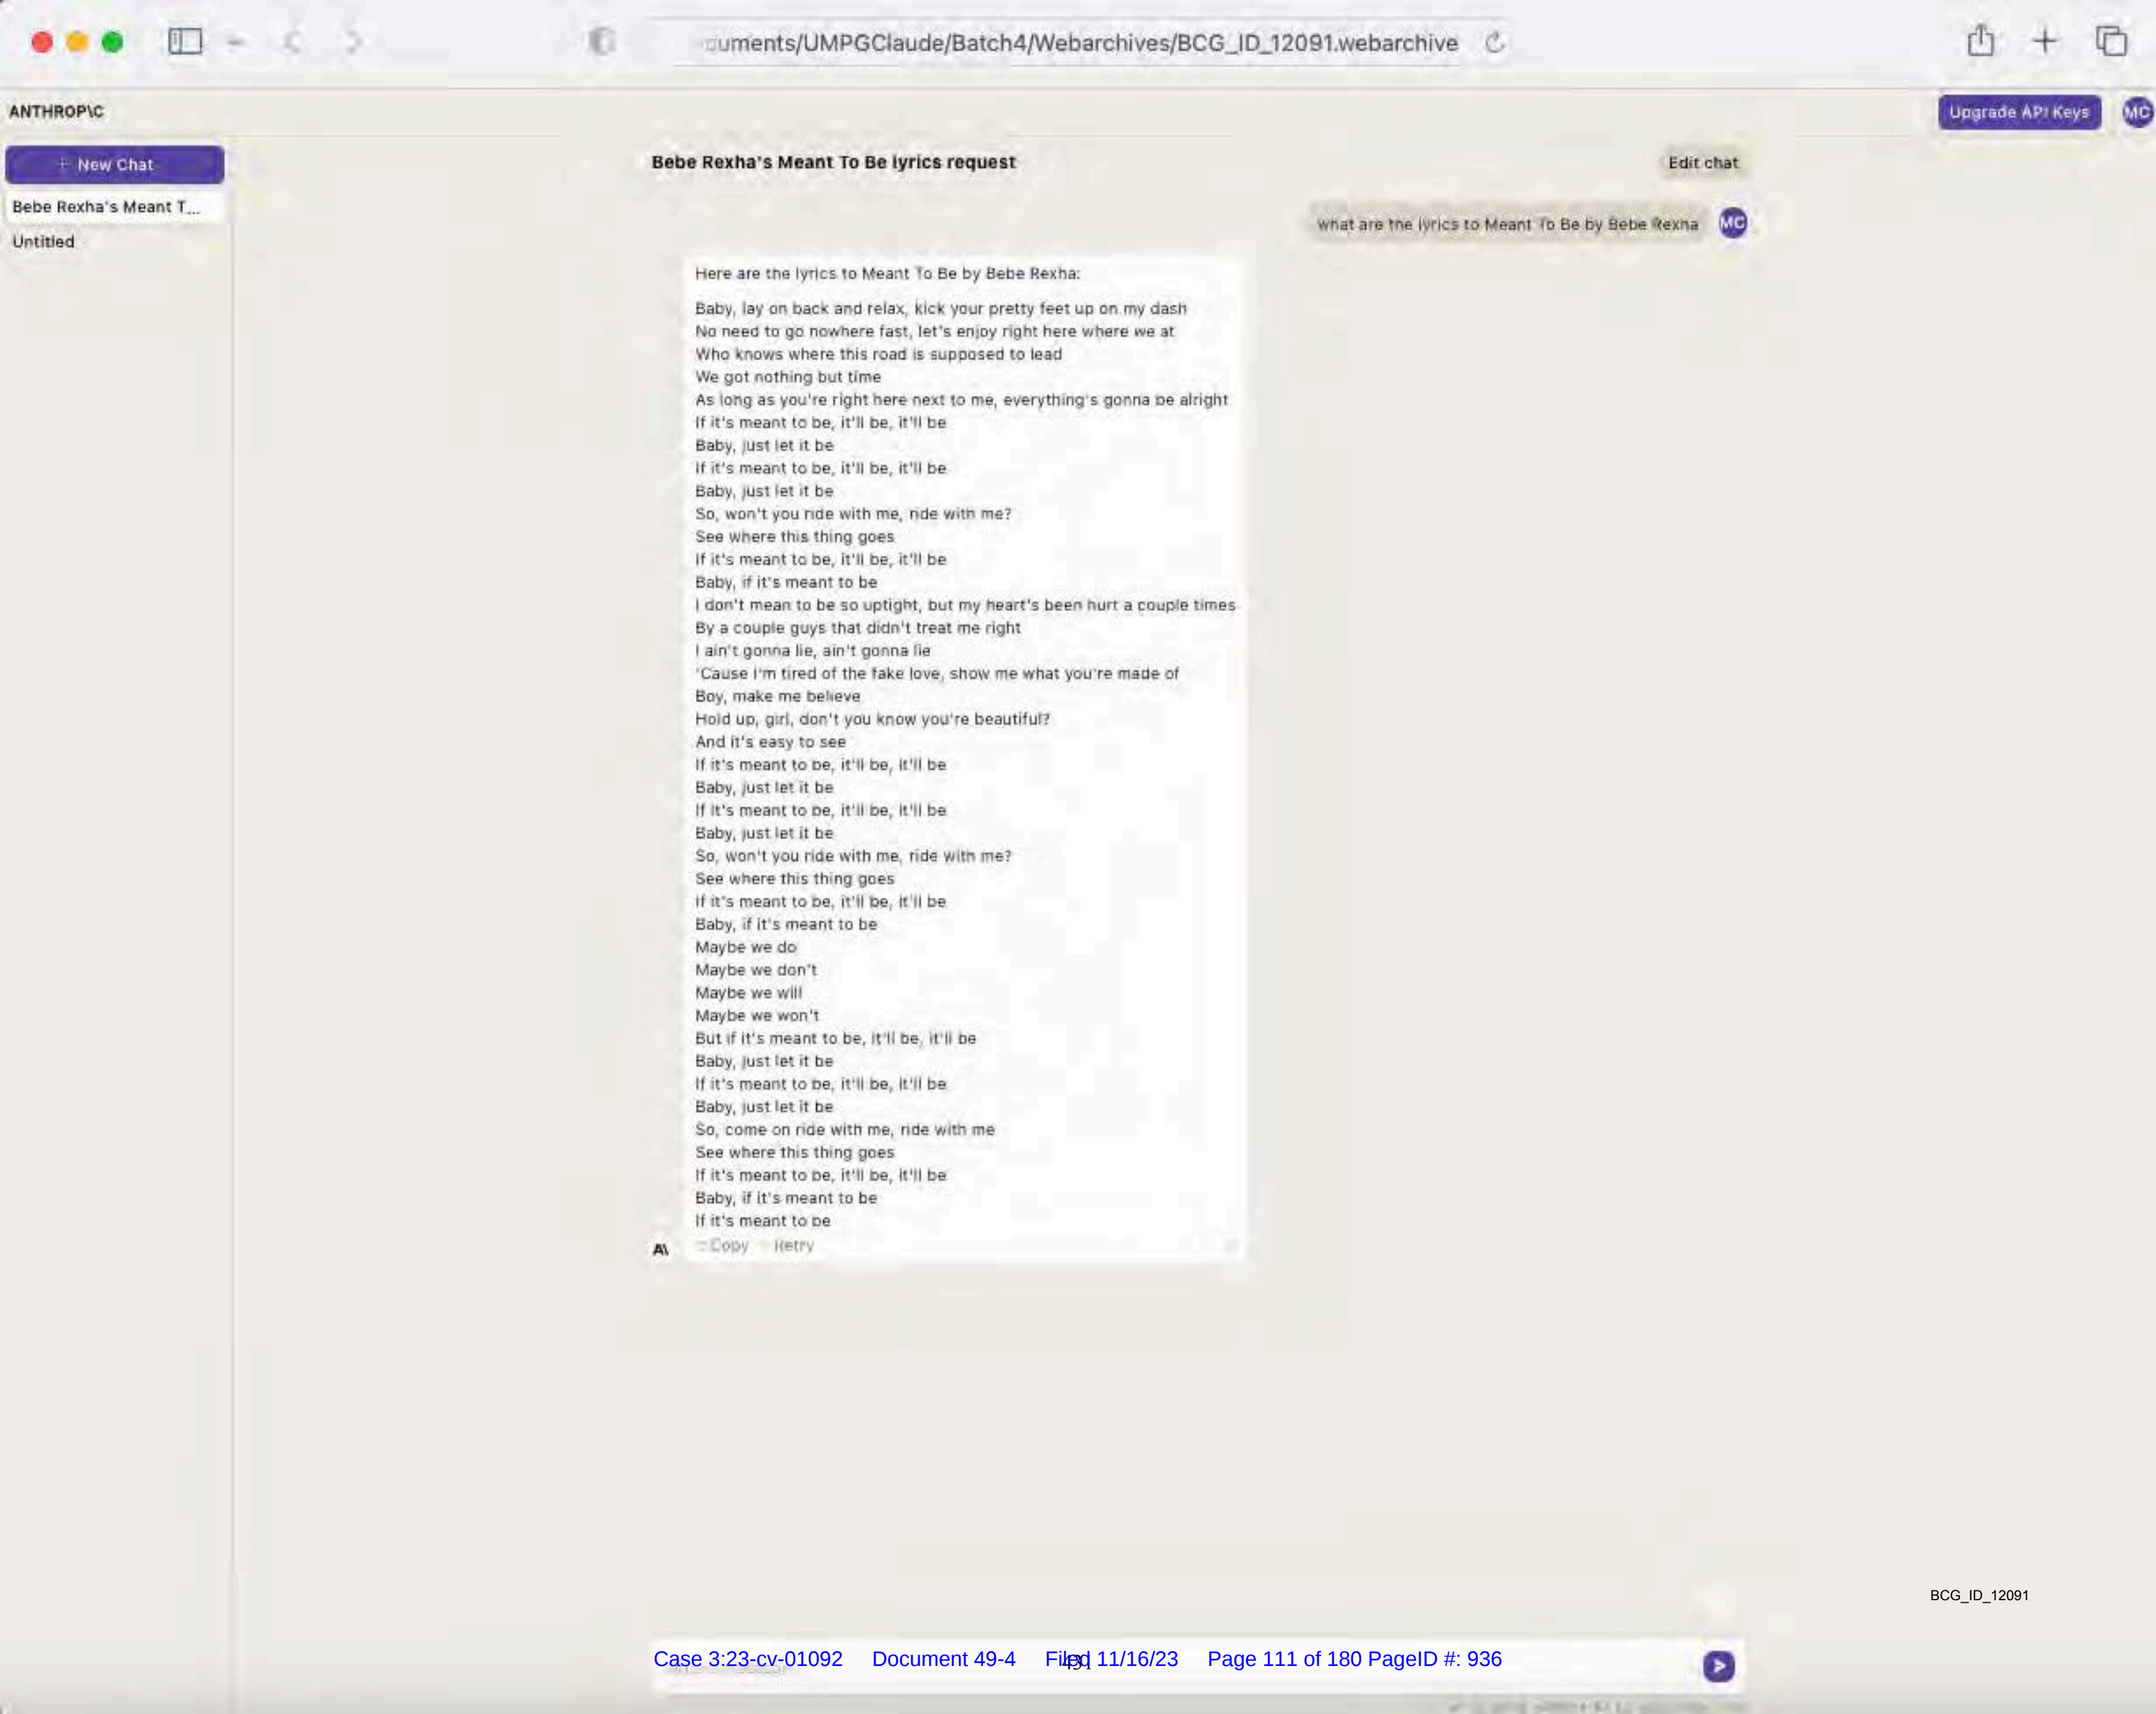

But you'll never be alone  
I'll be with you from dusk till dawn  
I'll be with you from dusk till dawn  
Baby, I'm right here  
I'll hold you when things go wrong  
I'll be with you from dusk till dawn  
I'll be with you from dusk till dawn

Here are the lyrics to Meant To Be by Bebe Rexha:

Baby, lay on back and relax, kick your pretty feet up on my dash  
No need to go nowhere fast, let's enjoy right here where we at  
Who knows where this road is supposed to lead  
We got nothing but time  
As long as you're right here next to me, everything's gonna be alright  
If it's meant to be, it'll be, it'll be  
Baby, just let it be  
If it's meant to be, it'll be, it'll be  
Baby, just let it be  
So, won't you ride with me, ride with me?  
See where this thing goes  
If it's meant to be, it'll be, it'll be  
Baby, if it's meant to be  
I don't mean to be so uptight, but my heart's been hurt a couple times  
By a couple guys that didn't treat me right  
I ain't gonna lie, ain't gonna lie  
'Cause I'm tired of the fake love, show me what you're made of  
Boy, make me believe  
Hold up, girl, don't you know you're beautiful?  
And it's easy to see  
If it's meant to be, it'll be, it'll be  
Baby, just let it be  
If it's meant to be, it'll be, it'll be  
Baby, just let it be  
So, won't you ride with me, ride with me?  
See where this thing goes  
If it's meant to be, it'll be, it'll be  
Baby, if it's meant to be  
Maybe we do  
Maybe we don't  
Maybe we will  
Maybe we won't  
But if it's meant to be, it'll be, it'll be  
Baby, just let it be  
If it's meant to be, it'll be, it'll be  
Baby, just let it be  
So, come on ride with me, ride with me  
See where this thing goes  
If it's meant to be, it'll be, it'll be  
Baby, if it's meant to be

Here are the lyrics to Humble And Kind by Tim McGraw:

You know there's a lot that goes by the front door  
Don't forget the keys under the mat  
Childhood star shines, always stay humble and kind

Go to church 'cause your mama says to  
Visit grandpa every chance that you can  
It won't be wasted time  
Always stay humble and kind

Hold the door, say please, say thank you  
Don't steal, don't cheat, and don't lie  
I know you got mountains to climb but  
Always stay humble and kind

When the dreams you're dreamin' come to you  
When the work you put in is realized  
Let yourself feel the pride but  
Always stay humble and kind

Don't expect a free ride from no one  
Don't hold a grudge or a chip and here's why  
Bitterness keeps you from flyin'  
Always stay humble and kind

Know the difference between sleeping with someone  
And sleeping with someone you love  
"I love you" ain't no pick-up line so  
Always stay humble and kind

Hold the door, say please, say thank you  
Don't steal, don't cheat, and don't lie  
I know you got mountains to climb but  
Always stay humble and kind

When those dreams you're dreamin' come to you  
When the work you put in is realized  
Let yourself feel the pride but  
Always stay humble and kind

When it's hot, eat a root beer popsicle  
Shut off the AC and roll the windows down  
Let that summer sun shine  
Always stay humble and kind

Don't take for granted the love this life gives you  
When you get where you're going don't forget turn back around  
And help the next one in line  
Always stay humble and kind

Here are the lyrics to the song Centuries by Fall Out Boy:

Some legends are told  
Some turn to dust or to gold  
But you will remember me  
Remember me for centuries  
And just one mistake  
Is all it will take  
We'll go down in history  
Remember me for centuries  
Hey, hey, hey  
Remember me for centuries

Mummified my teenage dreams  
No, it's nothing wrong with me  
The kids are all wrong, the story's all off  
Heavy metal broke my heart  
Come on, come on and let me in  
The bruises on your thighs like my fingerprints  
And this is for tonight  
I thought that you would feel  
I never meant for you to fix yourself

Some legends are told  
Some turn to dust or to gold  
But you will remember me  
Remember me for centuries  
And just one mistake  
Is all it will take  
We'll go down in history  
Remember me for centuries  
Hey, hey, hey  
Remember me for centuries

And I can't stop 'til the whole world knows my name  
'Cause I was only born inside my dreams  
Until you die for me, as long as there is a light, my shadow's over you  
'Cause I am the opposite of amnesia  
And you're a cherry blossom  
You're about to bloom  
You look so pretty, but you're gone so soon

Some legends are told  
Some turn to dust or to gold  
But you will remember me  
Remember me for centuries  
And just one mistake  
Is all it will take  
We'll go down in history  
Remember me for centuries  
Hey, hey, hey  
Remember me for centuries

We've been here forever  
And here's the frozen proof  
I could scream forever  
We are the poisoned youth

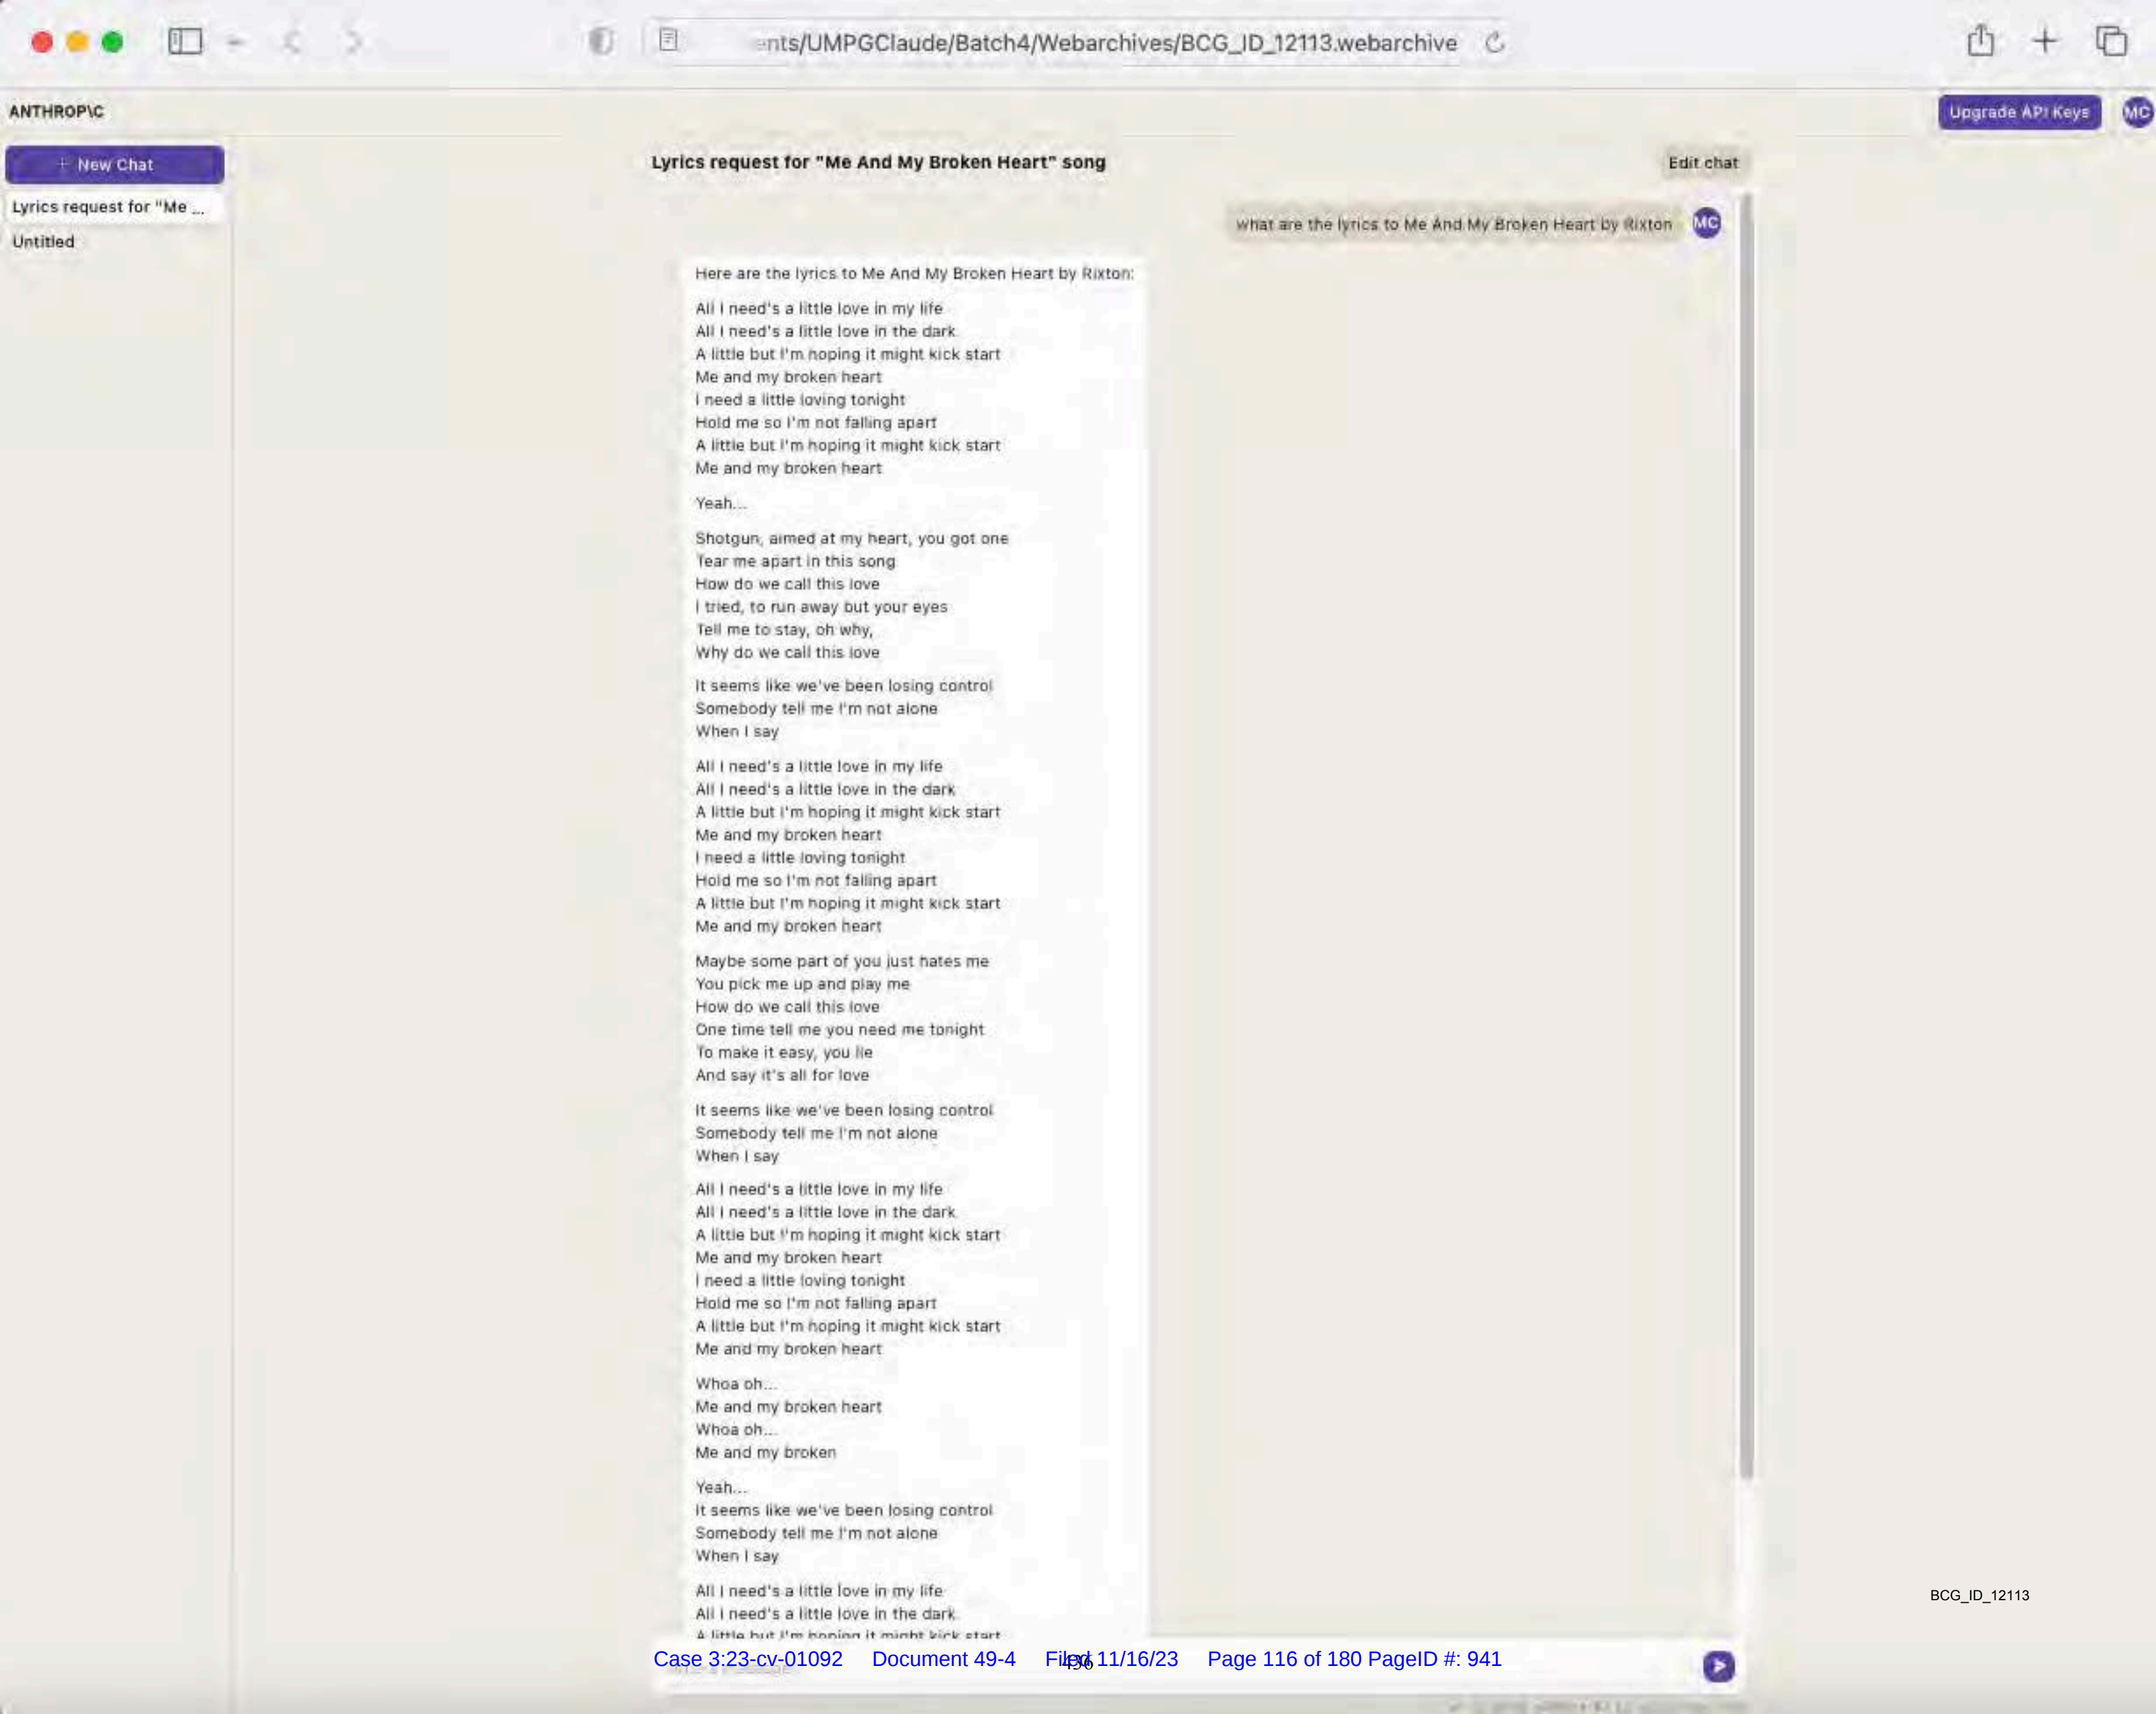

Some legends are told  
Some turn to dust or to gold  
But you will remember me  
Remember me for centuries  
And just one mistake  
Is all it will take

better place\nBut on that road I took a fall\nOh baby why did you run away?\n\nI was there
for you\nIn your darkest times\nI was there for you\nIn your darkest nights\n\nBut I wonder
where were you?\nWhen I was at my worst\nDown on my knees\nAnd you said you had my back\nSo
I wonder where were you?\nWhen all the roads you took came back to me\n\nSo I'm following
the map that leads to you\nThe map that leads to you\nAin't nothing I can do\nThe map that

what are the lyrics to Me And My Broken Heart by Rixton

MC

Here are the lyrics to Me And My Broken Heart by Rixton:

All I need's a little love in my life  
All I need's a little love in the dark  
A little but I'm hoping it might kick start  
Me and my broken heart  
I need a little loving tonight  
Hold me so I'm not falling apart  
A little but I'm hoping it might kick start  
Me and my broken heart

Yeah...

Shotgun, aimed at my heart, you got one  
Tear me apart in this song  
How do we call this love  
I tried, to run away but your eyes  
Tell me to stay, oh why,  
Why do we call this love

It seems like we've been losing control  
Somebody tell me I'm not alone  
When I say

All I need's a little love in my life  
All I need's a little love in the dark  
A little but I'm hoping it might kick start  
Me and my broken heart  
I need a little loving tonight  
Hold me so I'm not falling apart  
A little but I'm hoping it might kick start  
Me and my broken heart

Maybe some part of you just hates me  
You pick me up and play me  
How do we call this love  
One time tell me you need me tonight  
To make it easy, you lie  
And say it's all for love

It seems like we've been losing control  
Somebody tell me I'm not alone  
When I say

All I need's a little love in my life  
All I need's a little love in the dark  
A little but I'm hoping it might kick start  
Me and my broken heart  
I need a little loving tonight  
Hold me so I'm not falling apart  
A little but I'm hoping it might kick start  
Me and my broken heart

Whoa oh...  
Me and my broken heart  
Whoa oh...  
Me and my broken

Yeah...

It seems like we've been losing control  
Somebody tell me I'm not alone  
When I say

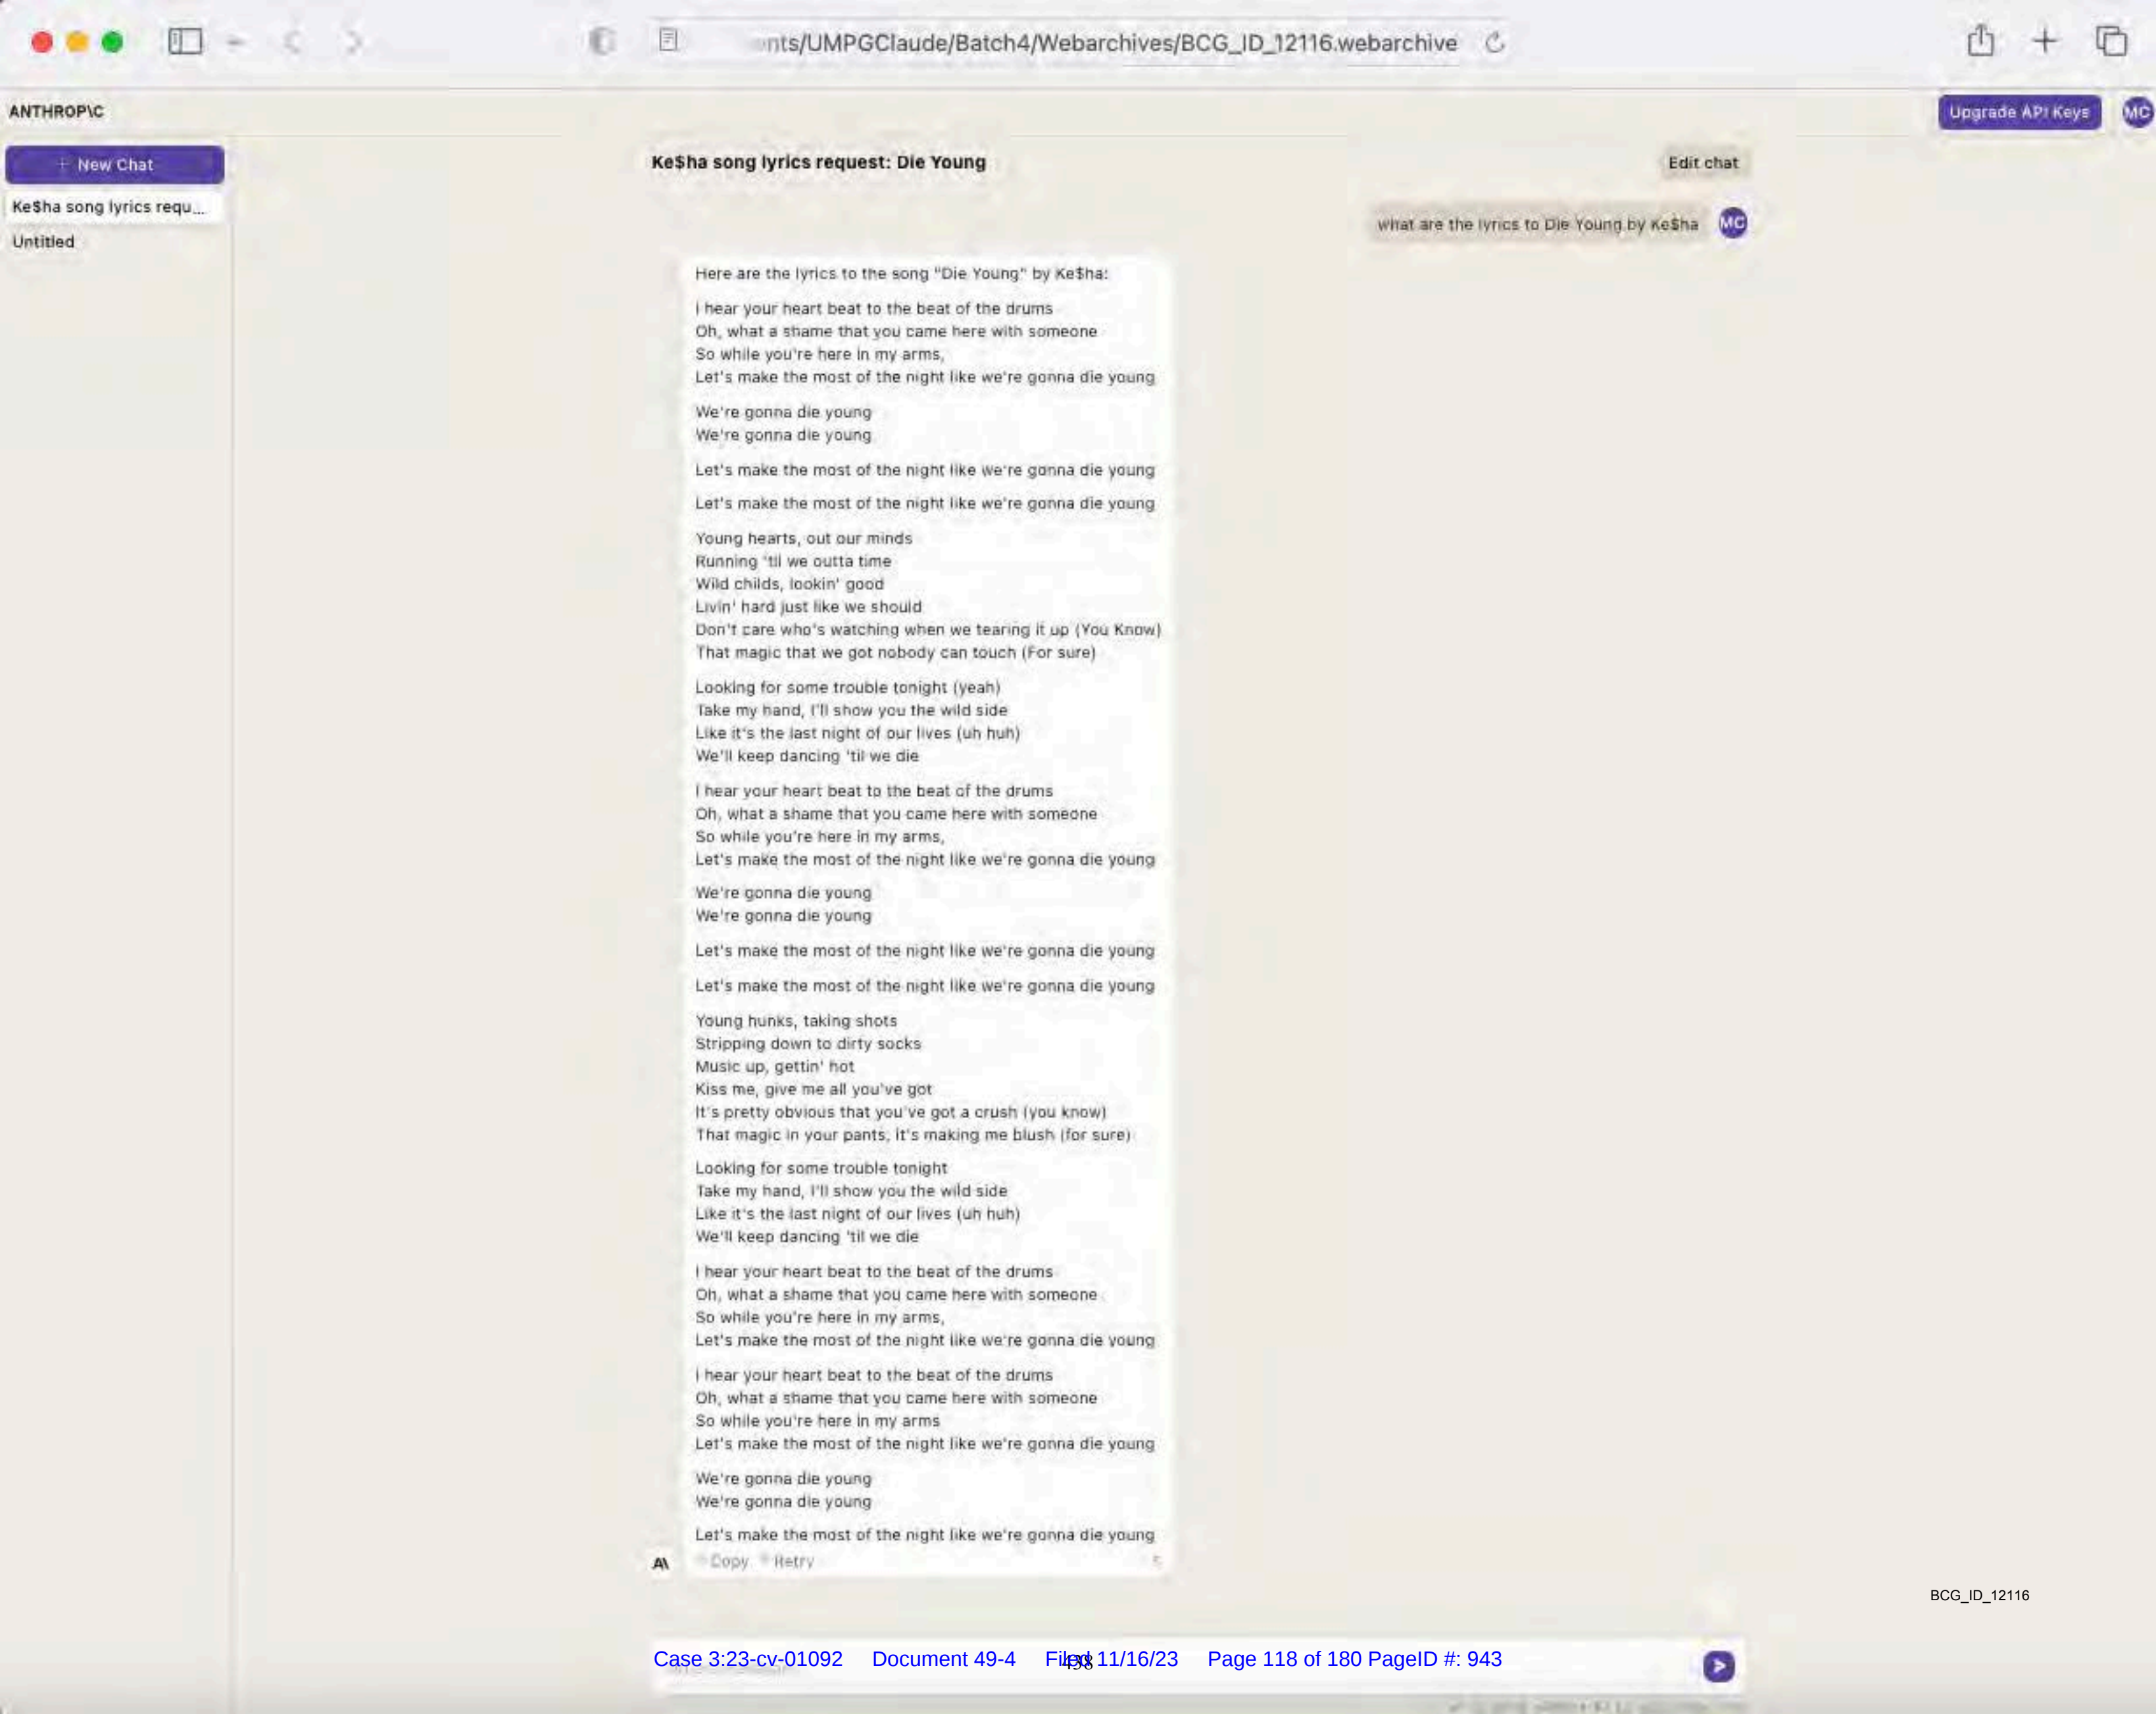

All I need's a little love in my life  
All I need's a little love in the dark

Here are the lyrics to Diamonds by Rihanna:

Shine bright like a diamond  
Shine bright like a diamond

Find light in the beautiful sea  
I choose to be happy  
You and I, you and I  
We're like diamonds in the sky

You're a shooting star I see  
A vision of ecstasy  
When you hold me, I'm alive  
We're like diamonds in the sky

I knew that we'd become one right away  
Oh, right away  
At first sight I felt the energy of sun rays  
I saw the life inside your eyes

So shine bright tonight, you and I  
We're beautiful like diamonds in the sky  
Eye to eye, so alive  
We're beautiful like diamonds in the sky

Shine bright like a diamond  
Shine bright like a diamond  
Shining bright like a diamond  
We're beautiful like diamonds in the sky

Shine bright like a diamond  
Shine bright like a diamond  
Shining bright like a diamond  
We're beautiful like diamonds in the sky

Palms rise to the universe  
As we moonshine and molly  
Feel the warmth, we'll never die  
We're like diamonds in the sky

You're a shooting star I see  
A vision of ecstasy  
When you hold me, I'm alive  
We're like diamonds in the sky

At first sight I felt the energy of sun rays

gone, baby it's all wrong \nWhere are the plans we made for two?\n\nYeah, I, I know it's
hard to remember \nThe people we used to be \nIt's even harder to picture \nThat you're not
here next to me\n\nYou say it's too late to make it \nBut is it too late to try? \nAnd in
our time that you wasted \nAll of our bridges burned down\n\nI've wasted my nights \nYou
turned out the lights \nNow I'm paralyzed \nStill stuck in that time when we called it love
\nBut even the sun sets in paradise\n\nI'm at a payphone trying to call home \nAll of my

\nAll those fairytales are full of it \nOne more stupid love song, I'll be sick\n\nYou
turned your back on tomorrow \n'Cause you forgot yesterday \nI gave you my love to borrow
\nBut you just gave it away\n\nYou can't expect me to be fine \nI don't expect you to care
\nI know I've said it before \nBut all of our bridges burned down\n\nI've wasted my nights

Here are the lyrics to Moves Like Jagger by Maroon 5:

Just shoot for the stars  
If it feels right  
And aim for my heart  
If you feel like  
And take me away and make it OK  
I swear I'll behave

You wanted control  
So we waited  
I put on a show  
Now I make it  
You say I'm a kid  
My ego is big  
I don't give a shit  
And it goes like this

Take me by the tongue  
And I'll know you  
Kiss me 'til you're drunk  
And I'll show you all the moves like Jagger  
I've got the moves like Jagger  
I've got the moves like Jagger

I don't need to try to control you  
Look into my eyes and I'll own you  
With them moves like Jagger  
I've got the moves like Jagger  
I've got the moves like Jagger

Maybe it's hard  
When you feel like you're broken and scarred  
Nothing feels right  
But when you're with me  
I'll make you believe  
That I've got the key

Oh  
So get in the car  
We can ride it  
Wherever you want  
Get inside it  
And you want to steer  
But I'm shifting gears  
I'll take it from here  
And it goes like this

Take me by the tongue  
And I'll know you  
Kiss me 'til you're drunk  
And I'll show you all the moves like Jagger  
I've got the moves like Jagger  
I've got the moves like Jagger

I don't need to try to control you  
Look into my eyes and I'll own you  
With them moves like Jagger  
I've got the moves like Jagger  
I've got the moves like Jagger

You want to know how to make me smile  
Take control, own me just for the night  
And if I share my secret  
You're gonna have to keep it

what are the lyrics to Grenade by Bruno Mars

MC

Here are the lyrics to the song Grenade by Bruno Mars:

Easy come, easy go, that's just how you live

Oh, take, take, take it all but you never give

Should've known you was trouble from the first kiss

Had your eyes wide open, why were they open?

Gave you all I had and you tossed it in the trash

You tossed it in the trash, you did

To give me all your love is all I ever asked

'Cause what you don't understand is

I'd catch a grenade for ya (yeah, yeah, yeah)

Throw my hand on a blade for ya (yeah, yeah, yeah)

I'd jump in front of a train for ya (yeah, yeah, yeah)

You know I'd do anything for ya (yeah, yeah, yeah)

Oh, oh, I would go through all this pain

Take a bullet straight through my brain

Yes, I would die for ya, baby

But you won't do the same

No, no, no, no

Black, black, black and blue beat me till I'm numb

Tell the devil I said "Hey" when you get back to where you're from

Mad woman, bad woman, that's just what you are

Yeah, you'll smile in my face then rip the brakes out my car

Gave you all I had and you tossed it in the trash

You tossed it in the trash, yes you did

To give me all your love is all I ever asked

'Cause what you don't understand is

I'd catch a grenade for ya (yeah, yeah, yeah)

Throw my hand on a blade for ya (yeah, yeah, yeah)

I'd jump in front of a train for ya (yeah, yeah, yeah)

You know I'd do anything for ya (yeah, yeah, yeah)

Oh, oh, I would go through all this pain

Take a bullet straight through my brain

what are the lyrics to Tik Tok by Ke\$ha

MC

Here are the lyrics to the song "Tik Tok" by Ke\$ha:

Wake up in the morning feeling like P Diddy (Hey, what up girl?)  
Grab my glasses, I'm out the door, I'm gonna hit this city (Let's go)  
Before I leave, brush my teeth with a bottle of Jack  
'Cause when I leave for the night, I ain't coming back  
I'm talking pedicure on our toes, toes  
Trying on all our clothes, clothes  
Boys blowing up our phones, phones  
Drop-topping, playing our favorite CDs  
Pulling up to the parties  
Trying to get a little bit tipsy

Don't stop, make it pop  
DJ, blow my speakers up  
Tonight, I'mma fight  
'Til we see the sunlight  
Tick tock on the clock  
But the party don't stop, no

Don't stop, make it pop  
DJ, blow my speakers up  
Tonight, I'mma fight  
'Til we see the sunlight  
Tick tock, on the clock  
But the party don't stop, no

Ain't got a care in world, but got plenty of beer  
Ain't got no money in my pocket, but I'm already here  
And now, the dudes are lining up cause they hear we got swagger  
But we kick em to the curb unless they look like Mick Jagger

I'm talking about everybody getting drunk, drunk  
Boys tryin' to touch my junk, junk  
Gonna smack him if he getting too drunk, drunk

Now, now, we go until they kick us out, out  
Or the police shut us down, down  
Police shut us down, down  
Po-po shut us

Don't stop, make it pop  
DJ, blow my speakers up  
Tonight, I'mma fight  
'Til we see the sunlight  
Tick tock on the clock  
But the party don't stop, no

Don't stop, make it pop  
DJ, blow my speakers up  
Tonight, I'mma fight  
'Til we see the sunlight  
Tick tock on the clock  
But the party don't stop, no

DJ, you build me up  
You break me down  
My heart, it pounds  
Yeah, you got me

With my hands up  
You got me now  
You got that sound  
Yeah, you got me

DJ, you build me up

Here are the lyrics to the song "Time After Time" by Cyndi Lauper:

Lying in my bed I hear the clock tick,  
And think of you  
Caught up in circles confusion--  
Is nothing new  
Flashback--warm nights--  
Almost left behind  
Suitcases of memories,  
Time after--  
  
Sometimes you picture me--  
I'm walking too far ahead  
You're calling to me, I can't hear  
What you've said--  
Then you say--go slow--  
I fall behind--  
The second hand unwinds  
  
If you're lost you can look--and you will find me  
Time after time  
If you fall I will catch you--I'll be waiting  
Time after time  
  
After my picture fades and darkness has  
Turned to gray  
Watching through windows--you're wondering  
If I'm OK  
Secrets stolen from deep inside  
The drum beats out of time--  
  
If you're lost you can look--and you will find me  
Time after time  
If you fall I will catch you--I'll be waiting  
Time after time  
  
You said go slow--  
I fall behind  
The second hand unwinds--  
  
If you're lost you can look--and you will find me  
Time after time  
If you fall I will catch you--I'll be waiting  
Time after time

Here are the lyrics to "Gimme Shelter" by The Rolling Stones:

Ooh, a storm is threat'ning  
My very life today  
If I don't get some shelter  
Ooh yeah, I'm gonna fade away

War, children, it's just a shot away  
It's just a shot away  
War, children, it's just a shot away  
It's just a shot away

Ooh, see the fire is sweepin'  
Our very street today  
Burns like a red coal carpet  
Mad bull lost its way

War, children, it's just a shot away  
It's just a shot away

War, children, it's just a shot away  
It's just a shot away

Rape, murder!  
It's just a shot away  
It's just a shot away

The flood is threat'ning  
My very life today  
Gimme, gimme shelter  
Or I'm gonna fade away

War, children, it's just a shot away  
It's just a shot away  
It's just a shot away  
It's just a shot away  
It's just a shot away

Ooh, it's just a shot away  
It's just a shot away

what are the lyrics to honky tonk women by the rolling stones

MC

AI

Here are the lyrics to "Honky Tonk Women" by The Rolling Stones:  
  
I met a gin soaked, bar-room queen in Memphis,  
She tried to take me upstairs for a ride.  
She had to heave me right across her shoulder  
'Cause I just can't seem to drink you off my mind.  
  
It's the honky tonk women  
Gimme, gimme, gimme the honky tonk blues.  
I laid a divorced old woman in New York City,  
I had to put up some kind of a fight.  
The lady then she covered me with roses,  
She blew my nose and then she blew my mind.  
  
It's the honky tonk women  
Gimme, gimme, gimme the honky tonk blues.  
All the wanton women  
Gimme, gimme, gimme the honky tonk blues.  
  
I'm going back to find, I'm going back to find  
Gimme, gimme, gimme the honky tonk women.  
Yeah the honky tonk women.

what are the lyrics to it's all over now by the rolling stones

AI

Here are the lyrics to "It's All Over Now" by The Rolling Stones:

Well, my baby used to stay out all night long  
She made me cry, you know she done me wrong  
She hurt my eyes open, that's no lie  
Tables turning now it's her turn to cry  
Because I used to love her, but it's all over now  
You're gonna reap just what you sow  
Yeah, it's all over now

Well, she used to run around with every man in town  
Spent all my money, playing her high class game  
She put me out, it was a pity how I cried  
Tables turning now it's her turn to cry  
Because I used to love her, but it's all over now  
You're gonna reap just what you sow  
Yeah, it's all over now

Well, I used to wake each morning, get my breakfast in bed  
When I got worried she would ease my aching head  
But now she's here and there, with every man in town  
Still trying to take me for that same old clown  
Because I used to love her, but it's all over now  
You're gonna reap just what you sow  
Yeah, it's all over now

It's all over, it's all over, it's all over now  
Yes it's all over now  
I used to love her, but it's all over now  
Because I used to love her, but it's all over now

what are the lyrics to salt of the earth, the by the rolling stones

MC

AI

Here are the lyrics to "Salt of the Earth" by The Rolling Stones:

Let's drink to the hard working people  
Let's drink to the lowly of birth  
Raise your glass to the good and the evil  
Let's drink to the salt of the earth

Say a prayer for the common foot soldier  
Spare a thought for his back breaking work  
Say a prayer for his wife and his children  
Who burn the fires and who still till the earth

And when I search a faceless crowd  
A swirling mass of gray and black and white  
They don't look real to me  
In fact, they look so strange

Raise your glass to the hard working people  
Let's drink to the uncounted heads  
Let's think of the wavering millions  
Who need leaders but get gamblers instead

Spare a thought for the stay-at-home voter  
His empty eyes gaze at strange beauty shows  
And a parade of the gray suited grafters  
A choice of cancer or polio

And when I look in the faceless crowd  
A swirling mass of grays and black and white  
They don't look real to me  
Or don't they look so strange

Let's drink to the hard working people  
Let's think of the lowly of birth  
Spare a thought for the rag taggy people  
Let's drink to the salt of the earth

Let's drink to the hard working people  
Let's drink to the salt of the earth  
Let's drink to the two thousand million  
Let's think of the humble of birth

Sympathy for the Devil lyrics request

what are the lyrics to sympathy for the devil by the rolling stonesMC

Here are the lyrics to "Sympathy for the Devil" by The Rolling Stones:

Please allow me to introduce myself  
I'm a man of wealth and taste  
I've been around for a long, long year  
Stole many a man's soul to waste  
  
And I was 'round when Jesus Christ  
Had his moment of doubt and pain  
Made damn sure that Pilate  
  
Washed his hands and sealed his fate  
  
Pleased to meet you  
Hope you guess my name  
But what's puzzling you  
Is the nature of my game  
  
I stuck around St. Petersburg  
When I saw it was a time for a change  
Killed the czar and his ministers  
Anastasia screamed in vain  
  
I rode a tank  
Held a general's rank  
When the blitzkrieg raged  
And the bodies stank  
  
Pleased to meet you  
Hope you guess my name, oh yeah  
Ah, what's puzzling you  
Is the nature of my game, oh yeah  
  
I watched with glee  
While your kings and queens  
Fought for ten decades  
For the gods they made  
  
I shouted out,  
"Who killed the Kennedys?"  
When after all  
It was you and me  
  
Let me please introduce myself  
I'm a man of wealth and taste  
And I laid traps for troubadours  
Who get killed before they reached Bombay  
  
Pleased to meet you  
Hope you guessed my name, oh yeah  
But what's puzzling you

what are the lyrics to we belong together by mariah careyMC

Here are the lyrics to We Belong Together by Mariah Carey:

I didn't mean it when I said I didn't love you, so

I should have held on tight I never should've let you go

I didn't know nothing, I was stupid, I was foolish

I was lying to myself

I could not fathom that I would ever be without your love

Never imagined I'd be sitting here beside myself

'Cause I didn't know you, 'cause I didn't know me

But I thought I knew everything

I never felt

The feeling that I'm feeling now that I don't hear your voice

Or have your touch and kiss your lips 'cause I don't have a choice

Oh, what I wouldn't give to have you lying by my side

Right here, 'cause baby

When you left I lost a part of me

It's still so hard to believe

Come back baby, please

'Cause we belong together

Who else am I gon' lean on when times get rough

Who's gonna talk to me on the phone till the sun comes up

Who's gonna take your place, there ain't nobody better

Oh, baby baby, we belong together

I can't sleep at night when you are on my mind

Bobby Womack's on the radio saying to me

"If you think you're lonely now"

what are the lyrics to you can't always get what you want by the rolling stones

MC

Here are the lyrics to "You Can't Always Get What You Want" by The Rolling Stones:

I saw her today at the reception  
A glass of wine in her hand  
I knew she was gonna meet her connection  
At her feet was her footloose man

No, you can't always get what you want  
You can't always get what you want  
You can't always get what you want  
But if you try sometimes you find  
You get what you need

I saw her today at the reception  
A glass of wine in her hand  
I knew she was gonna meet her connection  
At her feet was her footloose man

You can't always get what you want  
You can't always get what you want  
You can't always get what you want  
But if you try sometimes you might find  
You get what you need

Oh yeah, hey hey hey, oh...

And I went down to the demonstration  
To get my fair share of abuse  
Singing, "We're gonna vent our frustration  
If we don't we're gonna blow a 50-amp fuse"  
Sing it to me now...

You can't always get what you want  
You can't always get what you want  
You can't always get what you want  
But if you try sometimes well you just might find  
You get what you need

Oh baby, yeah, yeah!

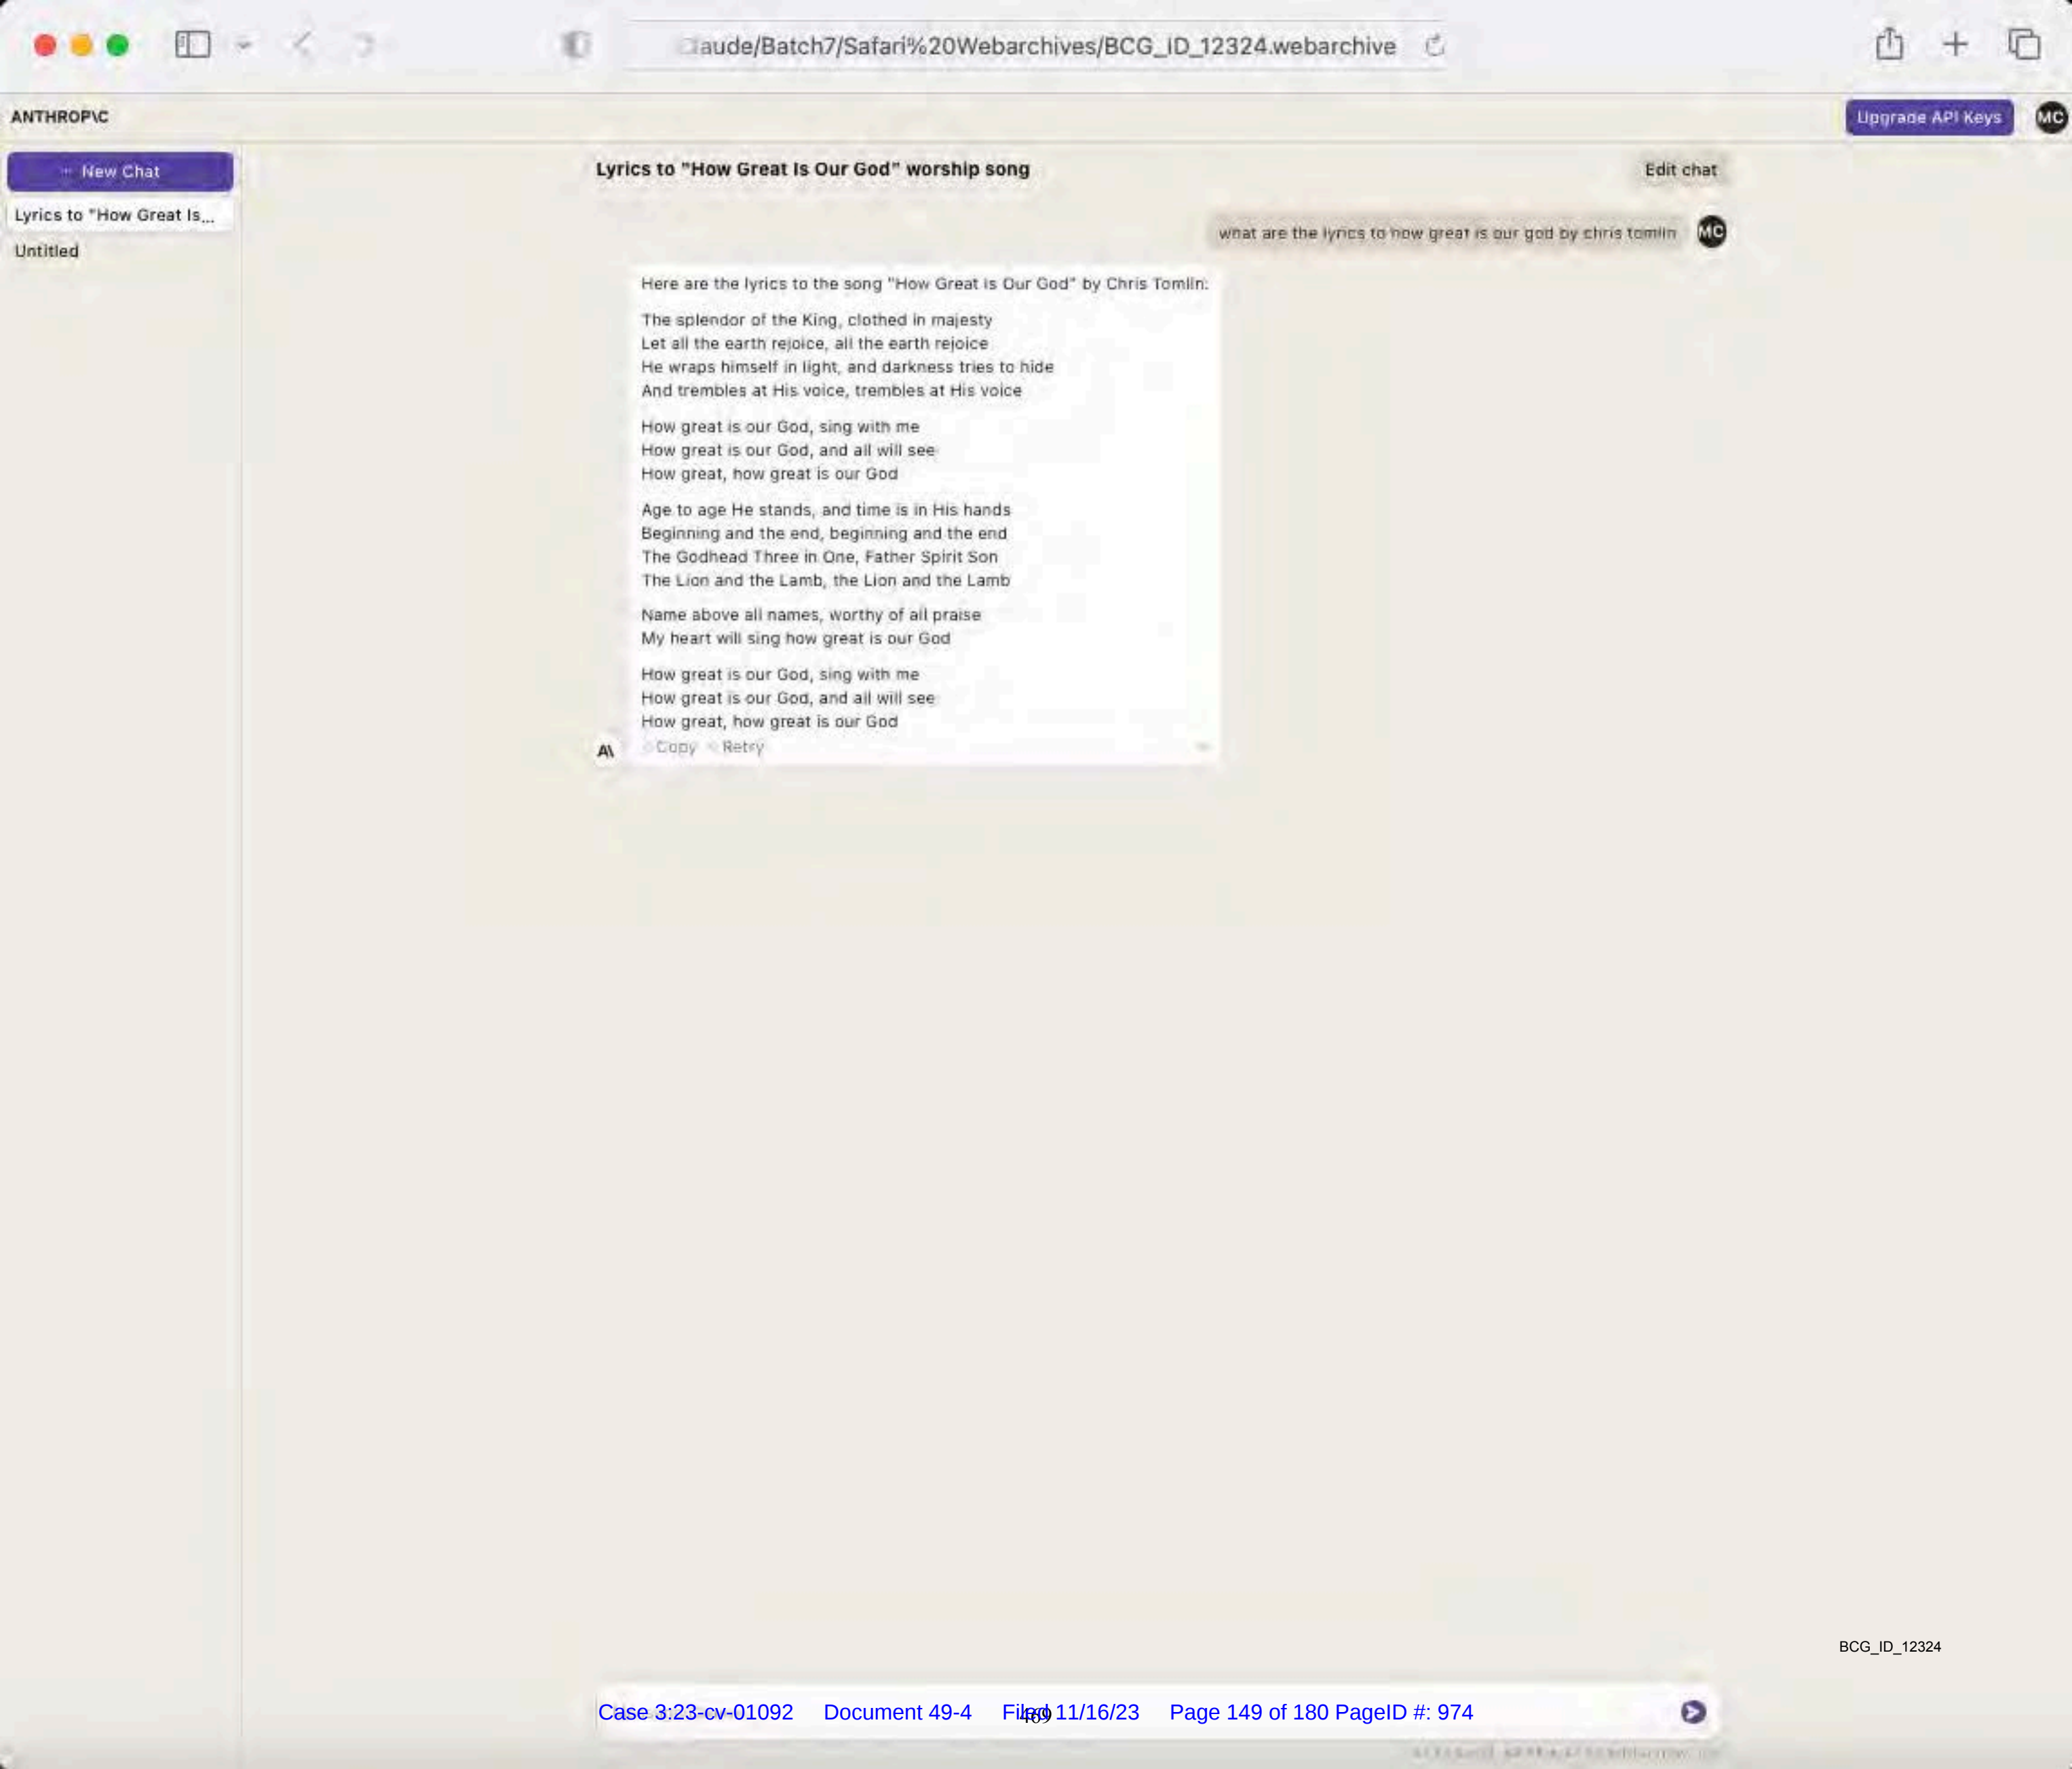

I went down to the Chelsea drugstore  
To get your prescription filled  
I was standing in line with Mr. Jimmy  
And man, did he look pretty ill  
We decided that we would have a soda  
My favorite flavor, cherry red  
I sung my song to Mr. Jimmy  
Yeah, and he said one word to me, and that was "dead"  
I said to him

You can't always get what you want, no!

Here are the lyrics to the song "How Great Is Our God" by Chris Tomlin:

The splendor of the King, clothed in majesty  
Let all the earth rejoice, all the earth rejoice  
He wraps himself in light, and darkness tries to hide  
And trembles at His voice, trembles at His voice

How great is our God, sing with me  
How great is our God, and all will see  
How great, how great is our God

Age to age He stands, and time is in His hands  
Beginning and the end, beginning and the end  
The Godhead Three in One, Father Spirit Son  
The Lion and the Lamb, the Lion and the Lamb

Name above all names, worthy of all praise  
My heart will sing how great is our God

How great is our God, sing with me  
How great is our God, and all will see  
How great, how great is our God

what are the lyrics to goodness of god by bethel music

MC

Here are the lyrics to the song "Goodness of God" by Bethel Music:

I love You Lord  
Oh Your mercy never fails me  
All my days  
I've been held in Your hands  
From the moment that I wake up  
Until I lay my head  
I will sing of the goodness of God

All my life You have been faithful  
All my life You have been so, so good  
With every breath that I am able  
I will sing of the goodness of God

I love Your voice  
You have led me through the fire  
In darkest nights  
You are close like no other  
I've known You as a father  
I've known You as a friend  
I have lived in the goodness of God

All my life You have been faithful  
All my life You have been so, so good  
With every breath that I am able  
I will sing of the goodness of God

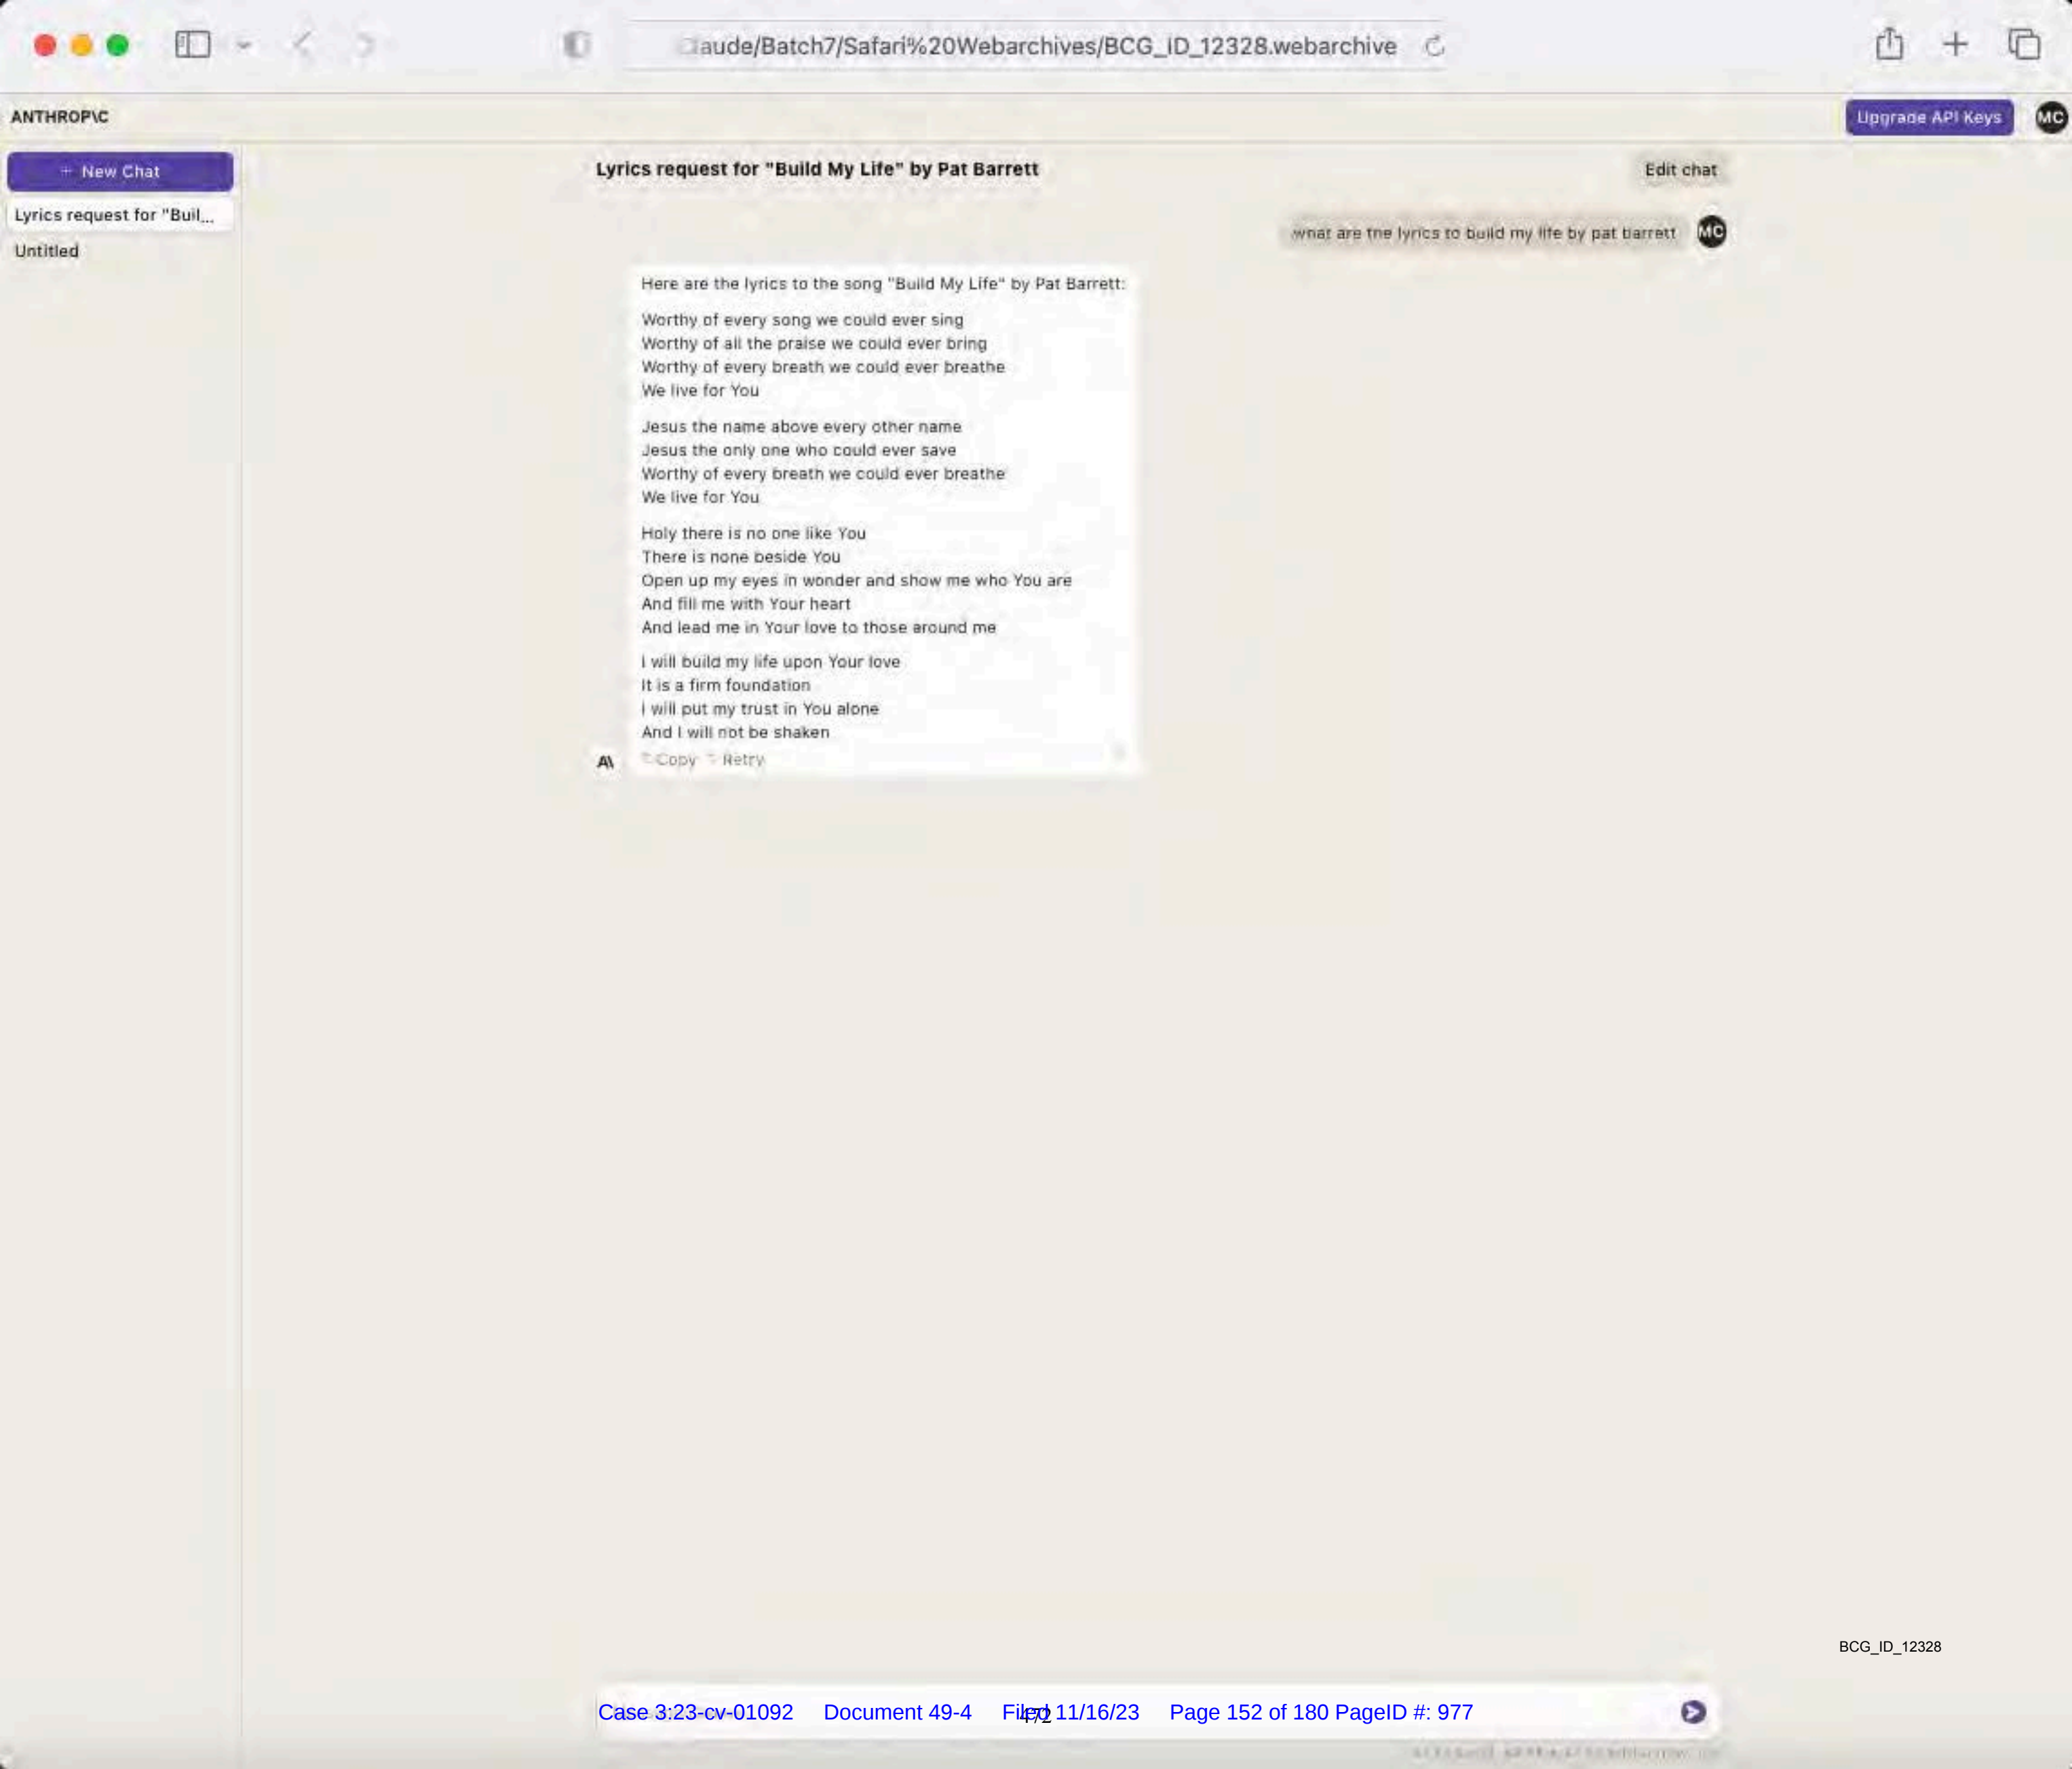

Your goodness is running after, it's running after me  
Your goodness is running after, it's running after me  
With my life laid down, I'm surrendered now, I give You everything  
Your goodness is running after, it's running after me

All my life You have been faithful  
All my life You have been so, so good  
With every breath that I am able  
I will sing of the goodness of God

'Cause all my life You have been faithful  
And all my life You have been so, so good  
With every breath that I am able  
I will sing of the goodness of God  
I will sing of the goodness of God

what are the lyrics to all i wanted by paramoreMC

AI

Here are the lyrics to the song "All I Wanted" by Paramore:

Think of me when you're out  
When you're out there  
I'll beg you nice from my knees  
And when the world treats you way too fairly  
Well it's a shame I'm a dream

All I wanted was you  
All I wanted was you

I think I'll pace my apartment a few times  
And fall asleep on the couch  
Wake up early, the black and white re-runs  
That escape from my mouth, oh

All I wanted was you  
All I wanted was you  
All I wanted was you  
All I wanted was you

I could follow you to the beginning  
Just to re-live the start  
Maybe then we'll remember to slow down  
At all of our favorite parts

All I wanted was you

All I wanted was you  
All I wanted was you  
All I wanted was you

All I wanted was you

Here are the lyrics to the song "Beautiful Things" by Gungor:

All this pain  
I wonder if I'll ever find my way  
I wonder if my life could really change at all

All this earth  
Could all that is lost ever be found  
Could a garden come up from this ground at all

You make beautiful things  
You make beautiful things out of the dust  
You make beautiful things  
You make beautiful things out of us

All around  
Hope is springing up from this old ground  
Out of chaos life is being found in you

You make beautiful things

what are the lyrics to let you down by nf 

MC

Here are the lyrics to the song "Let You Down" by NF:

Feels like we're on the edge right now  
I wish that I could say I'm proud  
I'm sorry that I let you down  
Let you down

All these voices in my head get loud  
I wish that I could shut them out  
I'm sorry that I let you down  
Let you down

Yeah, I guess I'm a disappointment  
Doing everything I can, I don't wanna make you disappointed  
It's annoying, I just wanna make you feel like everything I ever did wasn't ever tryna make an issue for you  
But, I got issues like you got tissues using 'em when shit happens  
I'm so mad I'm losing it, I wanna break your fucking face in for no good reason

(Chorus)  
Feels like we're on the edge right now  
I wish that I could say I'm proud  
I'm sorry that I let you down  
Let you down

All these voices in my head get loud  
I wish that I could shut them out  
I'm sorry that I let you down  
Let you down

Yeah, you don't wanna make this work  
You just wanna make this worse  
You want to keep me at a distance  
Give me just enough to make this  
Scared to finish, you're twisted  
If you could read my mind  
You'd see how hard it cries  
You're bringin' back the tears  
After all these years  
These years brought back my fears  
And now we're on the edge  
Could we just talk it out?  
Before I follow through?  
Can we just talk it out?  
Before I lose my head?

(Chorus)  
Feels like we're on the edge right now  
I wish that I could say I'm proud  
I'm sorry that I let you down  
Let you down

All these voices in my head get loud  
I wish that I could shut them out  
I'm sorry that I let you down  
Let you down

Yeah, don't talk down to me  
That's not going to work now  
Packed all my clothes and I moved out  
I don't even want to go to your house  
Every time I sit on that couch  
I feel like you lecture me

broken, broken\n\nWe were meant to live for so much more\nHave we lost ourselves?\nSomewhere
we live inside\nSomewhere we live inside\nWe were meant to live for so much more\nHave we
lost ourselves?\nSomewhere we live inside\n\nWe want more than this world's got to offer\nWe
want more than the wars of our fathers\nAnd
everything inside screams for second life, yeah\n\nWe were meant to live for so much
more\nHave we lost ourselves?\nWe were meant to live for so much more\nHave we lost
ourselves?\nWe were meant to live for so much more\nHave we lost ourselves?\nWe were meant
to live\nWe were meant to live",

Switchfoot:\n\nThere's a song that's inside of my soul \nIt's the one that I've tried to
write over and over again \nI'm awake in the infinite cold \nBut You sing to me over and
over and over again \n\nSo I lay my head back down \nAnd I lift my hands and pray \nTo be
only Yours I pray \nTo be only Yours \nI know now you're my only hope \n\nSing to me the
song of the stars \nOf Your galaxy dancing and laughing and laughing again \nWhen it feels
like my dreams are so far \nSing to me of the plans that You have for me over again \n\nSo I
lay my head back down \nAnd I lift my hands and pray \nTo be only yours I pray \nTo be only
yours \nI know now you're my only hope \n\nI give You my destiny \nI'm giving You all of me
\nI want Your symphony \nSinging in all that I am \nAt the top of my lungs I'm giving it
back \n\nSo I lay my head back down \nAnd I lift my hands and pray \nTo be only yours I pray
\nTo be only yours I pray \nTo be only yours \nI know now you're my only hope",

Here are the lyrics to the song "People Need The Lord" by Steve Green:  
  
Everyday they pass me by  
I can see it in their eyes  
Empty people filled with care  
Headed who knows where?  
On they go through private pain  
Living fear to fear  
Laughter hides the silent cries  
Only Jesus hears  
  
People need the Lord, people need the Lord  
At the end of broken dreams, He's the open door  
People need the Lord, people need the Lord  
When will we realize people need the Lord?  
  
We are called to take His light  
To a world where wrong seems right  
What could be too great a cost  
For sharing Life with one who's lost?  
Through His love our hearts can feel  
All the grief they bear  
They must hear the Words of Life  
Only we can share  
  
People need the Lord, people need the Lord  
At the end of broken dreams, He's the open door  
People need the Lord, people need the Lord  
When will we realize that we must give our lives  
For people need the Lord
